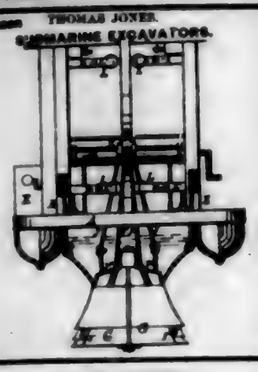
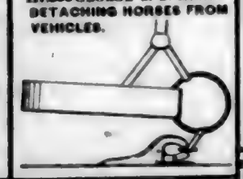
117,295 JESSUP AND SHARP, HOD AND PLASTER-SCOOPS.



117,296 JAMES GUTHRIE JOHNSON, HAND CORN-HUSKERS.

117,297 MILLER L. JOSEY, POST-HOLE DIGGERS

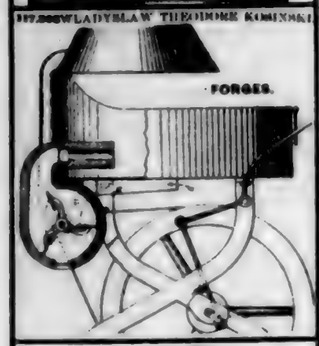


117,298 THOMAS JONES, SUBMARINE EXCAVATORS.

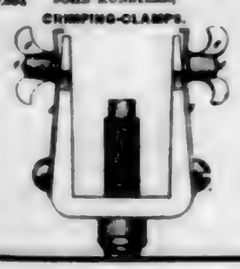
117,299 EDWARD LAWLER, REGULATORS FOR GAS-BURNERS.

117,300 GEORGE B. LUMPKIN, DETACHING HORSES FROM VEHICLES.

117,301 LUKE KAVANAUGH, KNITTING-MACHINES.

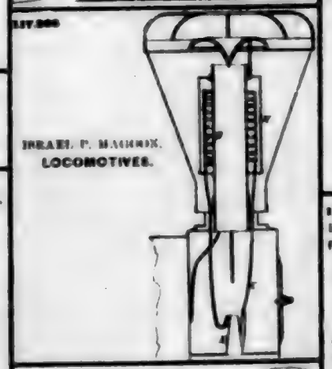


117,302 HENRY D. KEITH AND JOHN T. KEITH, WAGON-WHEELS.

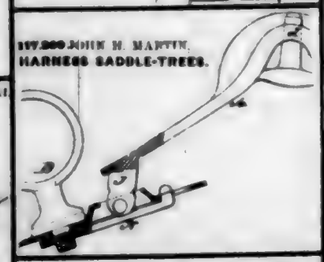


117,303 WILLIAM KOCK, TUMBLERS FOR PERMUTATION LOCKS.

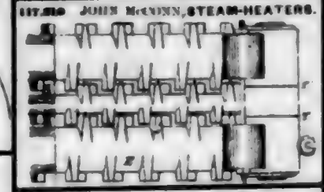
117,304 WLADYSLAW THEODORE KOMINSKI FORGES.



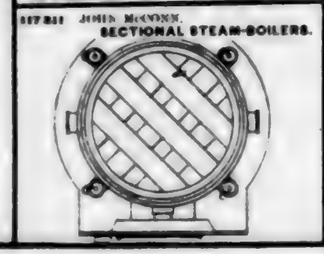
117,305 JOHN KUHTLER, CRIMPING-CLAMPS.



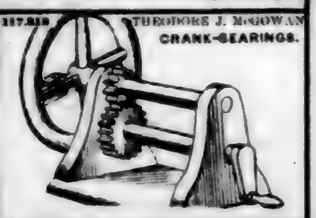
117,306 MIRABEAU B. LYNN, STEAM-CARRIAGES FOR PLOWS.



117,307 ISRAEL P. MADDOX, LOCOMOTIVES.

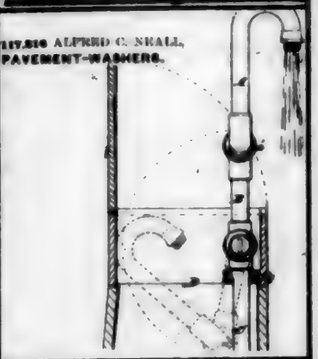


117,308 JOHN H. MARTIN, HARNESS SADDLE-TREES.

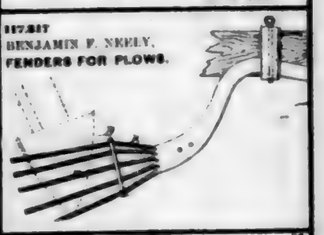


117,309 JOHN McCONN, STEAM-HEATERS.

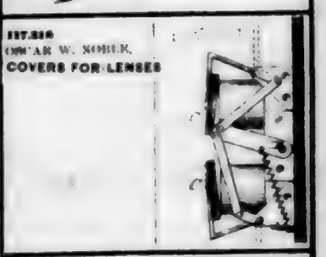
117,310 JOHN McCONN, SECTIONAL STEAM-BOILERS.



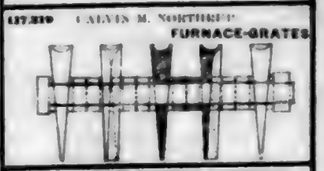
117,311 THEODORE J. McGOWAN, CRANK-GEARINGS.



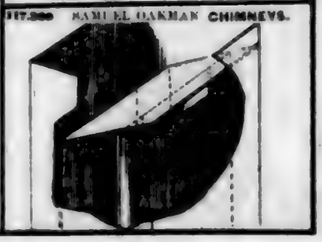
117,312 HENRY T. MORAN, FOLDING SETTEES.



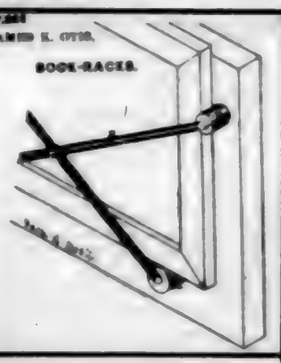
117,313 ALFRED C. NEALL, PAVEMENT-WASHERS.



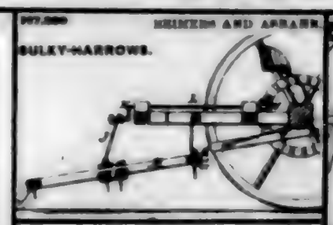
117,314 BENJAMIN F. NEELY, FENDERS FOR PLOWS.



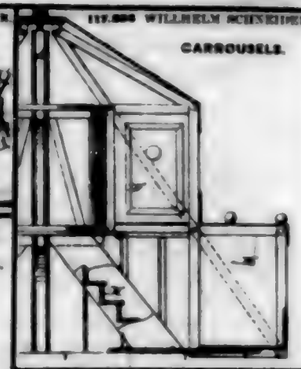
117,315 OSCAR W. NOBLE, COVERS FOR LENSES



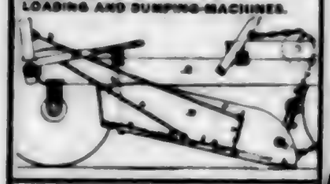
117,316 CALVIN M. NORTHROP, FURNACE-GRATES.



117,317 SAMUEL OAKMAN, CHIMNEYS.

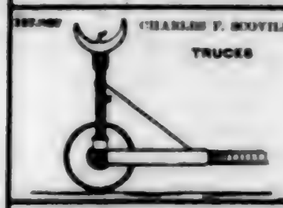


117,324 JAMES E. OTIS. BOOK-RACKS.

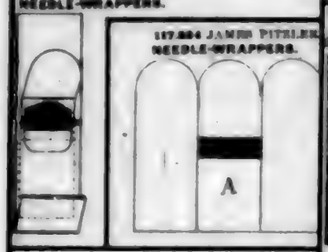


117,325 REIMERS AND ABRAHM. SULKY-HARROWS.

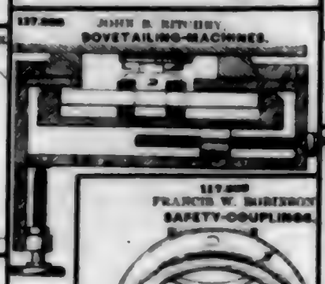
117,326 WILLHELM SCHNEIDER. CARROUSELS.



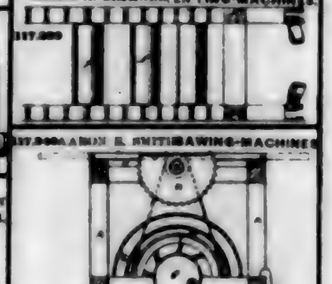
117,327 MOREAU PHILLIPS. LOADING AND DUMPING-MACHINES.



117,328 HENRY J. RIVE. GAS HAND-LAMPS.



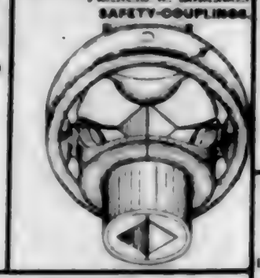
117,329 CHARLES F. HOOVILLE. TRUCKS



117,330 JAMES PITBLADO. NEEDLE-WRAPPERS.

117,331 JOHN B. RITCHEY. DOVETAILING-MACHINES.

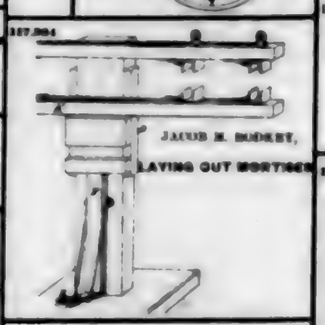
117,332 CICERO A. SIMMONS. LIFTING-MACHINES.



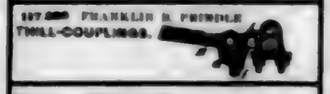
117,333 AARON E. SMITH. SEWING-MACHINES.

117,334 SAMUEL S. PORTER. FENCES.

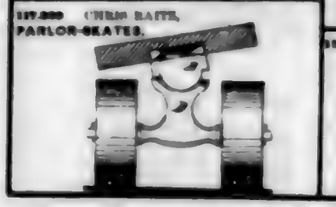
117,335 FRANCIS W. HARRISON. SAFETY-COUPLINGS.



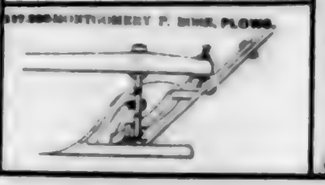
117,336 CHARLES C. PUTT. SAP-SPOUTS.



117,337 JAMES MARTIN. PRICK-ROOFS.



117,338 JACOB M. BUDKEY. LAYING OUT MORTISES.

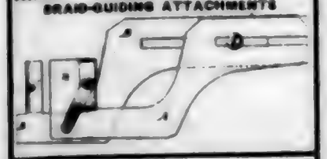


117,339 FRANKLIN B. PRINDLE. THILL-COUPLINGS.

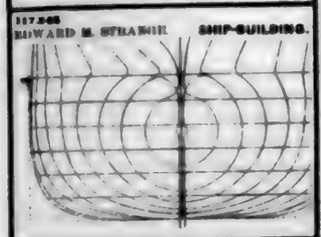
117,340 CHRIS RAITH. PARLOR-SKATES.

117,341 MONTGOMERY P. HINE. PLOWS.

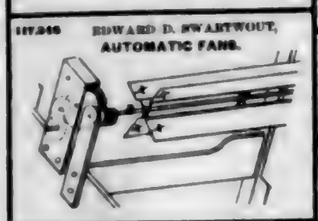
117,342 DANIEL B. SIMES. LAMP-CHIMNEYS.



117,343 MARA BRANCH SMITHWICK. FLAX-BRAKES.

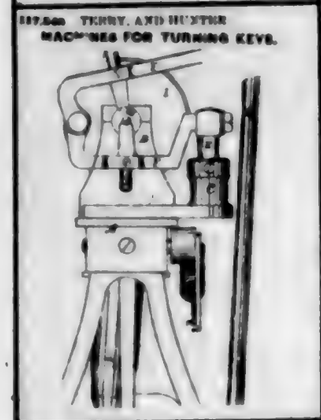


117,343 DANIEL M. SPROUL. MOLDS.

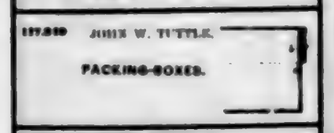


117,344 MARAFOR C. SPROUL. BRAID-GUIDING ATTACHMENTS

117,345 EDWARD M. STRAMER. SHIP-BUILDING.



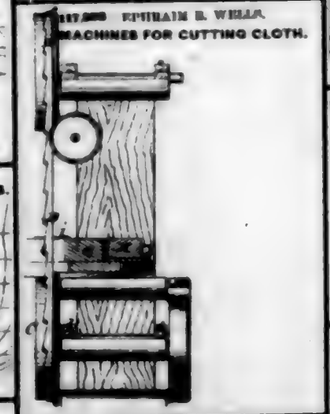
117,346 EDWARD D. SWARTWOUT. AUTOMATIC FANS.



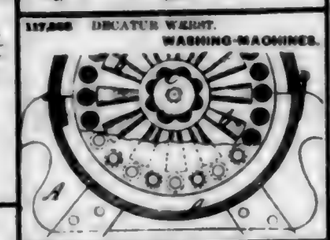
117,347 SAMUEL C. TALCOTT. BUCKLES AND LOOPS.

117,348 TERRY AND HUNTER. MACHINES FOR TURNING KEYS.

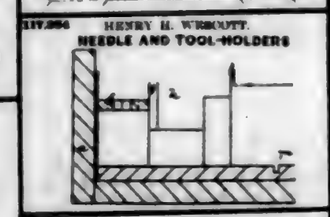
117,349 JOHN W. TUTTLE. PACKING-BOXES.



117,350 JOHN W. TUTTLE. PAPER PACKING-BOXES.

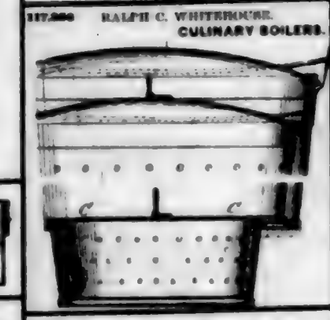


LUTHER VAN ORDEN. RECLINING-CHAIRS

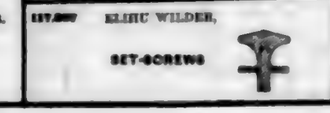


117,352 EPHRAIM B. WELLS. MACHINES FOR CUTTING CLOTH.

117,353 DECATUR WERT. WASHING-MACHINES.

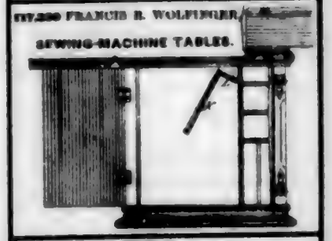


117,354 HENRY H. WESCOTT. NEEDLE AND TOOL-HOLDERS

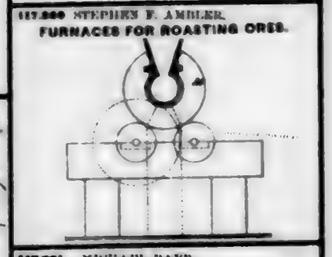


117,355 SETH WHEELER. WRAPPING-PAPERS.

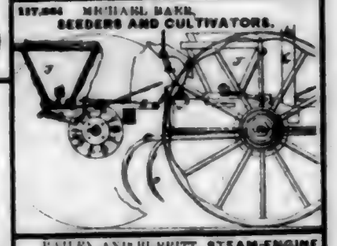
117,356 RALPH C. WHITEHOUSE. CULINARY BOILERS.



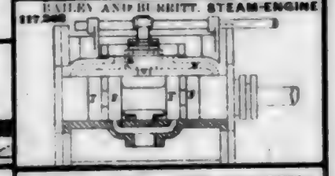
117,357 ELIHU WILDER. SET-SCREWS



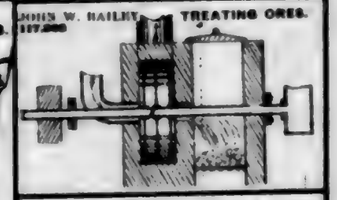
117,358 FRANCIS B. WOLFINGER. SEWING-MACHINE COVERS.



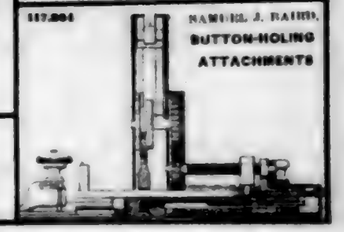
117,359 FRANCIS B. WOLFINGER. SEWING-MACHINE TABLES.



117,360 STEPHEN F. AMBLER. FURNACES FOR ROASTING ORES.



117,361 MICHAEL BAKE. SEEDERS AND CULTIVATORS.



BAILEY AND BURRITT. STEAM-ENGINE

117,363 JOHN W. BAILEY. TREATING ORES.

117,364 SAMUEL J. BAIRD. BUTTON-HOLING ATTACHMENTS

JOHN G BAKER, MACHINES FOR CUTTING TOBACCO.

WILLIAM T. BLACK, BASE-BURNING STOVES.

WILLIAM H. BUKER, SEWING-MACHINES.

WILLIAM BALL, METER

FRANKLIN B. BOWEN, FANNING-MILLS.

WILLIAM D. CARLTON, FARM-GATES.

BANDLE AND CHRISTNER, CAP-GUN

EPHRAIM BRALEY, BOXES FOR CHALK-LINES.

HENRY CHUBB, FURNACES FOR HEATING METAL PLATES.

PELHAM C. BARROW, CAR-COUPLINGS

CHARLES W. BARRICK, CORN-PLANTER

JAMES CHURCH, CLAMPS FOR ENTERING BLIND-SLATS.

LYMAN M. BATES, MOSQUITO CANOPY-HOLDER

JAMES W. BROOK, TRANSPLANTING DEVICES.

JOHN B. CORNELL, FIRE-PROOF ROOFING.

JAMES H. BRATTY, SUCKER-ROD JOINT.

GEORGE H. CORLISS, STEAM-GENERATORS.

ROBERT BERRYMAN, STEAM-TRAPS.

JAMES WILLIAM BROOK, INSECT-GUARDS.

GEORGE H. CORLISS, JOURNAL-BOXES.

ISAAC QUIRWIN, RAST-CLIPS.

JULIAN W. ELLA, CASTING CAR-WHEELS.

ROBERT GIDLEY, GATES.

JOHN S. GRABY, METALLIC CARTRIDGES.

VALENTINE FOGERTY, BREECH-LOADING FIRE-ARMS.

JAMES H. GLASS, GANG-PLOWS.

JOHN H. CROWELL, LOOM-HARNESS.

FRANK M. FORD, LANTERNS.

JOHN GRACIE, STILLS FOR OIL.

DAVID DALRELL, AXLE-BOXES.

JOHN B. DAVIES, ROLLING MATCH-PLATES.

CHARLES FOSTER, WASHING-MACHINES.

ELIJAH P. DUNAWAY, SPRING-SEATS

HENRY FLAD, AND JAMES B. HAIN, PRESSURE-GAUGES.

CHARLES H. FREITAG, GATE-LATCHES.

JOHN GRAVENSTINE, CORPSE-PRESERVING CASES.

HERMINIE V. HAMLEY, FLOUR-BOLTS.

GIBSON AND POWELL, WASTE-WAY STOPPERS.

JOHN GRAVENSTINE, REFRIGERATING APPARATUS.

HENRY H. EDGERTON, NAPHTHA-GAS BURNERS.

117.409 SQUIRE J. GREAR. PITMEN-CONNECTIONS

117.410 CHARLES A. HALL. THRASHING-MACHINES.

117.411 SAMUEL P. HALLOCK. CHEESE-VAT FASTENERS.

117.412 HALLEY AND LIVERMORE. LAMP-BURNERS.

117.413 HANGER AND HANGER. CLIMBING TELEGRAPH-POLES, &c.

117.414 HARDING AND WILLIAMS. CLOTHES-DRIERS.

ROBERT A. HAW. POTATO-DIGGERS.

117.416 JOSEPH HEAD. WATER-HEATERS.

117.417 LEVI HEMMANCE. COOKING-STOVES.

117.418 EDMUND HIGGINS. GATES.

117.419 ROBERT HOOPER. CANAL-BOATS.

117.420 WILLIAM S. HOUGH. SPIKE-EXTRACTORS.

117.421 OLIVER B. HOWARD. RAZOR-STROPS.

117.422 OLIVER HYDE. TRACTION-ENGINES.

117.423 GUSTAV L. JAEGER. PAPER BOXES.

LAWRENCE J. JOHNSON. BEDSTEADS.

117.424 JAMES J. JOHNSTON. DISTILLING HYDROCARBONS.

117.425 JAMES J. JOHNSTON. TREATING HYDROCARBON OILS.

117.427 MORRIS L. KEEN. PREPARATION OF PAPER-STOCK.

117.428 LUKE L. KELLOGG. BUTTER-WORKERS.

117.429 EBENEZER D. KITCHEN. WASHING-MACHINES.

117.430 KNOX AND OSBORN. FURNACES FOR ROASTING ORES.

117.431 WILLIAM H. KNIGHT. GATES.

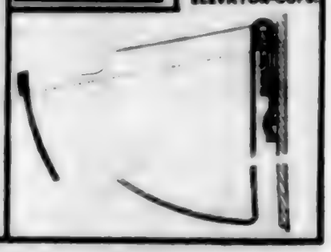
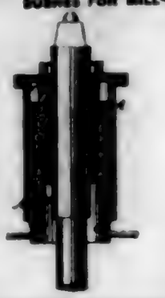
118,071 JAMES M. THOMPSON, WASHING-MACHINES.

118,072 JEREMIAH B. TRUE, DUMPING-CARRIAGES.

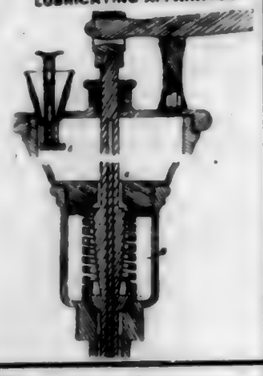
118,073 WILLIAM S. VAN CLEVE, UTERINE SUPPORTERS.



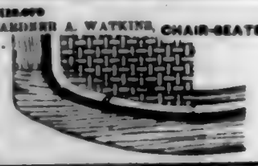
118,074 VAN VANDERBURGH, WASHING-MACHINES.



118,075 SAMUEL VANSTONE, DEVICES FOR LOCKING BOLTS.

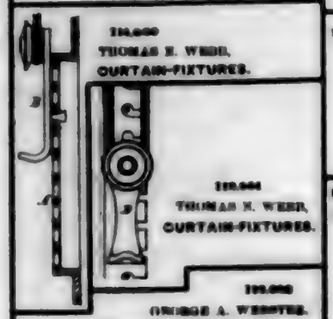


118,076 ALFRED A. VITT, ELEVATOR-CUPS.

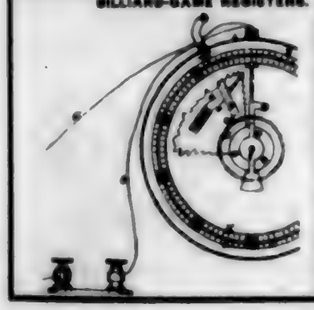


118,077 HERMAN W. VITT, BUSHES FOR MILL-SPINDLES.

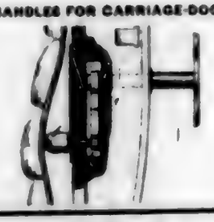
118,078 SIMON N. WARD, LUBRICATING APPARATUS



118,079 GARDNER A. WATKINS, CHAIR-SEATS.

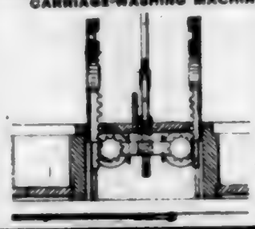


118,080 THOMAS E. WEBB, CURTAIN-FIXTURES.

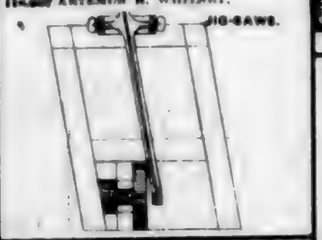


118,081 THOMAS E. WEBB, CURTAIN-FIXTURES.

118,082 GEORGE A. WEBSTER, BILLIARD-GAME REGISTERS.



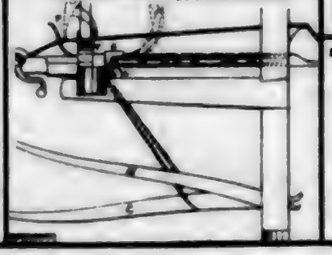
118,083 EDWARD WELLS, HANDLES FOR CARRIAGE-DOORS.



118,084 WILLIAM WESTLAKE, DUST-PANS.

118,085 OLIVER P. WESTON, CARRIAGE-WASHING MACHINES.

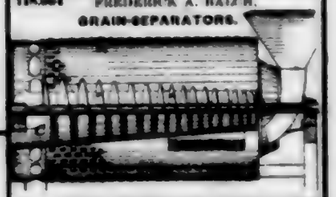
118,086 ARTEMUS H. WHITNEY, [illegible]-SAWS.



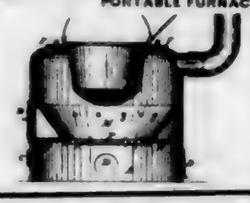
118,087 DAVID S. WILHOIT, GARDEN IMPLEMENTS.

118,088 FREDERICK YARSCHE, BRAKES FOR BENDING SHEET METAL.

118,089 JAMES YOUEL, GRAIN-BINDERS.

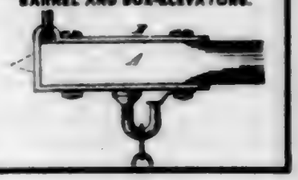


118,090 GUSTAVUS AMES, BEATING-ENGINES

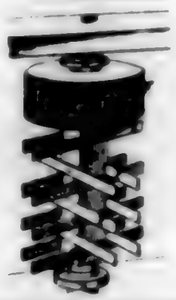


118,091 ANDERSON AND BERSON, RUNNING-GEARS FOR CARRIAGES.

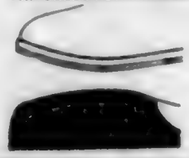
118,092 FREDERICK A. BAUM, GRAIN-SEPARATORS.



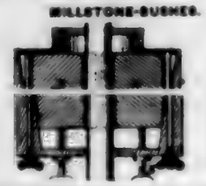
118,093 HENRY BEATTY, PORTABLE FURNACES.



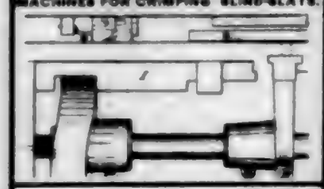
118,094 BLAKE AND BLAKE CHAIRS AND LADDERS.



118,095 WILLIAM BERGMANN, BARREL AND BOX-ELEVATORS.



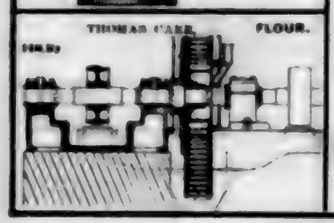
118,098 WILLIAM BOSWELL, MILL-RACES.



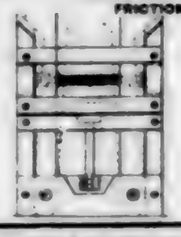
118,099 WILLIAMS AND BOURN, TAP-SOLES FOR RUBBER BOOTS

118,100 JAMES BROWN, MILLSTONE-BUSHES.

118,101 MARTIN BOUK, MACHINES FOR CRIMPING BLIND-SLATS.

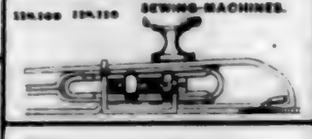


118,102 BYRD AND BYRD, SAFETY-WHIFFLETREES.



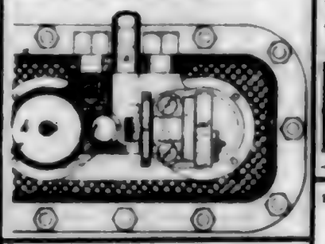
118,103 JAPEWELL, JAPEWELL, AND JAPEWELL, CHARGERS FOR POWDER-FLASKS.

118,104 THOMAS CAKE, FLOUR.



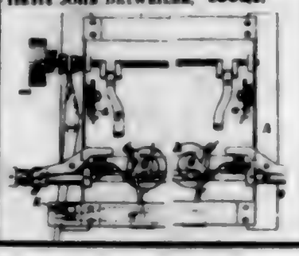
118,107 JOHN C. CLAPP, FRICTION-BRAKES

118,108 JOHN B. CLEAVELAND, ARROW-SPRINGS.

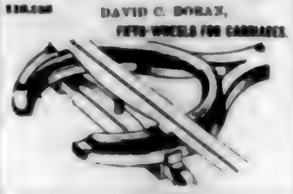


118,109 118,110 COLTON AND RADDUK, SEWING-MACHINES.

118,111 COLTON AND RADDUK, BINDERS FOR SEWING-MACHINES.



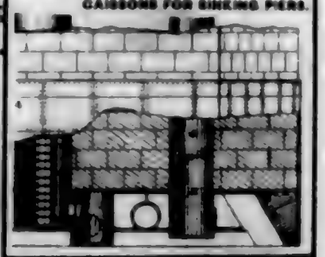
118,112 DAVID P. DAVIS, METERS.



118,113 EZEKIAH DAWSON, MILLSTONE-BALANCES

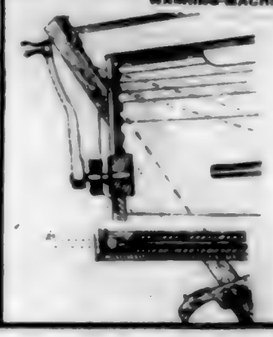
118,114 JOHN DETWEILER, LOOMS.

118,115 DAVID C. DORAN, FEED-WHEELS FOR CARRIAGES.

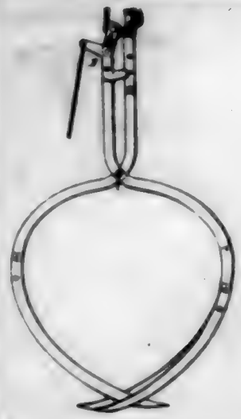


118,116 WILLIAM H. DUFFETT, HYDRANTS.

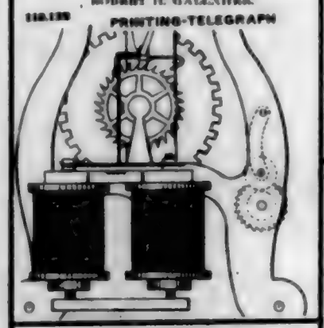
118,117 FRANK HARPER DUNCAN, CASTERS FOR SEWING-MACHINES.



118,118 JAMES B. HAIN, CAISSONS FOR SINKING PIERS.

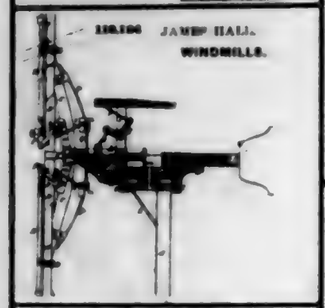


118,119 THOMAS EDMUNDS, PLOWS.

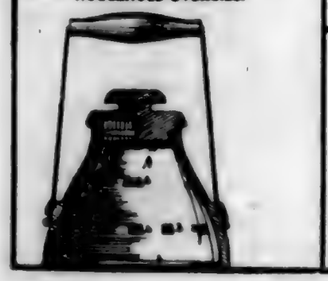


118,120 HENRY E. FERRIDAY, WASHING-MACHINES.

118,121 BENJAMIN G. FOX, FORKS FOR HAY-ELEVATORS.

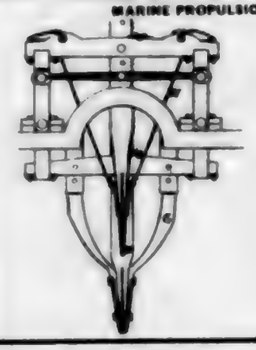


118,122 ROBERT H. GALLAHER, PRINTING-TELEGRAPH

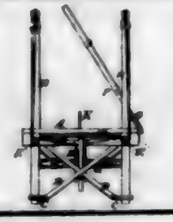


118,123 HORTENSE GRIFFIN, TABLE-GLIDES.

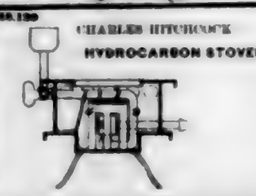
118,124 JAMES HALL, WINDMILLS.



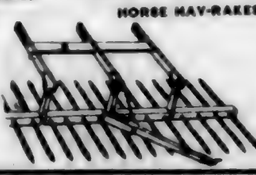
118,125 HENRICK S. HALMY, HOUSEHOLD UTENSILS.



118,126 E. WARREN HASTINGS, ILLUMINATING INCENSE-BURNERS.



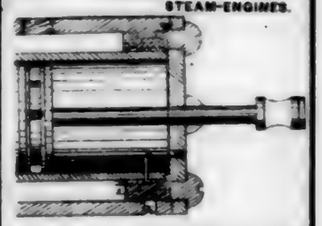
118,127 BENJAMIN S. HEATH, MARINE PROPULSION.



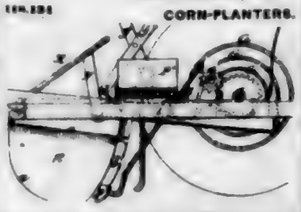
118,128 ANDREW J. HEAVNER, ADJUSTABLE SCAFFOLDINGS.

118,129 CHARLES HITCHCOCK HYDROCARBON STOVES.

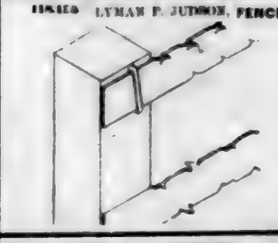
118,130 HOLMAN AND FARRAR, HORSE HAY-RAKES.



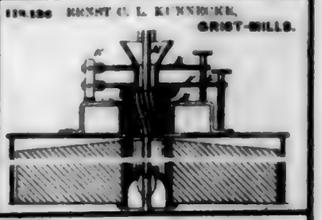
118,131 JAMES EDWIN HOOPER, TOOLS FOR PACKING VALVES.



118,132 WILLIAM K. HORNER, HYDROCARBON TORCHES.

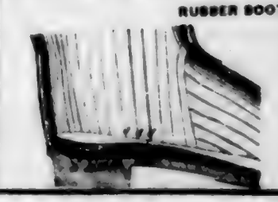


118,133 AMARIAH W. JACKSON, STEAM-ENGINES.

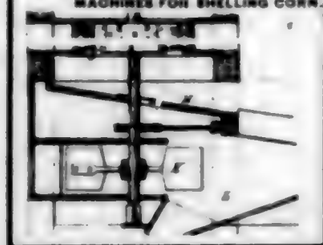


118,134 JOHN JACKSON, JR. CORN-PLANTERS.

118,135 LYMAN P. JUDSON, FENCES.

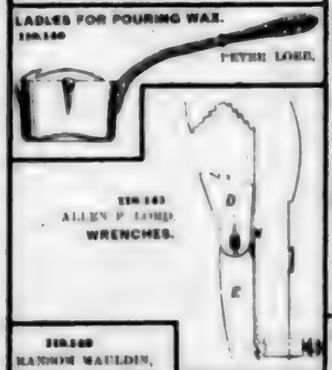


118,136 ERNST C. L. KUNNECKE, GRIST-MILLS.

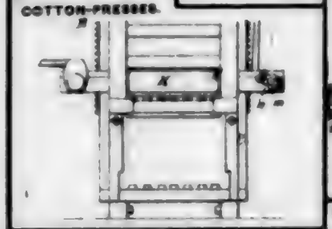


118,137 LEONARD ARMSTRONG, HARNESS-SADDLES.

118,138 CHARLES H. LINS, RUBBER BOOTS.

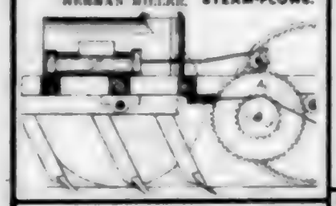


118,130 HENRY LIPPOLD. MACHINES FOR SHELLING CORN.

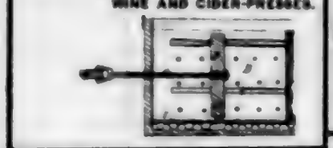


LADLES FOR POURING WAX.

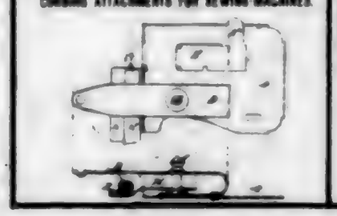
118,140 PETER LORD.



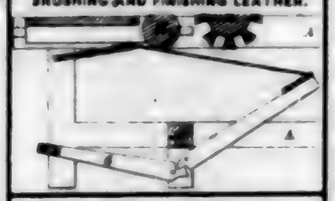
118,141 ALLEN P. LORD. WRENCHES.



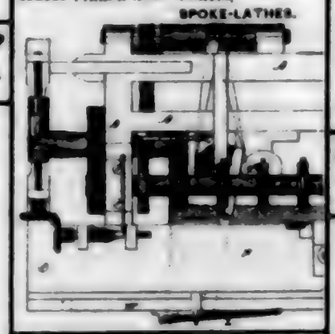
118,142 RANSOM WAULDIN. COTTON-PRESSES.



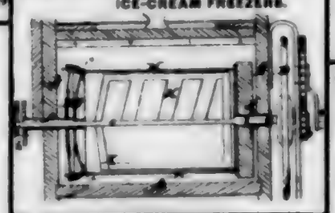
118,143 HERMAN MILLER. STEAM-PLOWS.



118,144 THOMAS M. MILLETT. WINE AND CIDER-PRESSES.

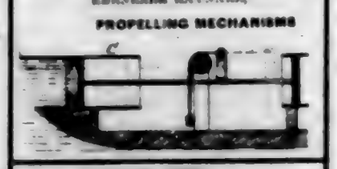


118,145 MILTON J. PALMER. COMBINE ATTACHMENTS FOR SEWING-MACHINES.



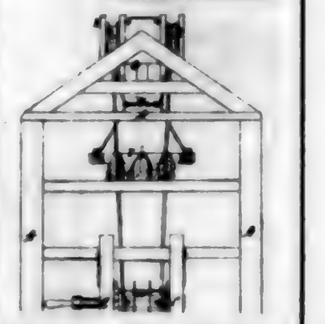
118,146 GEORGE H. PARKER. BRUSHING AND FINISHING LEATHER.

118,147 PIERCE AND CURTIS. SPOKE-LATHES.



118,148 PLATT AND WILMETH. ICE-CREAM FREEZERS.

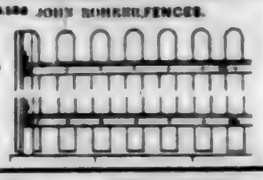
118,149 FREDERICK W. PORTER. SLATE-WASHERS.



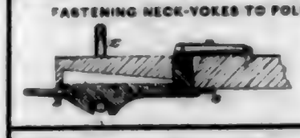
118,150 EDOUARD RAYNAL. PROPELLING MECHANISMS

118,151 JOSEPH RIDER. MAGAZINE FIRE-ARMS.

118,152 REUBEN O. ROBERTSON. TOBACCO-ELEVATORS.



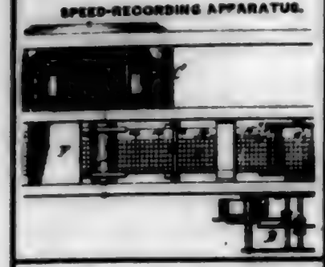
118,153 HENRY H. ROGERS. NOZZLES FOR LIQUID-PACKAGES.



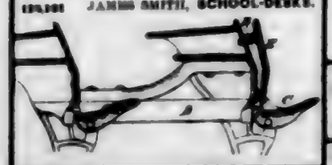
118,154 ROGERS AND WALTER. SCREW-NOZZLES

118,155 JOHN ROHRER. FENCES.

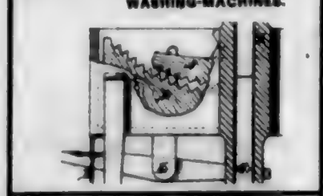
118,157 TITUS M. RUSSELL. FASTENING NECK-YOKES TO POLES.



118,158 CHARLES G. SARGENT. BURRING AND CLEANING WOOL

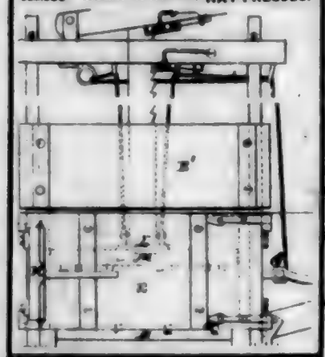


118,159 SAMUEL B. SHANK. CULTIVATORS.

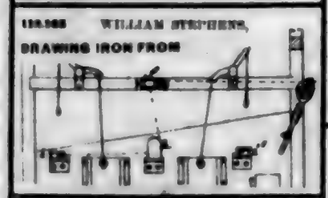


118,160 EDWARD P. SHELTMAN. SPEED-RECORDING APPARATUS.

118,161 JAMES SMITH. SCHOOL-DESKS.



118,162 SAMUEL SMITH. WASHING-MACHINES.



118,163 WARREN A. SPALDING. TOILET-BOTTLES

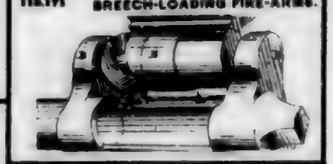
118,164 ADAM SPANIER. HAY-PRESSES.

118,165 WILLIAM STEPHENS. DRAWING IRON FROM

118,166 STEPHENSON AND SUTLIFF. LIGHTNING-RODS.

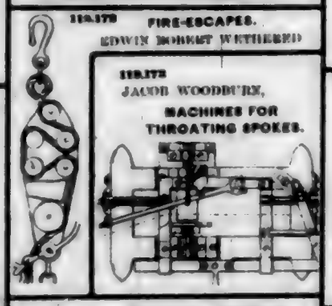
118,167 ELI STURGEON. SAFETY-BRIDGES

118,168 THOMSON AND CLARK. LIFE-PRESERVERS.



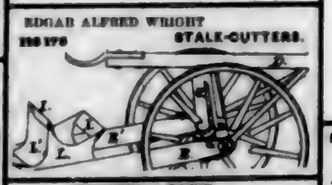
118,169 TINSLEY AND STORER. MOLDS FOR FINGER-RINGS.

118,170 CHARLES D. TISDALE. CHANGEABLE-GAUGE CAR-WHEELS

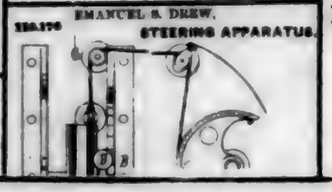


JOSEPH R. WAYER, 118,171 BREECH-LOADING FIRE-ARMS.

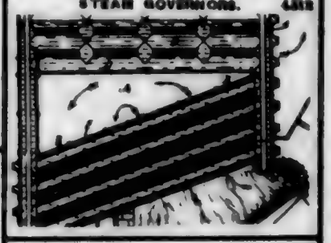
118,172 FIRE-ESCAPES. EDWIN BORST WETHERED



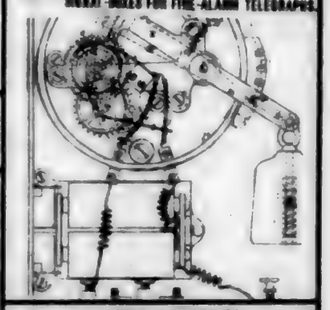
118,173 JACOB WOODBURY. MACHINES FOR THROATING SPOKES.



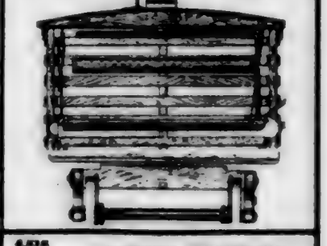
118,174 LEMOME T. WOOSTER. CASTING BRASS INGOTS.



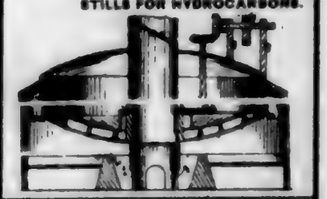
RIMAH ALFRED WRIGHT 118,175 STALK-CUTTERS.



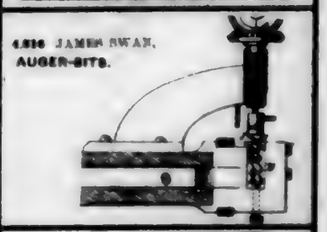
EMANUEL S. DREW. 118,176 STEERING APPARATUS.



RANCOCK AND WILCOX. 4,513 STEAM GOVERNORS.

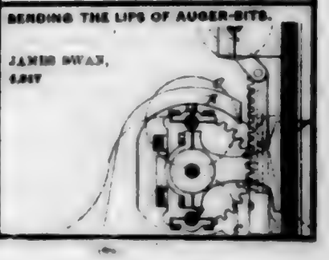


CRANE AND ROGERS. 4,515 BOXES FOR FIRE-ALARM TELEGRAPHS.



JOHN S. KENDALL. 4,514 RAILWAY STOCK-CARS.

LOCKHART AND GRACIE. 4,516 STILLS FOR HYDROCARBONS.



4,516 JAMES SWAN. AUGER-BITS.

BENDING THE LIPS OF AUGER-BITS.

JAMES SWAN, 4,517

120,458 HENRY JORDAN. CONSTRUCTION OF SHIPS.

120,459 JOSHUA KIDD. MANUFACTURE OF HYDROCARBON-GASES.

118,480 ALEXANDER KIRKWOOD, LOG-CARTS.

118,481 HENRY H. LANDIS, FENCES.

118,482 SAMUEL LEE, CULINARY VESSELS.

118,483 CHARLES LEVET, STEAM-ENGINE

118,484 GEORGE W. LOOMIS, BRAKES FOR VEHICLES.

118,485 JOHN S. LOOMIS, SMOOTHING HOLDERS

118,486 JOSEPH A. LORD, THREAD-CUTTERS

118,487 JOHN MADDEN, ELEVATORS.

118,488 ROBERT H. McCANN, DRIVING-WHEELS FOR SEWING-MACHINES.

118,489 JOHN J. MERVEDE, HORSESHOE-CALKS.

118,490 DAVID H. MULFORD, WOODEN PAVEMENTS.

118,491 PETER MUSSINGER, EXHAUSTING AND PURIFYING GASES.

118,492 PERRIN NELMS, PADLOCKS.

118,493 ANTHONY V. OJEDA, AEROSTATIC JACKS.

118,494 JAMES W. OLIVER, CAR-COUPLINGS.

118,495 DAVID OTHO PARKER, FOLDING WASH-STANDS.

118,496 DAVID OTHO PARKER, BOOT-CLOSE AND WORK-STANDS COMBINED.

118,497 DAVID OTHO PARKER, EXCURSION-CHAIRS.

118,498 EDWARD G. PARKHURST, FEEDING WIRE TO MACHINES.

118,499 JOSEPH OSBORN, SHAFT-COUPLING

118,500 WILLIAM PINEBOY, HERNIAL PADS.

118,501 PURVIS AND SMITH, DENTAL PLATES.

118,485 RAWSON, COVERDALE, WYLDE, M'CREE, AND HILL, PURIFYING SEWAGE, &c.

118,486 JAMES G. READ, BOUQUET-HOLDERS.

118,487 JOHN G. ROBIN, STAMP-HOLDERS.

118,488 DEVICES FOR CUTTING CONCAVE HENRY C. ROBIN.

118,489 JAMES BILLINGS SAFFORD, STOPS FOR SEWING-MACHINES.

118,490 C. LATHAM SHOLES, MECHANICAL TYPOGRAPHERS.

118,491 FRAZE SMILEY, PRUNING-SHEARS.

118,492 GAD SMITH, BROOM-HEADS.

118,493 J. BOARDMAN SMITH, COOPS FOR FOWLS.

118,494 JOHN W. SOCKER, WASHING-MACHINE.

118,495 JOHN SPARKS, PETROLEUM-PUMPS.

118,496 NELSON S. THOMPSON, COFFEE-ROASTERS.

118,497 BENJAMIN D. WALLACE, SCROLL-SAWS.

118,498 SYLVANUS WARD, HEEL GAUGES.

118,499 WATKINS AND McCONNELL, FOLDING CHAIRS.

118,500 GEORGE D. WHITCOMB, MACHINES FOR UNDERMINING COAL.

118,501 McCLINTOCK YOUNG, MACHINES FOR MAKING MATCHES.

118,502 ALLIDAS AND BAUMAN, REVOLVING-CYLINDER ENGINES.

118,503 FRANK ALSIP, BRICK-MACHINES.

118,504 OAKLEY S. AMES, COMPRESSION COCKS.

118,505 JAMES ANDERSON, PRESSURE-GAUGES

118,507 AUGUSTUS E. ARMSTRONG. CHEESE-VATS.

118,508 WILLIAM HASKINS. FLOUR-BOLT

118,509 HAMMOND BEERS. PRINTING-MACHINES.

118,510 HAMPTON P. BOWIE. COMMODES AND WASH-STANDS

CANCELING AND REVERSING REVENUE STAMPS, &c.

118,512 EDMUND G. CADY COAL AND ASH-SIFTERS.

HORACE L. CLARK. DOORS FOR RAILWAY FREIGHT-CARS. 118,514

118,515 NOAH CLARK. RAILWAY-CAR TRUCKS.

118,516 DAVID CRAIK. WATER-WHEELS.

118,517 SAMUEL CROMPTON. INSECT-DESTROYERS.

DILLINGER AND HUNT. CAR-TRUCKS.

118,519 WHITLEY DEXTER. WRINGING-MACHINES.

118,520 EUGENE W. DIEFENDORF. BEE-HIVE

CHARLES H. EARLE. CHIMNEY-STOP

118,522 JACOB S. FLEMING. CULTIVATOR

118,523 JEREMIAH C. GASTON. ENVELOPE-MACHINES.

118,524 WILLIAM P. GOODWIN. HARVESTER

118,525 CHARLES LEONARD GRAVES. SHANK AND TOE-LASTERS

118,526 JAMES F. GYLES. WOOD PAVEMENT

118,529 LEVI A. HAIGHT. CHURN-POWERS.

118,530 WILLIAM T. HAMILTON. WAGON-BRAKES.

118,531 EDMUND HARRIMAN. APPARATUS FOR UNLOADING HAY.

118,532 JOSEPH C. HITE. PADDLE-WHEELS.

118,533 WILLIAM H. HOCKENSMITH. DIAPER-PINS.

118,534 GEORGE E. HOPKIN. COOKING-STOVES

118,535 PENOSO. PATRICK J. HYNES

118,536 JACKSON AND LEAK. MACHINES FOR TWISTING YARN.

118,537 SOLOMON JONES. ELECTRO-MOTORS

118,538 SOLOMON JONES. ARMATURES FOR ELECTRO-MOTORS.

118,539 FREDERICK J. KIMBALL. MACHINES FOR MAKING SPIKES.

118,540 THOMAS LAUX. WAGON-REACHE

118,541 JOSEPH LEVY. EXAMINING AND REPLACING CIGARS.

118,542 JOHN LOCKE. BEEFSTEAK-MANGLES.

118,543 MARK, MAUGHLIN, AND DAVIS. WASHING-MACHINE

118,544 THOMAS MARSH. HOLDERS FOR SPINNING-RINGS

118,545 MARVIN AND HULSE. BUNG-SPOUTS.

118,546 CHARLES H. MILES. WATER-WHEELS

118,547 THOMAS GEORGE MOORE. HARNESS SADDLE-TREES.

JAMES L. OLIVER. WASTE-PIPES FOR SINKS. 118,548

118,549 GEORGE W. OWENS. CULTIVATORS

118,550 REUBEN PAINTER, PROPELLER FOR SHIPS.

118,551 WILLIAM L. ROGERS, GUTTER-FASTENINGS.

118,552 ARNOLD TOMPKINS, CULTIVATORS.

118,553 SOLOMON BURKHALP, DUMPING-CARS.

118,554 JAMES L. VAN GORDER SULEY-PLOW

118,555 GEORGE PEACOCK, MOLD-BOARDS FOR PLOWS.

118,556 JOHN M'CUTCHENEON, WASHING-MACHINES.

118,557 HIRAM PITCHER, AUGERS.

118,558 CORN-SHAVING MACHINES ELIAS WATTS.

118,559 JOHN REDICK, SCAFFOLDS.

118,560 JOHN P. WAGNER, HEAD-RESTS FOR CONVEYANCES.

118,561 HIRAM H. SHADE, SPRINGNOSES.

118,562 PETER L. WEIMER, ARCHED TRUSSES FOR BRIDGES.

118,563 SAMUEL S. REMBERT, TRANSMITTING MOTION.

118,564 EDWARD E. SUMNER, POST-HOLE DIGGERS.

118,565 NICHOLAS WHITEHALL, SULEY-CULTIVATOR

118,566 JACOB P. TIBBEL, ELECTRO-MAGNETIC ENGINE

118,567 EDGAR C. HIGGINS, WOODEN HORSE-COLLARS.

118,568 PETER S. WHITMAN, OVERSHOES.

118,569 JOHN D. WILKINSON, BREECH-LOADING FIRE-ARMS.

118,570 AUGUSTUS L. AMBLER, GENERATING GASES FROM PETROLEUM.

118,571 PETER R. BEAUPRE, LIFE-BOAT

118,572 JOHN L. WILLOUGHBY, HARROWS.

118,573 JAMES H. WOLFE, HAY-KNIVES.

118,574 FREDERIC A. RAUH, LANTERNS.

118,575 JOSEPH RIDDLE, ANIMAL-TRAPS.

118,576 OSCAR BOSSE, HAY-PRESSES.

118,577 SAMUEL W. BARBER, HINGES.

118,578 EDWARD E. YOUNG, MECHANICAL MOVEMENTS.

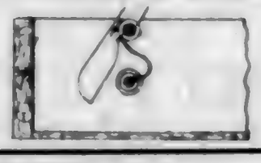
118,579 GUSTAV BANTEL, HAT-PRESSES.

118,580 JOHN BOYER, BRAKES FOR VEHICLES.

118,581 AUSTIN G. BRADSFIELD CORN-MARKERS.

118,582 QUINTUS H. YOUNG, BLIND-SLAT OPERATORS.

118,583 JOHN A. BASSETT, MANUFACTURE OF COAL-GASES.



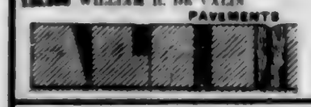
118,584 THOMAS E. C. BRIDLY, CUTTING POTATO VINES

118,585 JAMES HAZEL ADAMSON, HARVESTERS.

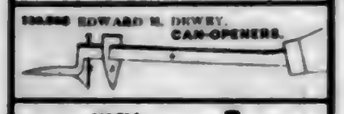
118,586 HENRY CALLAWAY, FRUIT-CANS.

118,587 MELVIN C. CHAMBERLIN, TIRE-TIGHTENERS.

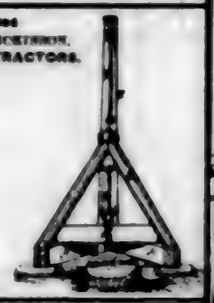
118,588 DAVIS AND THEODORE PARSONS, HOLDING UP THE LIDS OF BOXES.



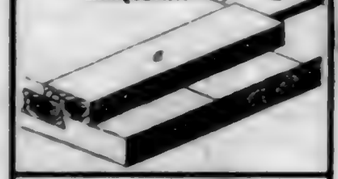
118,589 118,590 DANIEL DAVIS, WHEEL-HUBS



118,591 CHARLES A. DEAN, FIBER-CLEANING MACHINES.



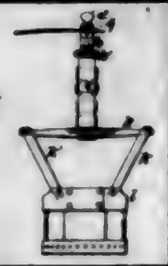
118,592 WILLIAM H. DE VALIN PAVEMENTS



118,593 EDWARD H. DEWEY, CAN-OPENERS.

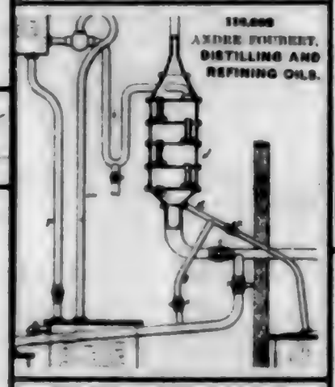
118,594 ALFRED DICKINSON, STUMP-EXTRACTORS.

118,595 JOSEPH DILL, MARQUETRY.

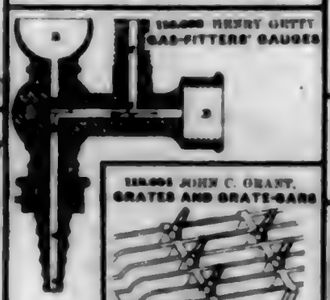


118,596 WILLIAM DOTY, STEAM FLUE-CLEANERS.

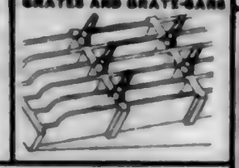
118,597 FRANKLIN FAIRBANKS, BRAKES FOR VEHICLES.



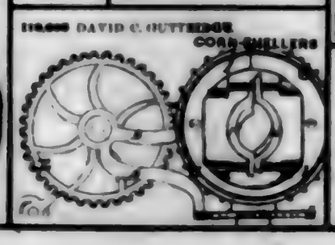
118,598 JOHN P. FAULKS, BABY-JUMPERS.



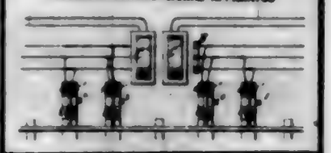
118,599 WILLIAM G. FOSTER, THILL-COUPLINGS.



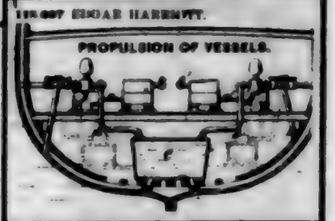
118,600 ANDRE FOURET, DISTILLING AND REFINING OILS.



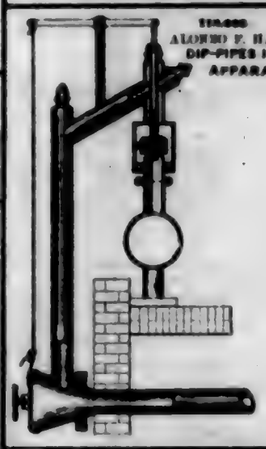
118,601 HENRY GETTY, GAS-FITTERS' GAUGES



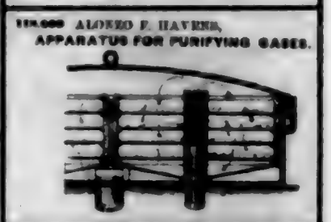
118,602 JOHN C. GRANT, GRATES AND GRATE-BARS



118,603 DAVID C. GUTTERIDGE, CORN-SHELLERS



118,604 THOMAS S. HALL, ELECTRO-MAGNETIC SIGNAL APPARATUS

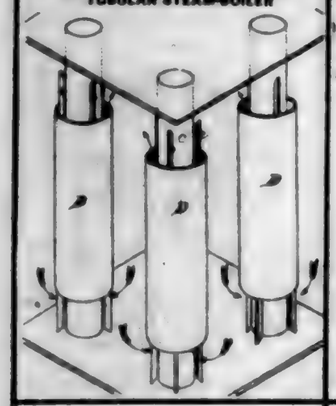


118,605 EDGAR HARRATT, PROPULSION OF VESSELS.

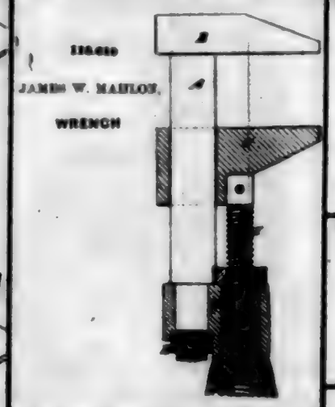
118,606 ALONZO F. HAVENS, DIP-PIPES IN GAS APPARATUS.

118,607 ALONZO F. HAVENS, APPARATUS FOR PURIFYING GASES.

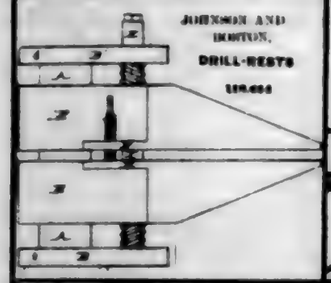
118,608 HERRELING AND FICHTER, SNAP-HOOKS.



118,609 HAYS AND PANCAKE, GIRTS.

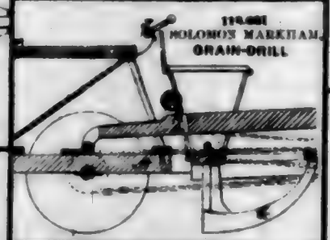


118,610 A. HARLENIE HILL, CLOTHES-DRIERS.

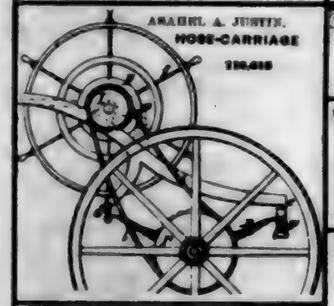


118,613 OLIVER HYDE, TUBULAR STEAM-BOILER

118,614 JAMES W. MAHLON, WRENCH



118,615 JOHNSON AND BOSTON, DRILL-RESTS

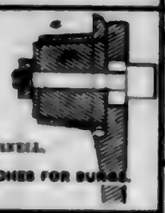


118,616 CHARLES MALMONT, SHOULDER-TOOLS FOR SHOEMAKERS.

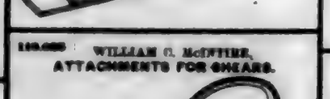
118,617 SOLOMON MARKHAM, GRAIN-DRILL

118,618 ARARIEL A. JUDITH, HOSE-CARRIAGE

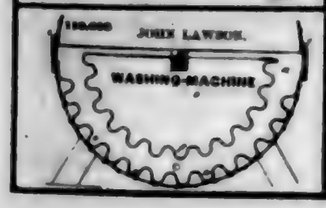
118,619 THOMAS MARSH, SUPPORTERS FOR SPINNING-RINGS.



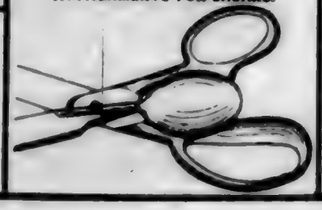
118,620 NAGOT AND LEWIS, SAD-IRON



118,621 JAMES H. KELLY, FIELD-ROLLER



118,622 118,623 LACEY AND CORNELL, BURNERS AND WRENCHES FOR BURNERS.

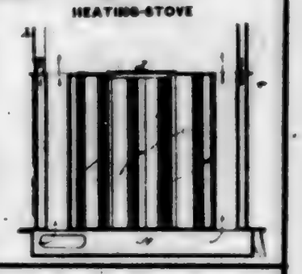


118,624 McBURNEY AND HOLLINGSWORTH, PAPER-MACHINE DECKELS.

118,625 JOHN LAWSON, WASHING-MACHINE

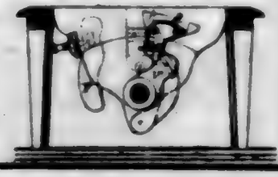
118,626 WILLIAM C. McINTIRE, ATTACHMENTS FOR GHEARS.

118,627 EDWARD ANNIS MERRILL, PACKING-SAGE.



118,628 L. OTTO P. MEYER, MATCH-BOX

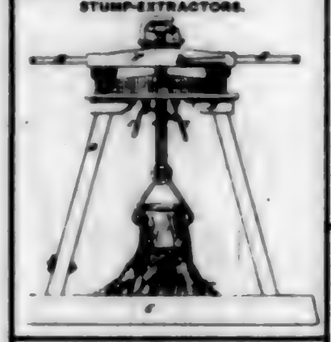
118,629 L. OTTO P. MEYER, MATCH-HOLDER



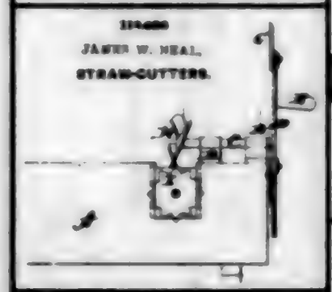
118,630 HIRAM C. MILES, HEATING-STOVE

118,631 FRIEND MILLER, ICE-PITCHER

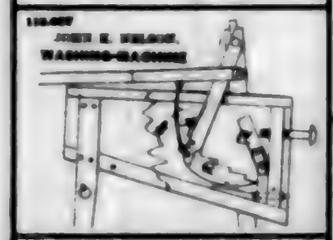
118,632 ADAM MOLTE, SEWING-MACHINE



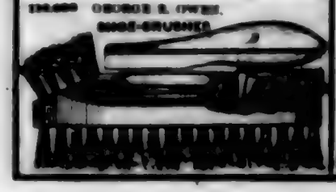
118,632 FRANCIS B. MOSHER, CARRIAGE-STEPS.



118,633 SAMUEL C. MYERS AND JAMES MCAULEY, BAND-CUTTERS.



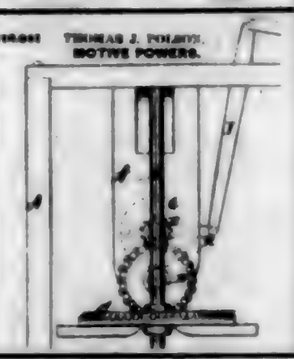
118,634 FRANCIS M. WARE, STUMP-EXTRACTORS.



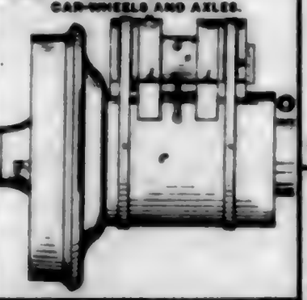
118,635 JAMES W. NEAL, STRAW-CUTTERS.

118,636 JOHN E. WILSON, WASHING-MACHINE.

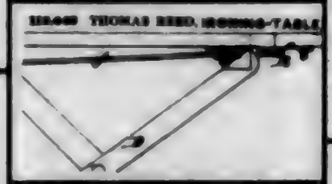
118,637 GEORGE S. OWEN, HOOP-CRUSHER.



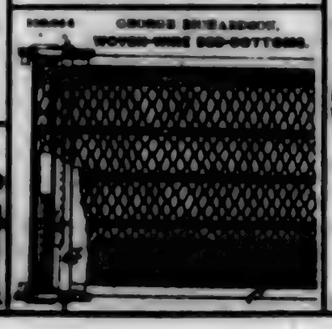
118,638 WILLIAM PHIPPS, WATER CUT-OFFS.



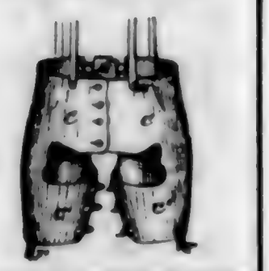
118,639 CLARK M. PLATT, EYELETS



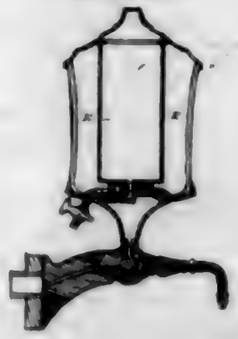
118,640 THOMAS J. POLSON, MOTIVE POWERS.



118,641 PERLEY PUTNAM, CAR-WHEELS AND AXLES.



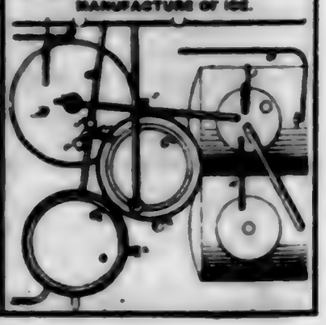
118,642 THOMAS REED, IRONING-TABLE.



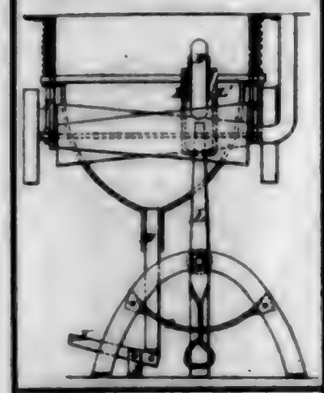
118,643 GEORGE RICHARDSON, WOVEN-WIRE BED-BOTTOMS.

118,644 JEANNIE V. RICHARDSON, ABDOMINAL SUPPORTERS.

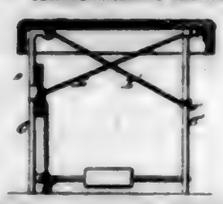
118,645 CHARLES L. RIDGWAY, BEER-COOLERS.



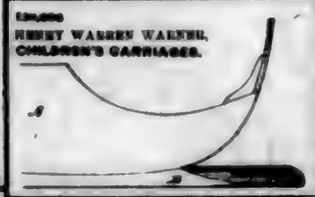
118,646 JOSEPH B. SARGENT, JOURNAL-BOXES.



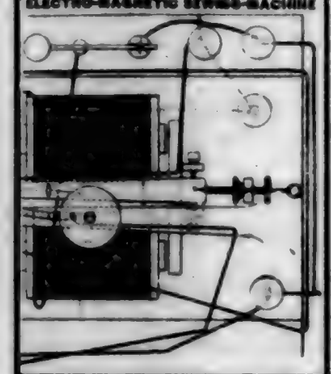
118,647 CHRISTIAN SCHERICH, CHECK-SPRINGS.



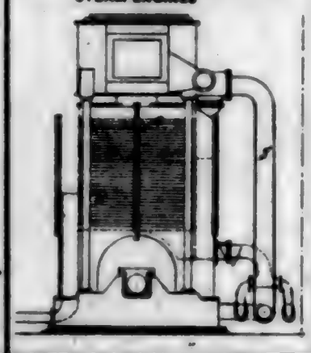
118,648 JAMES R. SEARS, MANUFACTURE OF ICE.



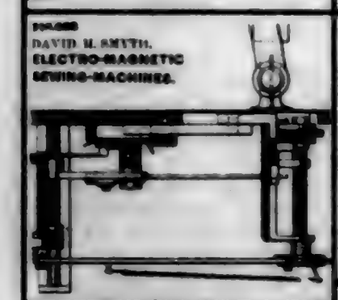
118,650 DAVID H. SHERMAN, MOTORS FOR SEWING-MACHINES.



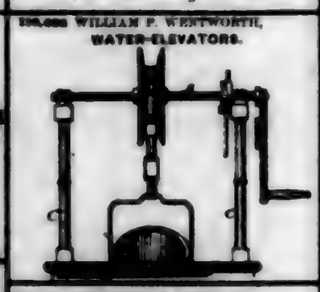
118,651 AUBERT H. WAGNER, SEWING-MACHINE TABLES.



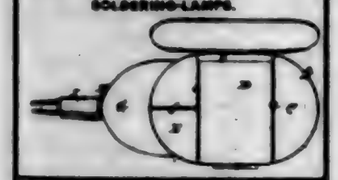
118,652 HENRY WARREN WARNER, CHILDREN'S CARRIAGES.



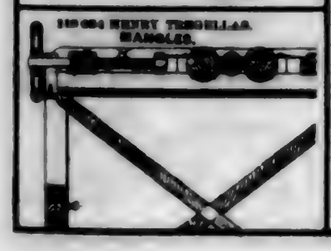
118,653 DAVID H. SMYTH, ELECTRO-MAGNETIC SEWING-MACHINE



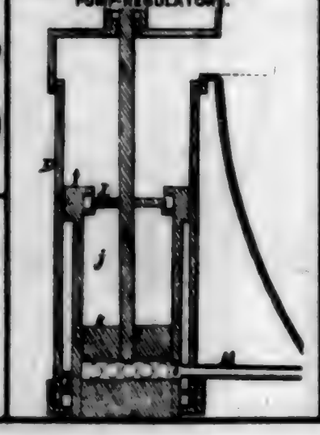
118,654 WEBSKEIDER AND BOSETTI, STEAM-ENGINES



118,655 DAVID H. SMYTH, ELECTRO-MAGNETIC SEWING-MACHINES.



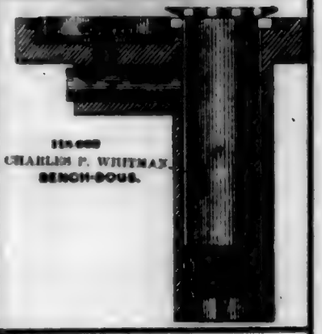
118,656 WILLIAM P. WENTWORTH, WATER-ELEVATORS.



118,657 WILLIAM H. TALLMAN, SOLDERING-LAMPS.

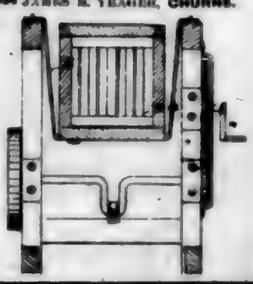
118,658 HENRY THORELLO, HANGERS.

118,659 SHEPHERD H. WHEELER, PUMP-REGULATORS.



118,660 HORRA F. WHIDDEN, METALLIC SHANKS FOR BOOTS AND SHOES.

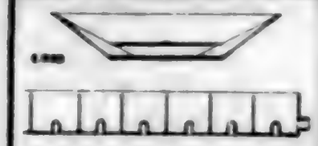
118,661 JOHN LAKE WHITING, BRUSHES.



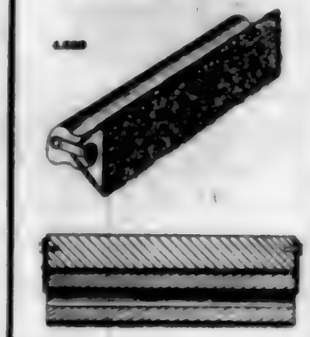
118,662 CHARLES P. WHITMAN, BENCH-DOGS.

118,663 HENRY WIGHT, LASTS.

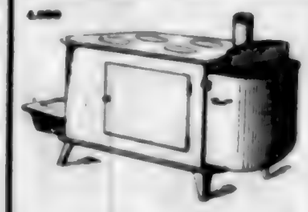
118,664 JAMES M. YEAGER, Cchurns.



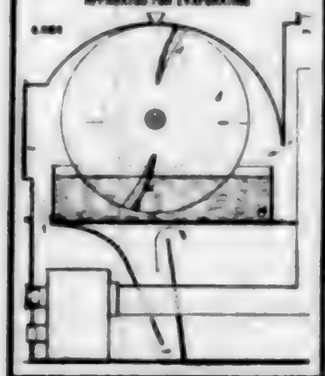
118,665 JOHN ZIMMERMAN, CARRIAGE-CURTAIN FASTENINGS.



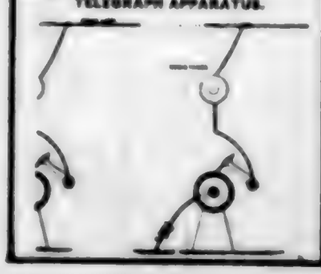
118,667 HUGH BAXTER, CONSTRUCTION-TRAINS



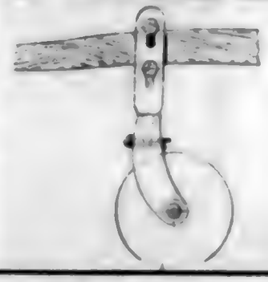
FRANCIS G. BUTLER, EVAPORATING-PANS.



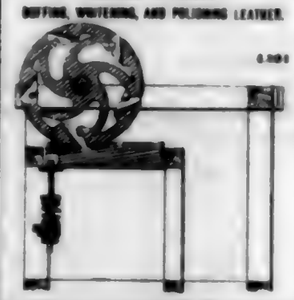
AUGUSTUS CHANDLER, RUBBERS AND BRUSHES.



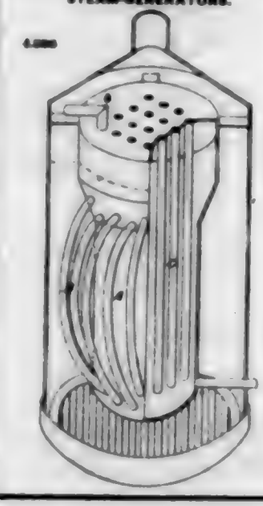
JAMES H. HYDE. COOKING-STOVES.



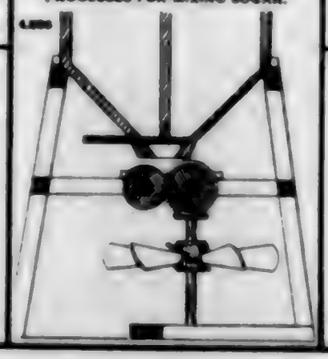
THOMAS W. JOHNSON, APPARATUS FOR EVAPORATING



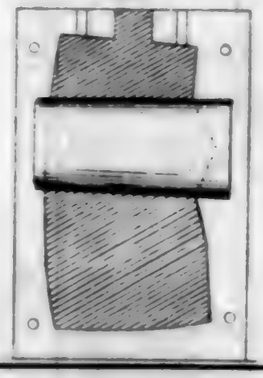
OBADIAH LITTLE, TELEGRAPH APPARATUS.



JAMES CARVER PEBLE. PLOWS.

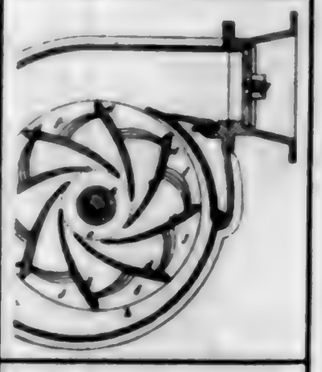


ALBERT W. PRATT, BUFFING, WHITENING, AND POLISHING LEATHER.

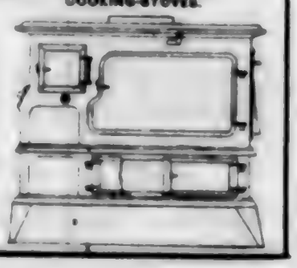


ROGERS AND BLACK, STEAM-GENERATORS.

MARTIN L. HENDRICKS, PROCESSES FOR MIXING SUGAR.

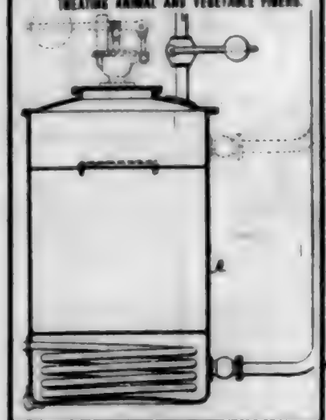


SAMUEL W. COLLINS, CASTING EDGE AND OTHER TOOLS.

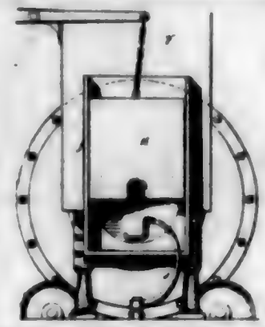


SAMUEL W. COLLINS, CASTING EDGE AND OTHER TOOLS.

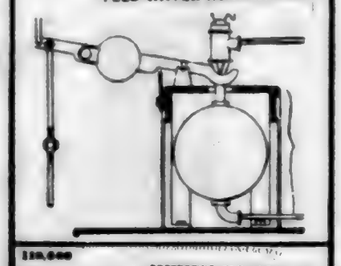
JOHN TYLER. WATER-WHEELS.



GEORGE W. WALKER, COOKING-STOVES.



ILLUSTRATIONS OF PATENTS
ISSUED FROM
THE UNITED STATES PATENT OFFICE
SEPTEMBER 5, 1871.



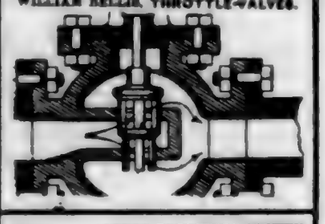
WILLIAM ADAMSON, TREATING ANIMAL AND VEGETABLE FIBERS.

WILLIAM BAYETON, ROTARY PUDDLING-FURNACES.

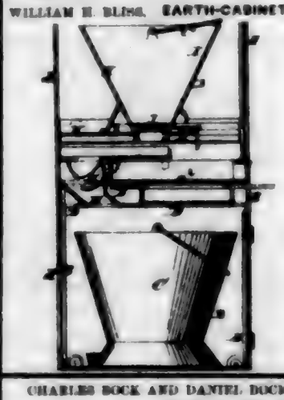
ROBERT BERRYMAN, FEED-WATER REGULATORS

HENRY BIBBINS, PROTECTING UNBLAZED LINE

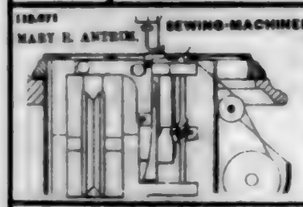
MATTHEW ANDREW, GAS-ILLUMINATORS.



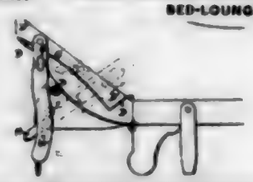
H. MARK ANTHONY, CANS FOR PRESERVING FRUITS.



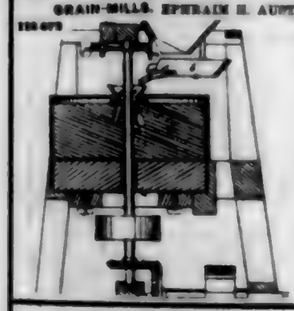
CICERO BECKHAM, HANDLES OF POCKET-KNIVES.



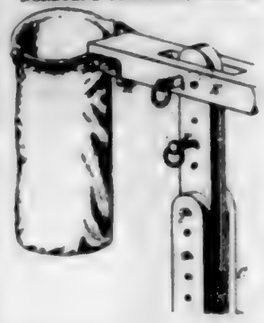
WILLIAM BELLIS, THROTTLE-VALVES.



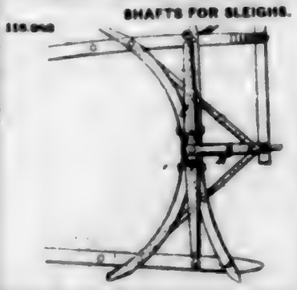
WILLIAM H. BLISS, EARTH-CABINETS.



MARY E. ANTHIS, SEWING-MACHINES.



ALBERT FREDERICK BERTEN, BED-LOUNGES.



GRAIN-MILLS. EPHRAIM H. AUPTER,

NORBORNE BERKELEY, CARRIAGE-JACKS.

CHARLES BOCK AND DANIEL BOCK, SHAFTS FOR SLEIGHS.

JOHN C. BAKER, MOWING-MACHINES.

JEROME D. BRUCE, SPECULUM ATTACHMENTS.

AARON WHITED BURRELL.
LOCK-NUTS.

JAMES W. CHAPMAN. CHURNS.

PASCAL P. CHILD. JOURNAL-BOXES

CLEMENT C. CLAWSON. ROTARY ICE-SHAVERS.

CLEMENS AND CLEMENS. PRUNING-SHEARS.

EDWARD COLLINS. LUBRICATING CAR-AXLE JOURNALS.

JOHN M. COOPER. STEAM-ENGINES.

HARVEY W. CORNELL. CASTING TOOTHED CYLINDERS.

RUDOLPH CORSTIL. WHEEL-PLOWS.

JESSE A. CRANDALL. VELOCIPEDES.

HYDRAULIC AND PNEUMATIC ELEVATORS. HORACE H. DAY.

WALTER L. DRAH. LOG-BINDERS.

DENTON AND DENTON. EXTENSION CLOTHES-POLES.

WILLIAM H. DOANE. CANALS.

DAVID H. DOTTERER. CAR-AXLE BOXES.

RUS W. DUGAN. STEAM-GENERATORS.

EDWARD DUMMER. REDUCING FRICTION OF ROLLERS AND BEARINGS.

METALLIC HUBS FOR VEHICLES. JACOB DUMP.

LUBRICATORS FOR SHAFTINGS. LEWIS EAGIN.

JOSEPH W. FAWCETT. GRADING AND DITCHING-MACHINES.

WATER-WHEELS. DANIEL A. FLUEMMERFELT.

GAS-PUMPS. WILLIAM FOSTER.

RICHARD FRIARY. COFFEE AND GRAIN-CLEANERS.

MICHAEL A. GLYNN. SPARK-ARRESTERS.

ELIAS GROAT. CHURNS.

ELIAS GROAT. CHURNS.

WILLIAM HAAS. STOP-VALVES.

EDWARD P. HARPHAM. SEED AND FERTILIZER-DROPPERS.

HARWOOD AND AMES. HOLDERS FOR GRINDING SCISSORS.

MARTIN PETER HAYES. EVAPORATORS FOR BRINE.

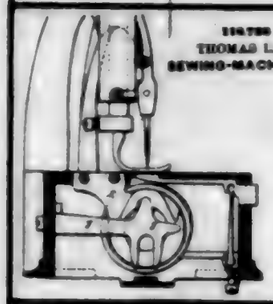
WILLIAM HEATH. RECLINING-CHAIRS.

WILLIAM L. HERSHLIPP. VEGETABLE-CUTTERS.

CHARLES A. HOTCHKISS. MOUSE-TRAPS.

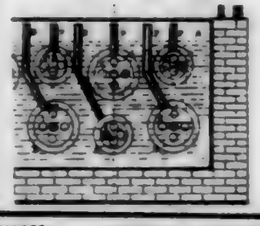
LIVERUS HULL. GAS-BRACKETS.

JOHN J. KINRALL. MECHANICAL MOVEMENTS.



WILLIAM W. KITTLEMAN. TRACE-BUCKLES.

A. HAYDN KNAPP. CURTAIN-FIXTURES.

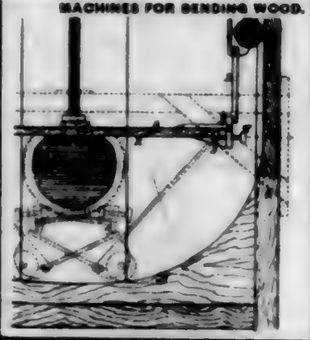


CHARLES KUGLER. HORSE HAY-RAKES.

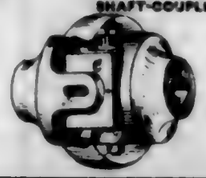
ERASTUS B. KUHLE. EGG-BEATERS.

118,730 THOMAS LAMB, SEWING-MACHINES.

118,734 JOHN MANN, STEAM-GENERATORS.

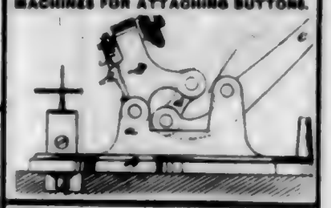


118,741 MILO OSBORN, RAISING SUNKEN VESSELS.

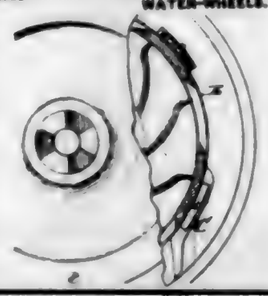


118,729 LEVI M. LAWLESS, CARRIAGE-SHACKLES.

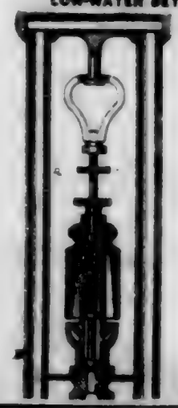
118,736 AUGUSTUS F. MARSHALL, MACHINES FOR BENDING WOOD.



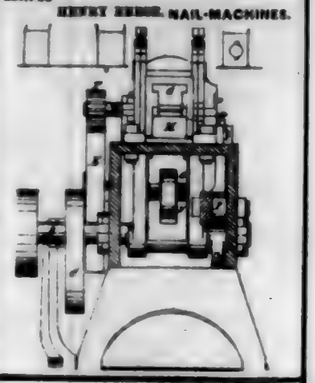
118,742 AURELIUS V. PITT, SHAFT-COUPLINGS.



118,730 LEVI M. LAWLESS, WEATHER-STRIPS FOR DOORS.



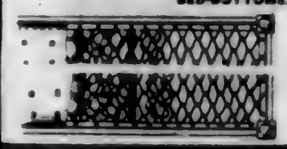
118,740 WILLIAM S. PLATT, MACHINES FOR ATTACHING BUTTONS.



118,731 ALEXANDER C. LESNER, WATER-WHEELS.

118,737 GIDEON B. MASSEY, LOW-WATER DETECTERS.

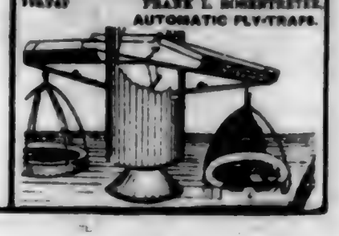
118,744 HENRY REMIS, NAIL-MACHINES.



118,732 WILLIAM A. B. LONG, MILLING-MACHINES.

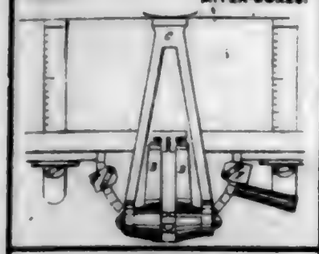
118,739 EDWARD A. METZ, APPARATUS FOR MAKING CIGARS.

118,745 GEORGE RICHARDSON, BED-BOTTOMS.

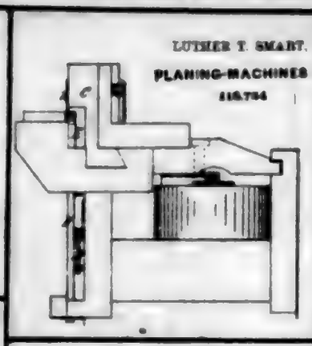


118,733 JOSEPH LUTTERSCHLAGER, SOLES FOR BOOTS AND SHOES.

118,738 FRANCIS B. GOODSON, LIFTING-MACHINES.

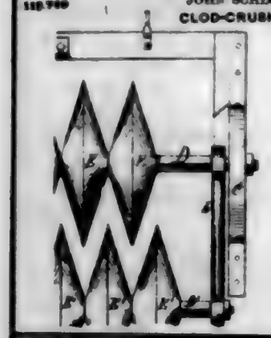


118,747 FRANK L. SONNENTREUTER, AUTOMATIC FLY-TRAPS.

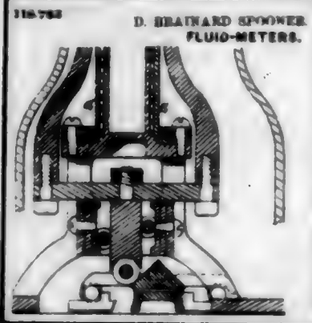


118,735 WILLIAM B. MACK, INJECTORS FOR STEAM-BOILERS.

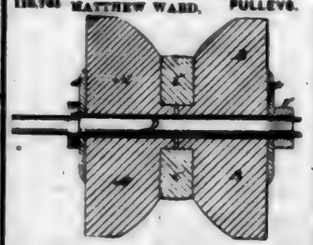
118,749 MARVIN OVEN BOYCE, MITER-BOXES.



118,752 LUTHER T. SMART, PLANING-MACHINES

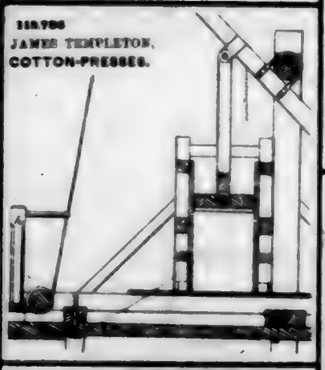


118,760 ARCHIBALD B. TRIPLER, PREVENTING RAILWAY AXLES FROM HEATING.



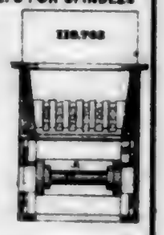
118,750 JOHN SCHLOSSER, CLOD-CRUSHERS.

118,753 D. BRAINARD SPOONER, FLUID-METERS.



118,761 MATTHEW WARD, PULLEYS.

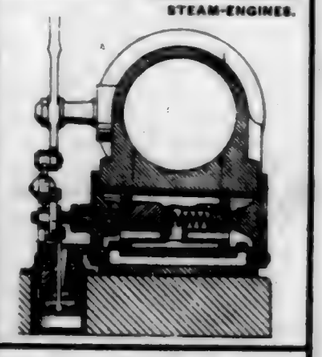
118,751 GEORGE SCHOLL, BATHING-APPARATUS.



118,756 JAMES TEMPLETON, COTTON-PRESSES.

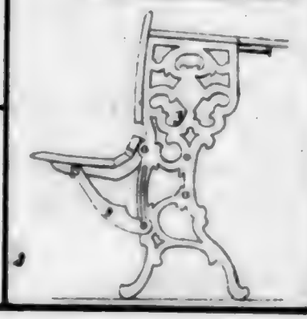
118,762 ROYAL P. WELLER, FIRE-GRATES.

118,763 ASA A. WESTCOTT, STEPS FOR SPINDLES



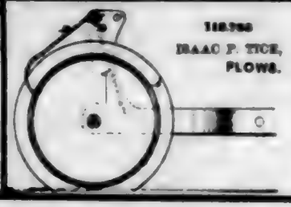
118,754 IRA W. SHALER, TORCHES.

118,757 EDWARD H. THOMPSON, PAPER-FILES.

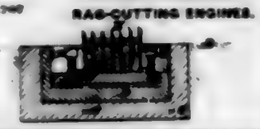


118,764 JEROME WHEELOCK, STEAM-ENGINES.

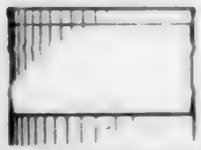
118,755 CHRISTIAN SHARPS, REVOLVING FIRE-ARMS.



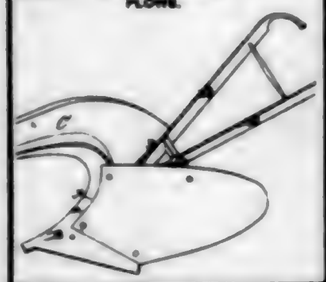
118,766 WRITING AND FISHER, SCHOOL-DESKS AND SEATS.



118,758 JAMES P. SINCLAIR, MILL-PICK HOLDERS.

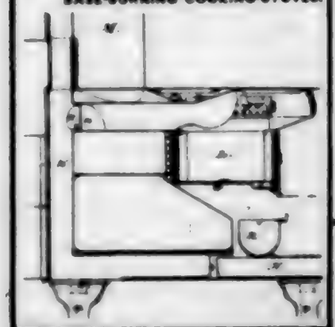


118,759 ISAAC P. TICE, PLOWS.

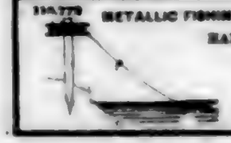


118,760 EDWARD WILKINSON. RAG-CUTTING ENGINES.

118,761 GEORGE F. WILSON, PUTTING UP BAKING-POWDERS.

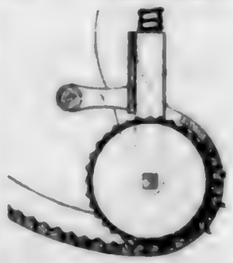


118,762 LEVI S. WILSON, PLOWS.

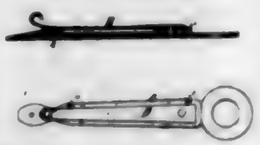


118,763 WING AND JOHNSON, AXLE-BOXES.

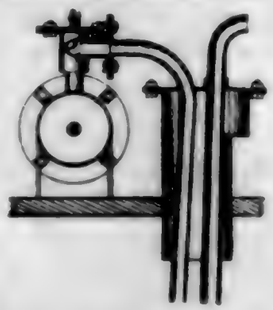
118,764 HENRY E. WOLCOTT. BASE-BURNING COOKING-STOVES.



118,765 METALLIC FISHING-LINES. HARRY CAMP.

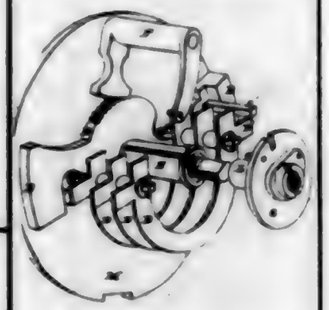


118,766 GALT AND TRACY. JOINTS FOR SCHOOL-DESKS.

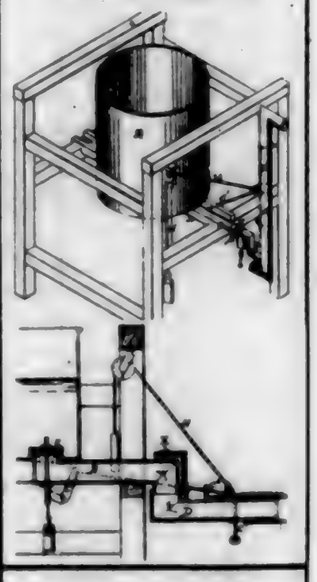


118,767 JAMES AND STREET. WASHING-MACHINES.

118,768 HENRY D. PAGE. REIN-HOLDERS.



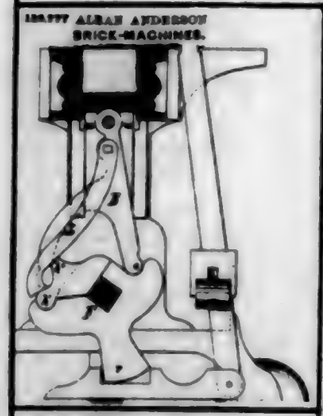
118,769 THOMAS W. MALONE. APPARATUS FOR FORCING FLUIDS.



4,541 HIRAM W. HAYDEN. LAMP-BURNERS.

4,542 JULIUS C. BIETZ. PERMUTATION LOCKS.

4,543 JOHN MORTON. WATER-TANKS FOR RAILWAYS.



4,544 WASH-BOILERS. CHARLES N. TYLER.

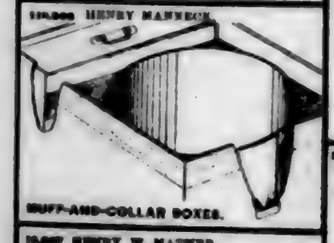
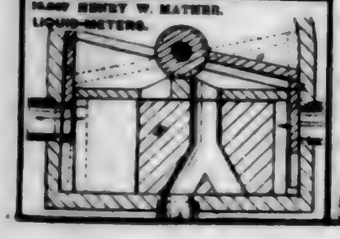
118,862 HENRY KIRKWOOD. STEELYARD-BEAMS



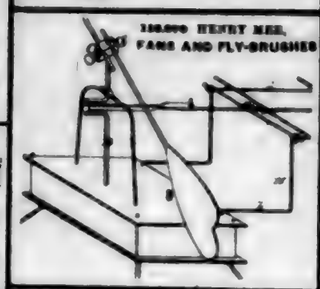
118,863 DAVID K. KRAATS. WATER-WHEEL



118,864 EDWARD LACEY. MACHINES FOR BENDING WOOD.

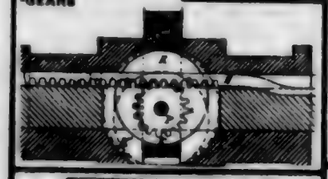
118,865 HENRY MANNECK. RUFF-AND-COLLAR BOXES.

118,866 HENRY W. MATHER. LIQUID-METERS.



118,867 JAMES McCLELLAND. HUB-CLAMPS.

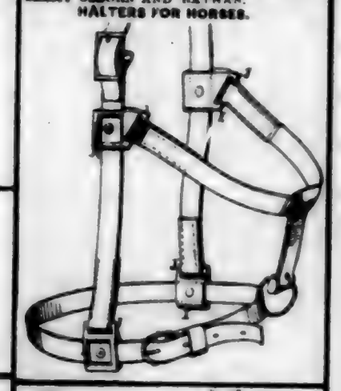
118,868 NATHANIEL MEAD. WAGON-AXLES.



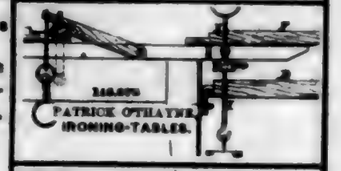
118,869 HENRY MEE. FANS AND FLY-BRUSHES

118,870 JAMES MOFFITT. BRUSHES.

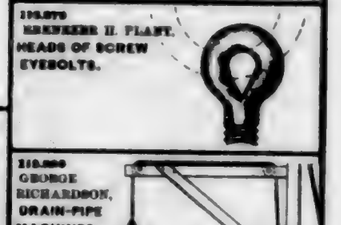
118,871 JAMES MORTFORT. CUT-OFF VALVE-GEARS



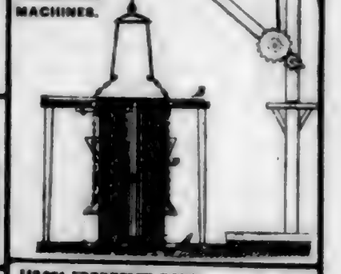
118,872 GEORGE E. MOORE. STOVE-GRATES.



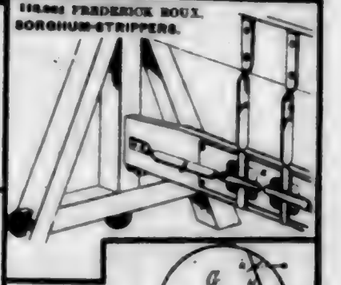
118,873 ELISHA E. MYERS. SODA-FOUNTAINS.



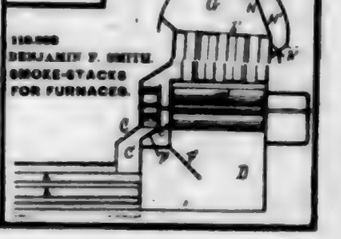
118,874 OSBORN AND RAYHAN. HALTERS FOR HORSES.



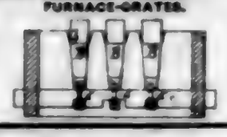
118,875 PATRICK O'HAYNE. IRONING-TABLES.



118,876 EBENEZER H. PLANT. HEADS OF SCREW EYEBOLTS.



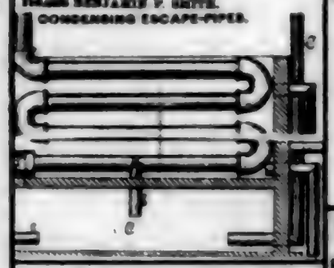
118,877 GEORGE RICHARDSON. DRAIN-PIPE MACHINES.



118,878 FREDERICK ROUX. SORGHUM-STRIPPERS.

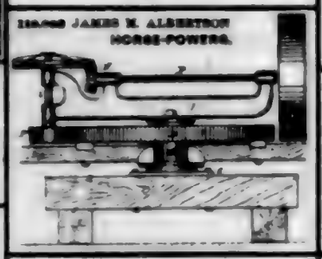
118,879 BENJAMIN F. SMITH. SMOKE-STACKS FOR FURNACES.

118,884 BENJAMIN F. SMITH. FURNACE-GRATES.

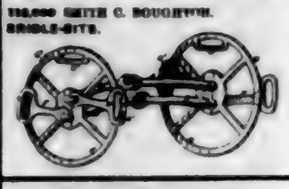


118,885 WILCOX AND WILCOX. WRENCHES.

118,886 JESSE S. BATCHELDER. CONFECTIONERY-JARS.

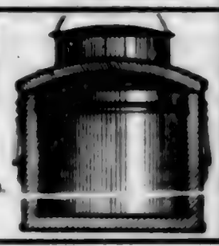


118,887 BENJAMIN F. SMITH. CONDENSING ESCAPE-PIPES.

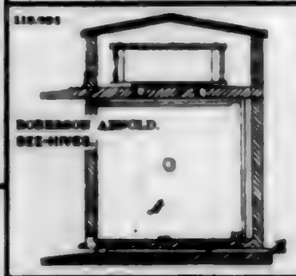


118,888 EDWIN L. WAGNER. STUFFING MATTRESSES.

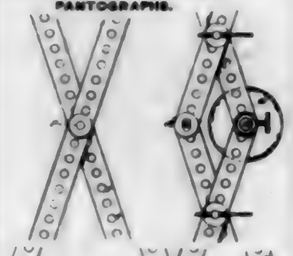
118,889 JAMES M. ALBERTSON HORSE-POWERS.



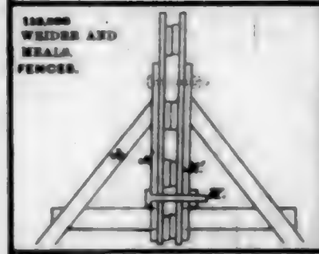
118,890 SMITH C. BOUGHTON. BRIDLE-BITS.



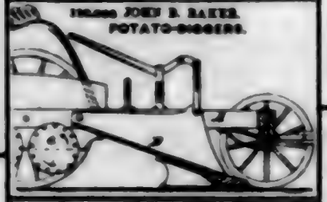
118,891 CHESTER H. KELLEY. AIR-PISTOLS.



118,892 SAMUEL STROUCE. MILK-CANS.

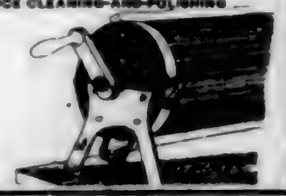


118,893 ROSEBROOK ARNOLD. BEE-HIVES.



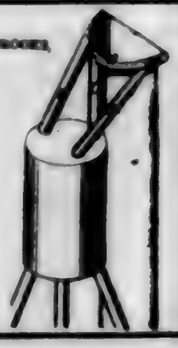
118,894 BROCK AND WOLCOTT. PANTOGRAPHS.

118,895 WEIDER AND MEALA. FENCES.

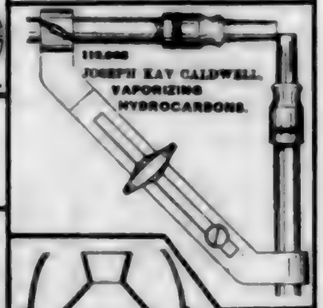


118,896 JOHN B. BAKER. POTATO-DIGGERS.

118,897 WILLIAM HENRY BARNES. POT-COVERS.

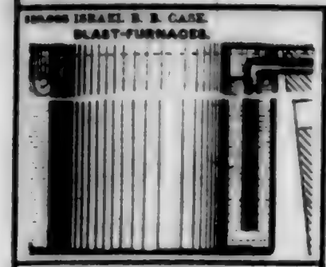


118,898 JOHN F. WHITE. RICE CLEANING-AND-POLISHING MACHINES.

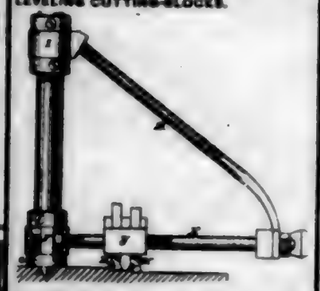


118,899 ALEXANDER H. WHITTICK. PLOWS.

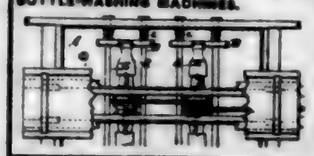
118,900 HARRETT AND BROOKS. BAG-HOLDERS.



118,901 JOSEPH KAY CALDWELL. VAPORIZING HYDROCARBONS.



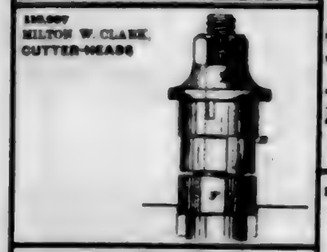
118,902 ORSIN S. CAMP. WOOD-INCASED CANS.



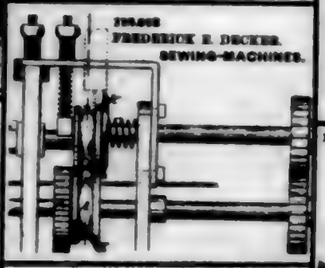
118,905 ISRAEL B. B. CASE. BLAST-FURNACES.

118,906 ANDREW DAVIS. LEVELING CUTTING-BLOCKS.

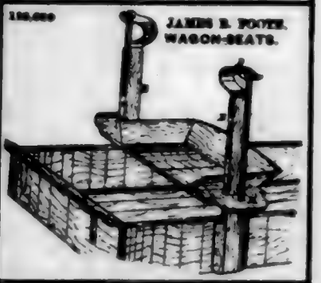
118,907 CONRAD EULER. BOTTLE-WASHING MACHINES.



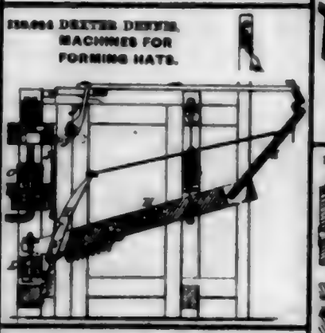
118,908 HULL CHANDLER. BED-SPRINGS.



118,909 WILLIAM B. EVANS. PORTABLE CRADLES.

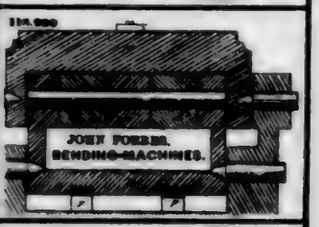


118,910 MILTON W. CLARK. CUTTER-HEADS.



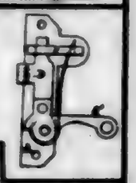
118,911 FREDERICK E. DECKER. SEWING-MACHINES.

118,912 JAMES B. FOOTE. WAGON-SEATS.

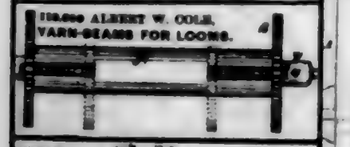


118,913 DEXTER DENYS. MACHINES FOR FORMING HATS.

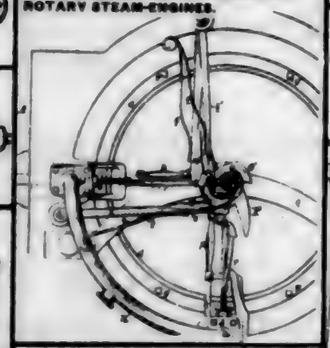
118,914 WILLIAM F. CLARK. BED AND SEAT-BOTTOMS.



118,915 JOHN FORBS. BENDING-MACHINES.

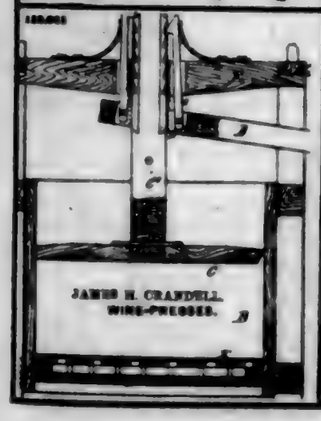


118,916 MAX. CLAVER. SPRING-LOCKS.

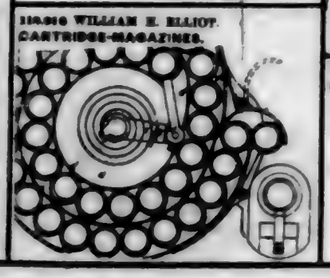


118,917 AUGUST FESUTAL. SPRING-LOCKS FOR SASHES.

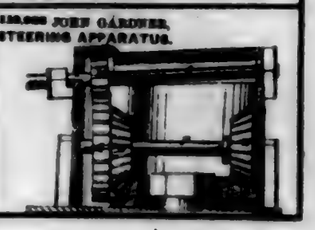
118,918 ALBERT W. COLE. YARN-BEAMS FOR LOOMS.



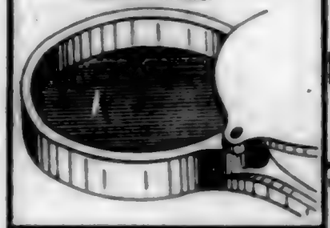
118,919 FRANCIS OLIVER DESCHAMPS. ROTARY STEAM-ENGINES.



118,920 OSCAR F. FROST. WINDOW-SCREENS.

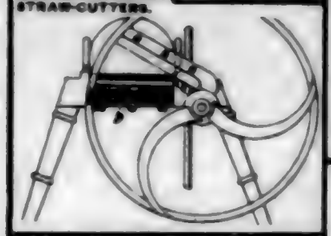


118,921 JAMES H. CRANDELL. WIRE-PRESSES.



118,922 WILLIAM H. ELLIOT. CARTRIDGE-MAGAZINES.

118,923 JOHN GARDNER. STEERING APPARATUS.



118,924. EDWARD H. GATES. BLACKING-BOXES.

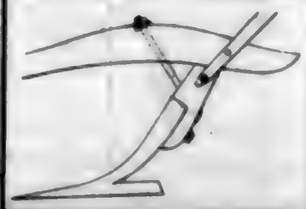
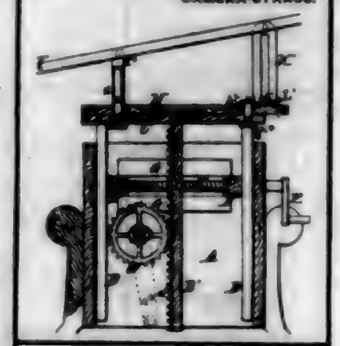
120,785 SMITH AND DISTRICK CLOTHES-DRIERS.

120,786 ROBERT H. SMITH. REVENUE-STAMP PROTECTORS.



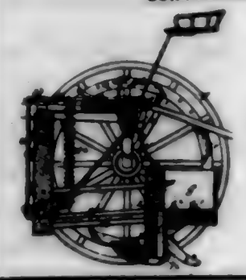
120,787 WILLIAM ROBERT [illegible]. CURTAIN-FIXTURES.



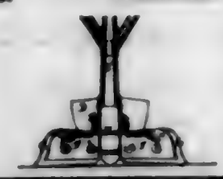
120,788 WILLIAM G. BROOT. BREECH-LOADING FIRE-ARMS.

120,789 SAMUEL SNIDER. CULTIVATORS.

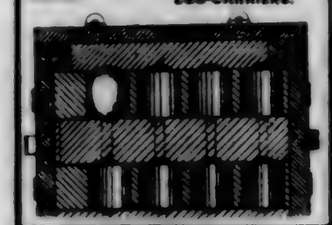
120,790 CHARLES H. SHIVELY. CAMERA-STANDS.



120,791 WILLIAM G. SPELLMAN. BROOMS.

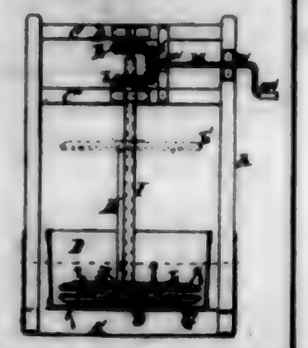


120,792 CHARLES W. STERICK. ATTACHMENTS FOR WASH-BOILERS.

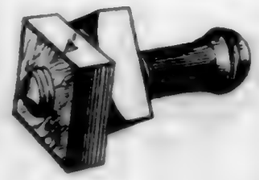


120,793 SMITH STEVENS. CORN-PLANTERS.

120,794 ALEXANDER C. TAYLOR. CULTIVATORS.

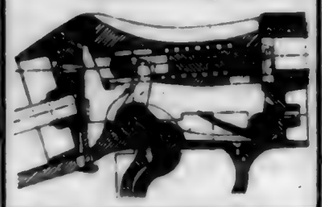


120,795 CHRISTOPHER TENNANT. EGG-CARRIERS.

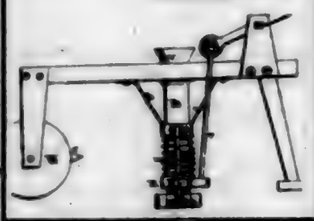


120,796 NATHAN THOMPSON. SASH-STOPS AND LOCKS.

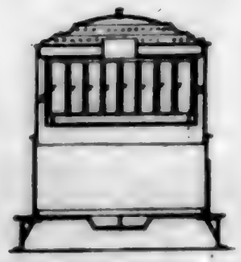
120,797 MILOW L. TOMPKINS. WASHING-MACHINES.



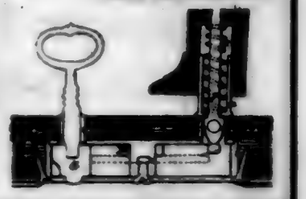
120,798 WILLIAM H. VAN CLEVE. JAM-NUTS.



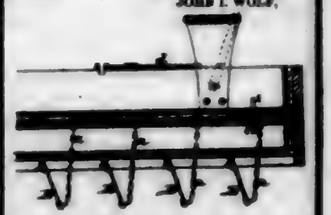
120,799 FABIEN VARIN. BEE-HIVES.



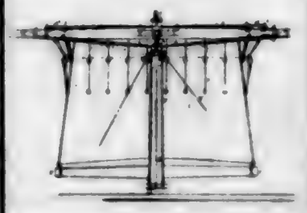
120,800 FRIEDRICH VON MARTINI. BREECH-LOADING FIRE-ARMS.



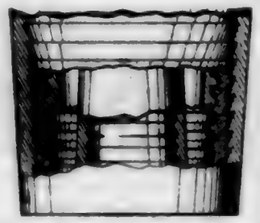
120,801 JOHN E. WAITE. TRANSPLANTERS.



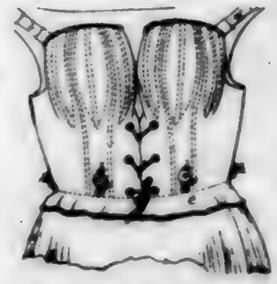
120,802 JOHN W. O. WEBB. HEATING-STOVES.



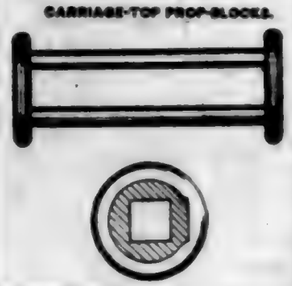
120,803 ELBERT B. WEYBURN. LOCKS FOR PIANOS, &c.



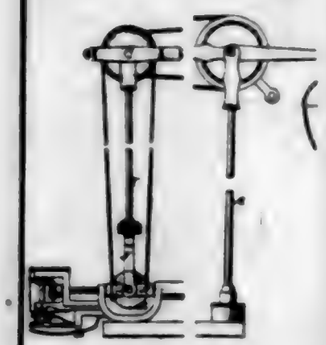
120,804 DUMPING-WAGONS. JOHN I. WOLF.



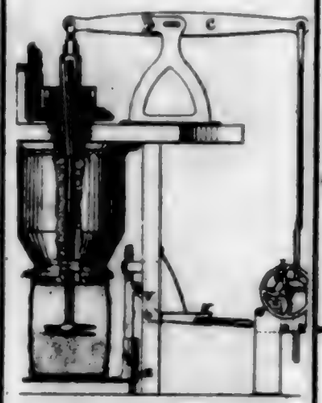
120,805 JOHN EDWARD WORTHMAN. REEFING SAILS.



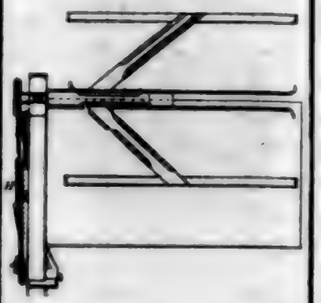
120,807 RICHARD TRILDING. CRUCIBLES FOR MELTING METALS.



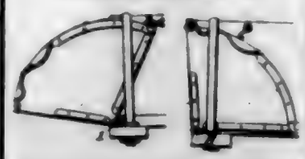
120,808 SAPPHIRA YOUNG. SKIRT-SUPPORTING CORSETS.



4,621 BARNETT AND BERRI,
CARRIAGE-TOP PROP-BLOCKS.

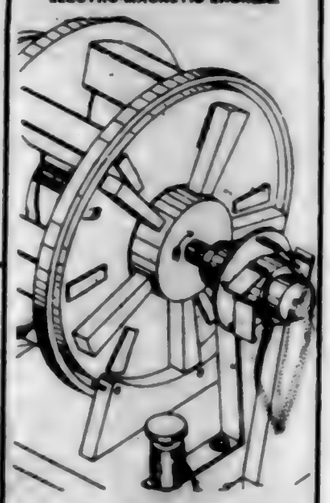


4,622 ROSWELL T. SMITH.
TRANSMITTING MOTIVE POWER.

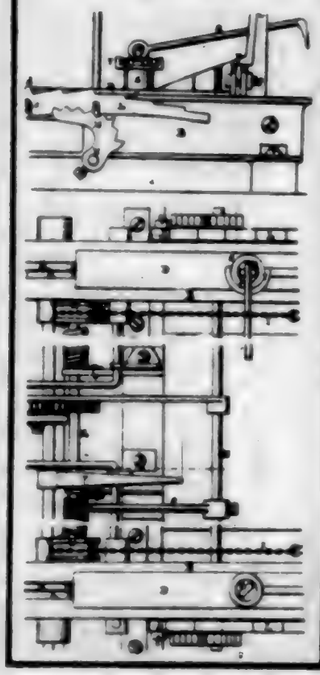


4,623 SAMUEL TAGGART,
FLOUR-PACKERS.

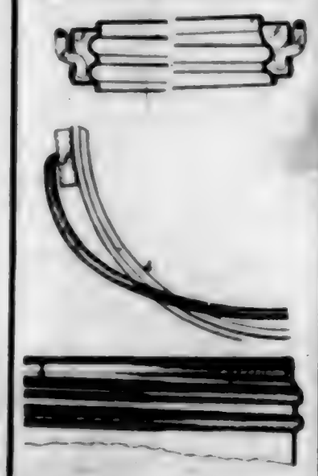
4,624 JOHN H. KELLER.
HARVESTER-REELS.



4,625 JEREMIAH L. STROPE.
END-GATES FOR WAGONS.



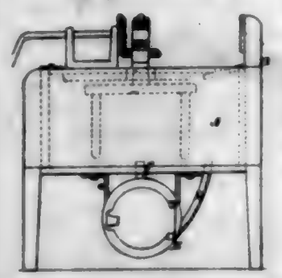
4,626 WINDSOR NEWTON WHITE,
LAMP-HEATERS.



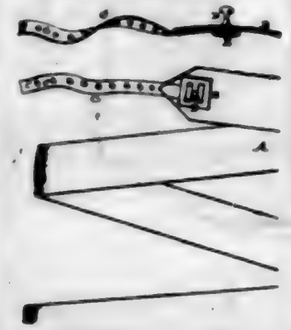
4,627 JACOB P. TIBBALS,
ELECTRO-MAGNETIC ENGINES.

4,628 EDWARD H. STRAINS,
HEAD-BLOCKS.

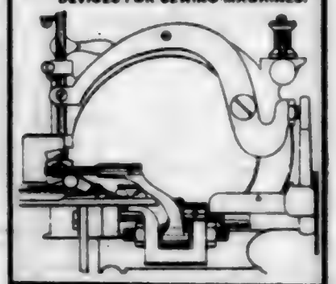
4,629 JOHN K. CHACE.
FASTENINGS FOR PAINT-CANS, &c.



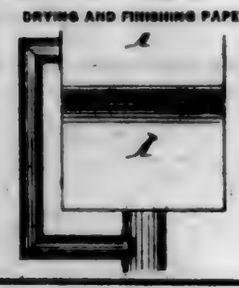
4,630 TOUSSAINT TRUDEAU,
GLOBES FOR GAS-LIGHTS.



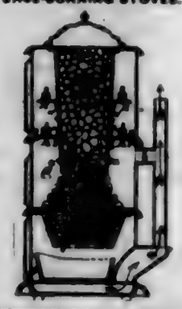
ILLUSTRATIONS OF PATENTS
ISSUED FROM
THE UNITED STATES PATENT OFFICE
NOVEMBER 14, 1871.



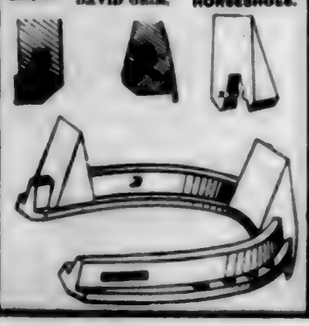
120,809 WILLIAM ARNOLD,
WASHING-MACHINES.



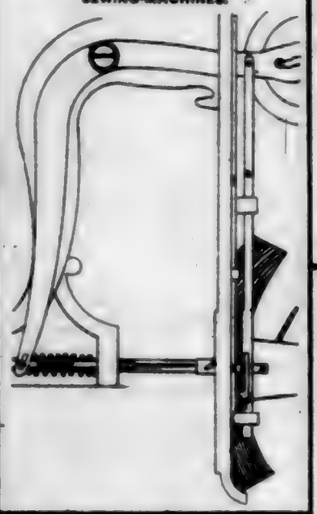
120,814 JOHN G. GROCOCK,
SURGICAL BANDAGES.



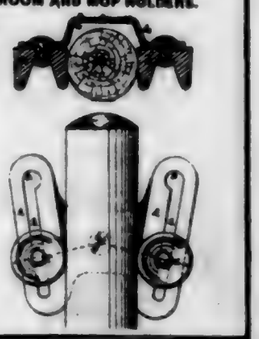
120,817 ELIJAH LEAVITT HOWARD,
DEVICES FOR SEWING-MACHINES.



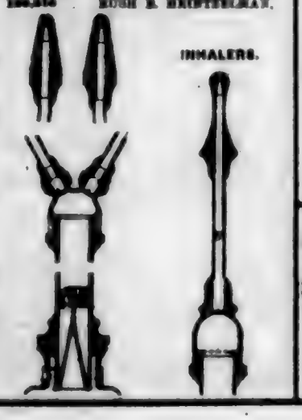
120,820 HERKIAH DODGE,
DRYING AND FINISHING PAPER.



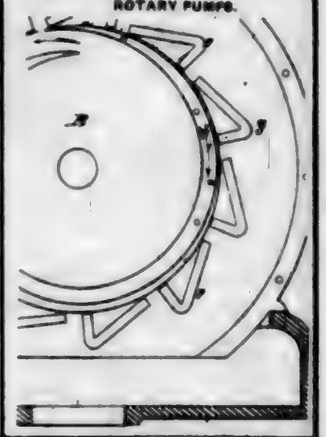
120,821 WILLIAM DOYLE,
GAS-BURNING STOVES.



120,822 DAVID GRIM. HORSESHOES.

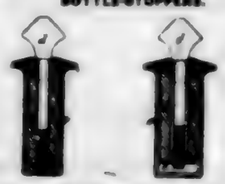


120,813 THOMAS J. HARPER,
SEWING-MACHINES.

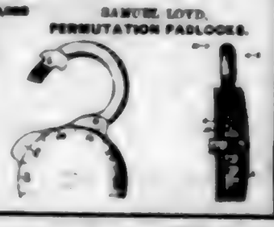


120,816 GEORGE B. IRISH,
BROOM AND MOP HOLDERS.

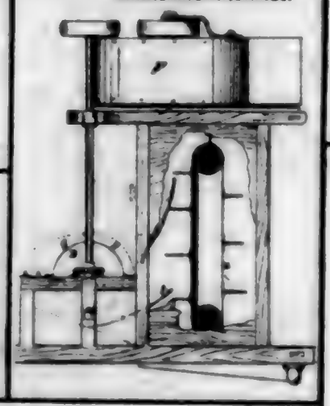
120,815 RUSH B. KNIPTELMAN.
INHALERS.



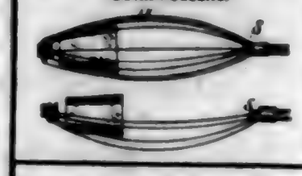
120,818 SOLOMON W. KELLY.
ROTARY PUMPS.



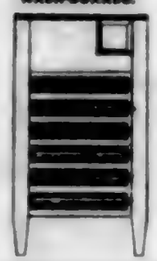
120,819 JOHN C. KNOWLTON.
RATLIN ATTACHMENTS FOR RIGGING.



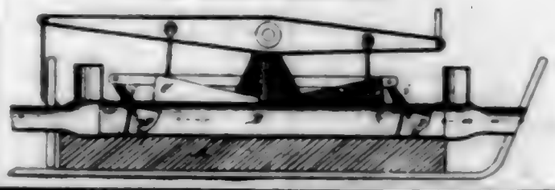
120,821 GARRETT C. LOWE, BOTTLE-STOPPERS.



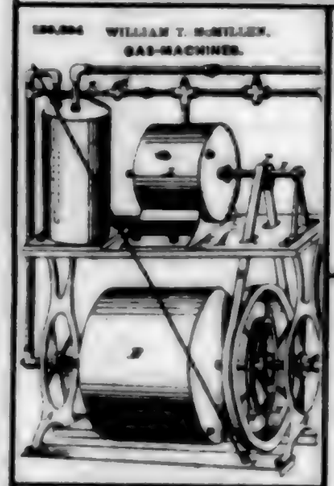
120,822 SAMUEL LOYD, PERMUTATION PADLOCKS.



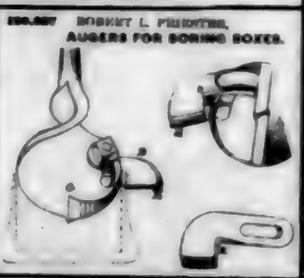
120,824 AURELIUS V. PITTS. THRASHING-MACHINES.



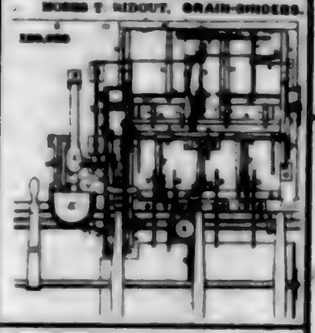
120,830 CHARLES T. RIMPERS. CORK-FULLERS.



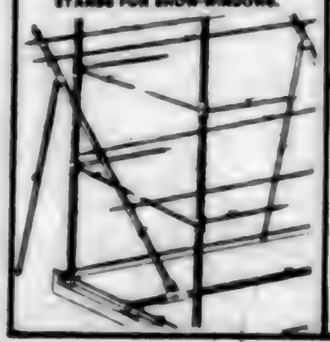
120,831 ALPHEUS D. SMITH, WASH-BOARDS.



120,832 JOSEPH M. McMASTER, PROPULSION OF CANAL-BOATS.

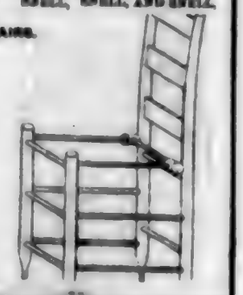


120,834 WILLIAM T. McMILLEN, GAS-MACHINES.

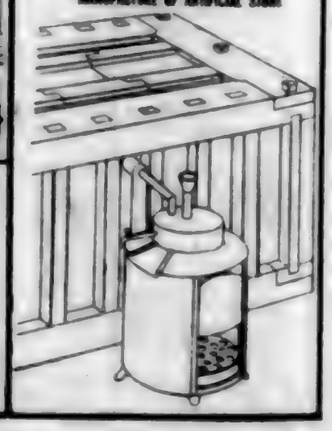


120,837 ROBERT L. PRENTISS, AUGERS FOR BORING BOXES.

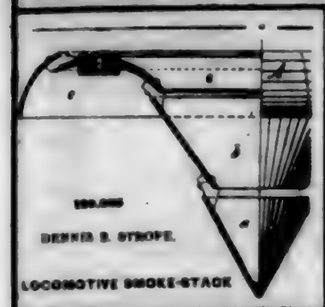
120,838 ROBERT T. RIDOUT, GRAIN-BINDERS.



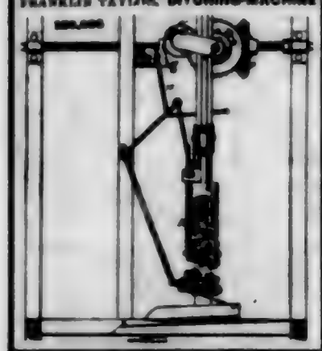
120,839 JOSEPH S. PALMERSTON, STANDS FOR SHOW-WINDOWS.



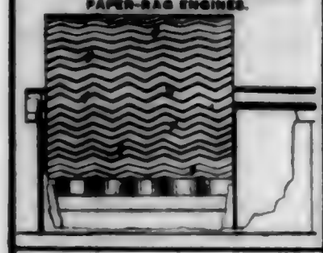
JOHN SEDDON, METALLIC ROOFINGS. 120,840.



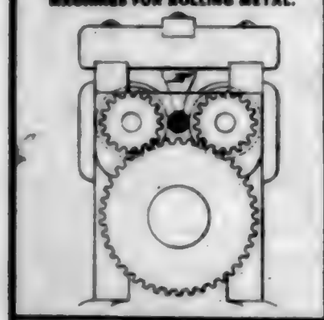
120,841 SPELL, SPELL, AND SPELL. CHAIRS.



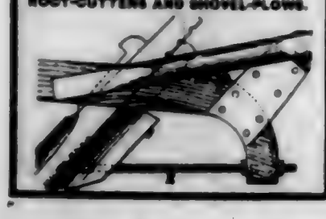
120,842 DANIEL M. SPROULL, MANUFACTURE OF ARTIFICIAL STONE



120,835 DENNIS B. STROPE. LOCOMOTIVE SMOKE-STACK

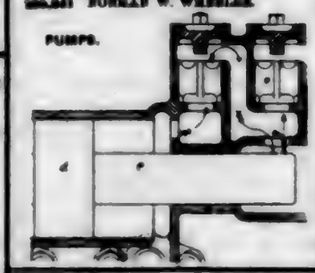


120,836 FRANKLIN TAYLOR, DITCHING-MACHINE



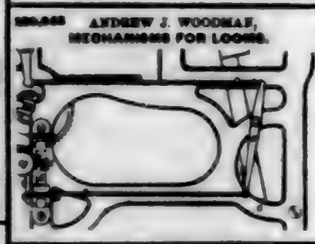
120,837 TAYLOR AND BRIGHTMAN, PAPER-RAG ENGINES.

120,838 LEOPOLD THOMAS, MACHINES FOR ROLLING METAL.

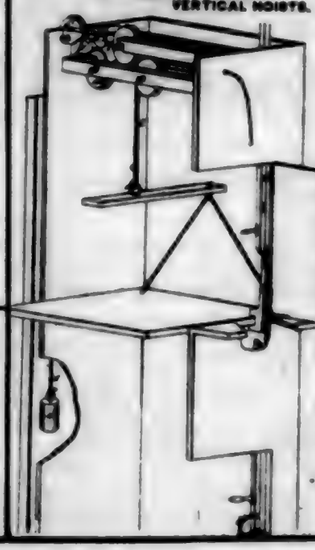


120,839 GEORGE THUMP. ROOT-CUTTERS AND SHOVEL-PLOWS.

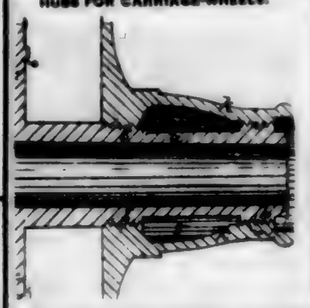
120,840 JOHN W. O. WEBB, COOKING-STOVES.



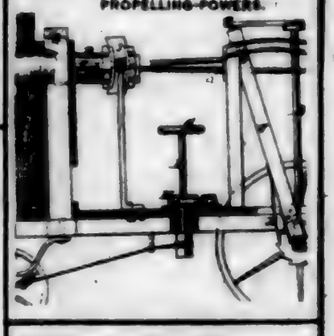
120,841 NORMAN W. WHEELER. PUMPS.



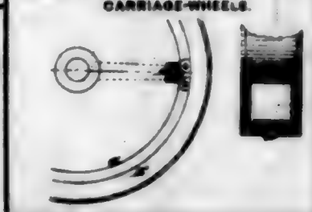
120,842 JOSEPH WHITWORTH, BREECH-LOADING ORDNANCE.



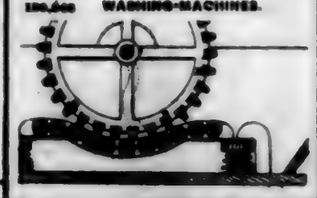
120,843 ANDREW J. WOODMAN, MECHANISMS FOR LOOMS.



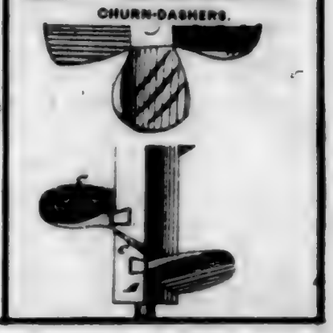
120,844 WILLIAM B. WORTHEN, VERTICAL HOISTS.



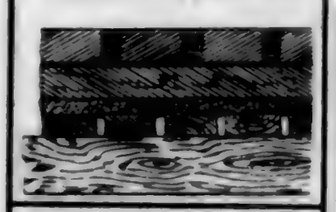
120,845 EDWARD A. ARCHIBALD, HUBS FOR CARRIAGE-WHEELS.



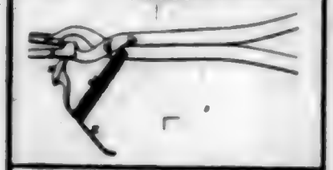
120,846 NATHANIEL B. BALDWIN, PROPELLING-POWERS.



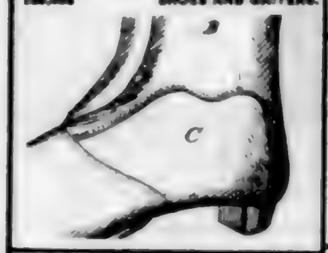
120,847 ISAAC E. BOWER, CARRIAGE-WHEELS.



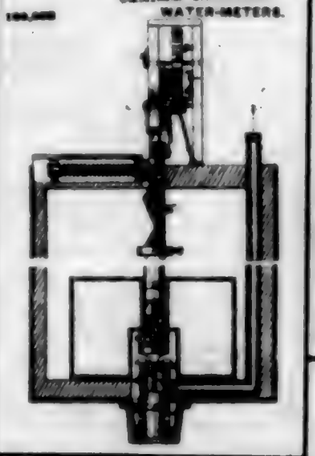
CAMPBELL, CAMPBELL, AND BROWER. 120,848 WASHING-MACHINES.



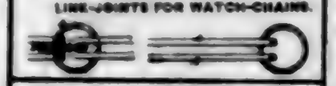
120,849 BROTHILL AND SPERRY CHURN-DASHERS.



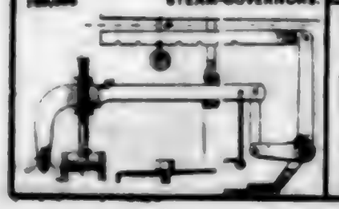
120,850 MANLY A. BURNHAM. LAYING TILES.



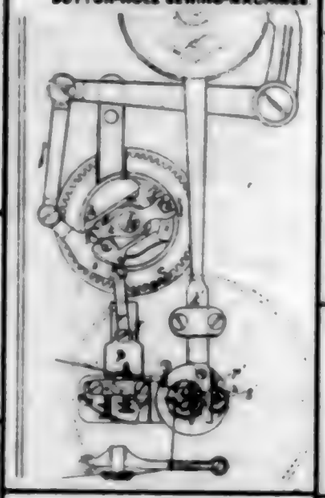
120,851 ORRIN W. BURNITT. TIN-ROOFING MACHINES.



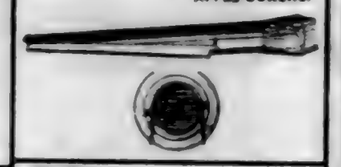
120,852 FREEMAN P. BUSHELL. SHOES AND GAITERS.



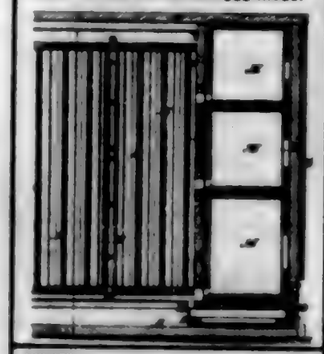
120,853 CAMILLE CAMPEAUX. WATER-METERS.



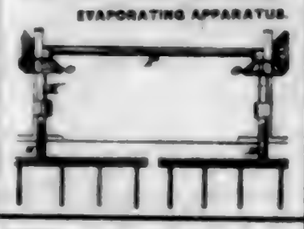
120,854 CHARLES B. CARPENTER. LINK-JOINTS FOR WATCH-CHAINS.



120,855 GEORGE W. CLARK. STEAM-GOVERNORS.

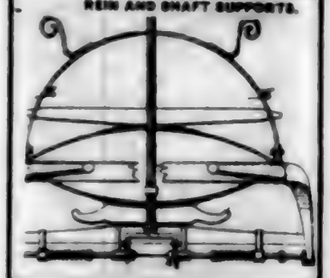


120,856 CHICKEN AND MOULTON. BUTTON-HOLE SEWING-MACHINES.



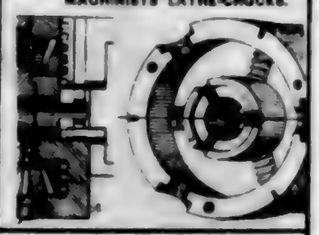
120,857 STEPHEN C. COLLINS. APPLE-CORERS.

120,858 COLLINS AND GERSHMAN. BEE-HIVES.

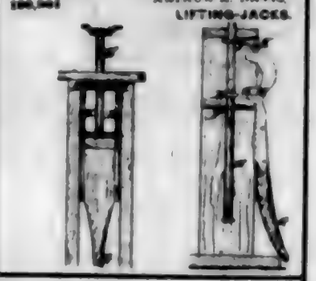


120,859 JUSTUS COOK. EVAPORATING APPARATUS.

120,860 HENRY H. CORNELL. COMBINATION-LEVER BRIDLE-BITS.

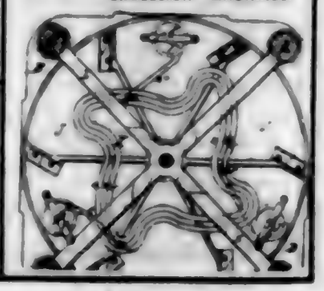


120,861 CRUICKSHANK AND VANCLEAVE. REIN AND SHAFT SUPPORTS.

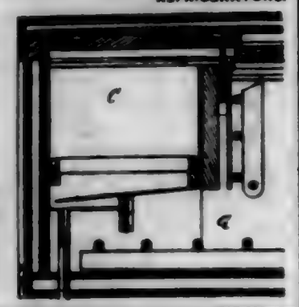


120,862 CHARLES WILLIAM CURTIS. MANUFACTURE OF GUNPOWDER.

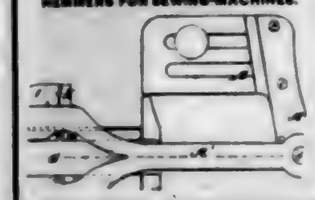
120,863 AUSTIN F. CUSHMAN. MACHINISTS' LATHE-CHUCKS.



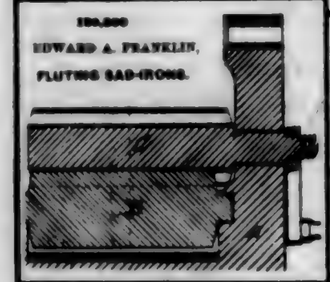
120,864 ARTHUR A. DAVIS. LIFTING-JACKS.



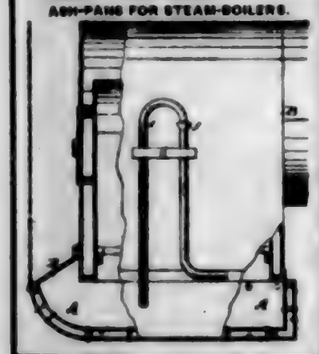
120,865 JOHN H. FARNHAM. SPRING-BEDS.



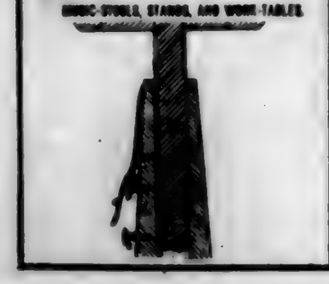
120,866 JACOB FELBER. "EXCELSIOR" MACHINES.



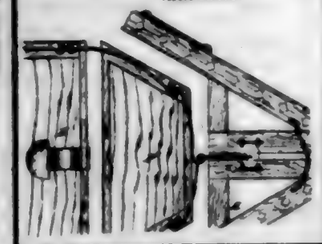
120,867 JAMES W. FISHER. REFRIGERATORS.



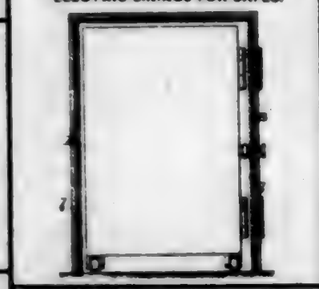
120,868 DAVID FORREST. HEMMERS FOR SEWING-MACHINES.



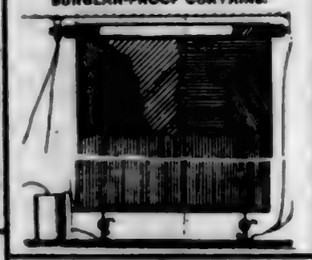
120,869 EDWARD A. FRANKLIN. FLUTING SAD-IRONS.



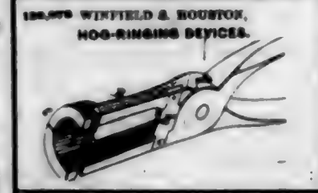
120,870 JOHN GATES. ASH-PANS FOR STEAM-BOILERS.



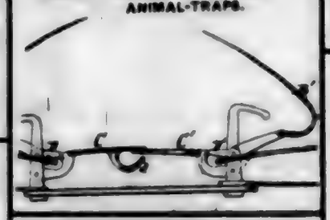
120,871 GEORGE W. GRISWOLD. MUSIC-STOOLS, STANDS, AND WORK-TABLES.



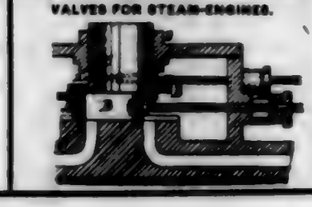
120,872 ELIAL S. HERRINGTON. HARROWS.



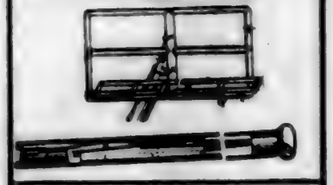
120,873 EDWIN HOLMES. ELECTRIC LININGS FOR SAFES.



120,874 EDWIN HOLMES. BURGLAR-PROOF CURTAINS.



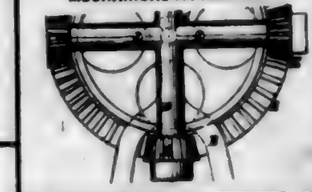
120,875 WINFIELD S. HOUSTON. HOG-RINGING DEVICES.



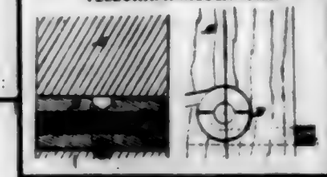
120,876 NATHAN S. HOWELL. ANIMAL-TRAPS.

120,877 HUNTINGTON AND HEMPSTEAD. VALVES FOR STEAM-ENGINES.

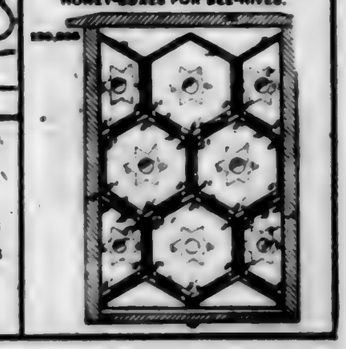
120,878 WILLARD C. JAMES. MUSIC-STANDS.



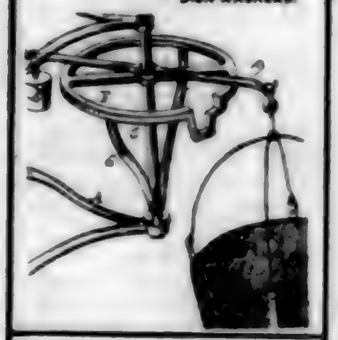
120,879 JOHN JOHNSON. SPRING-BEDS.



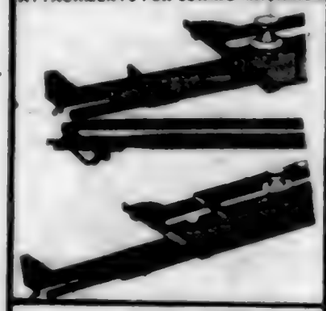
120,880 WILLIAM JONES. GAS-BURNER REGULATORS.



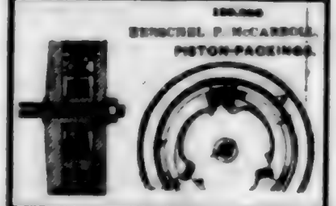
120,881 WILLIAM F. JONES. MECHANICAL MOVEMENTS.



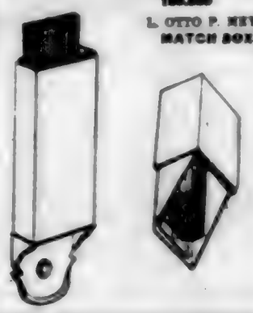
120,882 GEORGE W. KIDWELL. TELEGRAPH-INSULATORS.



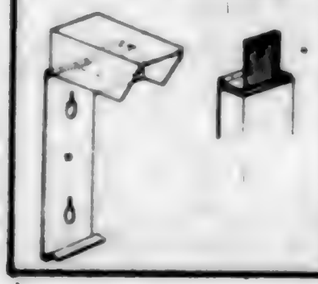
120,883 ELLERY CHANNING LEWIS. HONEY-BOXES FOR BEE-HIVES.



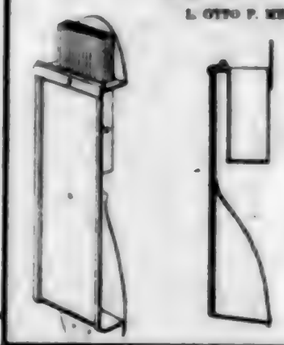
120,880 MARY E. LEWIS. DISH-WASHERS.



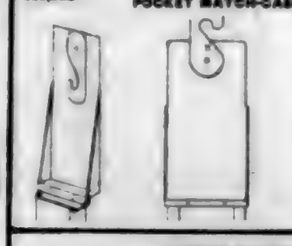
120,881 WILLIAM HENRY LEWITT. ATTACHMENTS FOR SEWING-MACHINES.



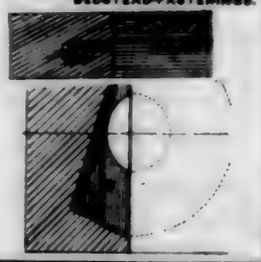
120,882 BENSCHEL P. McCARROLL. PISTON-PACKINGS.



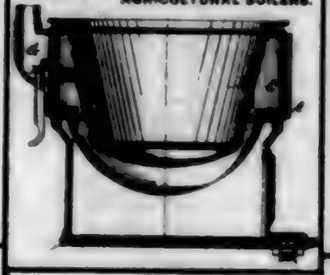
120,883 L. OTTO P. MEYER. MATCH BOXES.



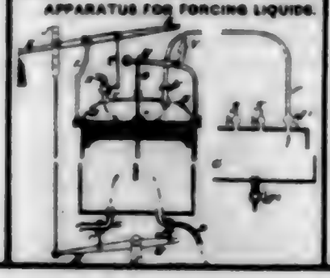
120,884 L. OTTO P. MEYER. MATCH-HOLDERS.



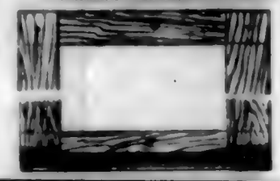
120,885 MATCH-HOLDERS. L. OTTO P. MEYER



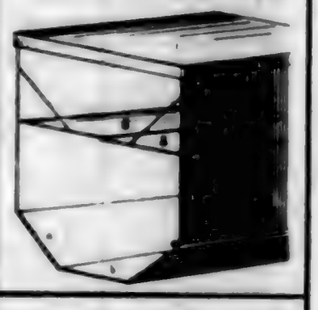
120,886 L. OTTO P. MEYER. POCKET MATCH-CASES.



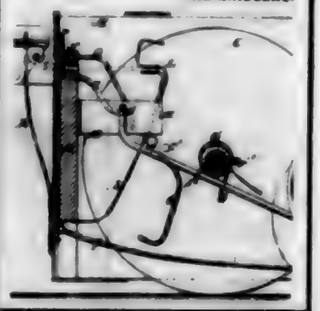
120,887 THOMAS W. MOORE. BEDSTEAD-FASTENINGS.



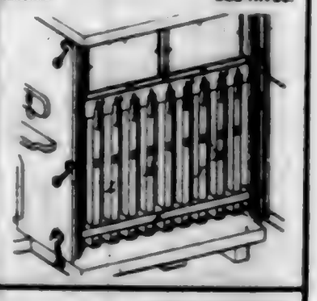
120,888 JOHN MURDOCK. AGRICULTURAL BOILERS.



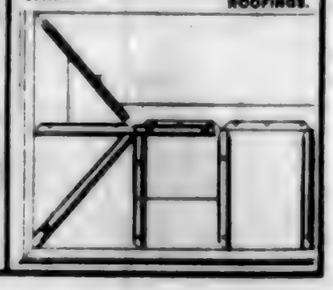
120,889 MARCELLA E. OOBEY. APPARATUS FOR FORCING LIQUIDS.



120,890 JAMES S. PIERSON. FRAMES FOR SEWING-SHEETS.

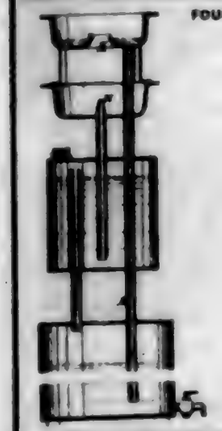


120,891 BENJAMIN F. PORTER. FUR-SET BOXES.

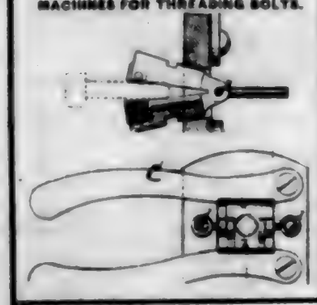


120,892 NOAH BOOBAR. FIRE-KINDLERS.

120,893 MARTIN B. SANDERS. BEE-HIVES.

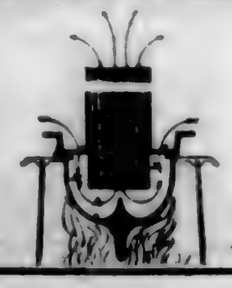


120,894 ROBERT SANDERSON. ROOFINGS.

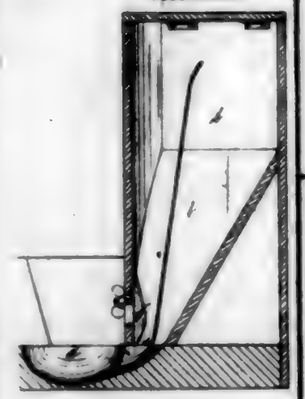


120,895 ROBERT SANDERSON. BAKERS' OVENS.

120,896 HENRY R. SAWTELL. FOUNTAINS.

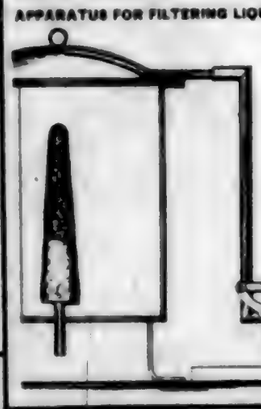


120,897 CHARLES SCHNEIDER. MACHINES FOR THREADING BOLTS.

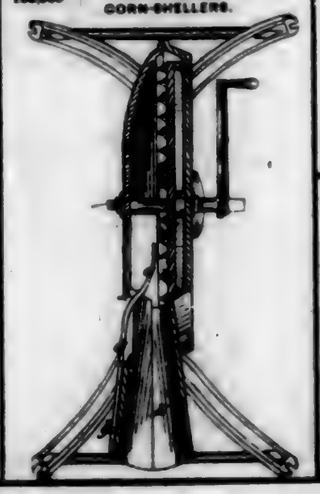


120,898 RAPHAEL H. SELDIS. MOTH-PROOF BOXES.

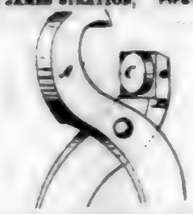
120,899 WILLIAM SHAW. PORTABLE HEATING APPARATUS.



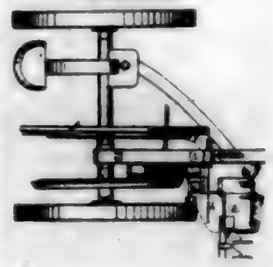
120,900 SHAW AND GOULD. FEED-BOXES.



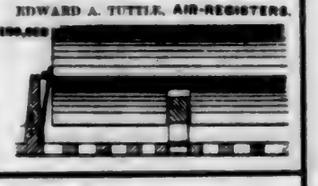
120,901 THOMAS R. SINCLAIRE. BLACKING-BOXES.



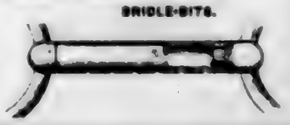
120,902 THOMAS R. SINCLAIRE. APPARATUS FOR FILTERING LIQUIDS.



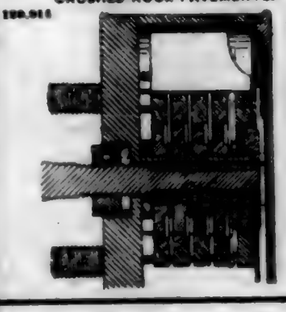
120,903 ABIA S. SMITH. CORN-SHELLERS.



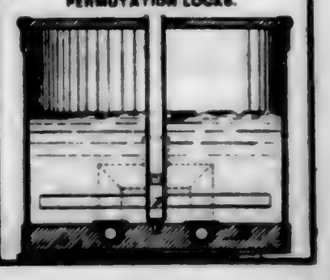
120,911 JAMES STRATTON. PIPE-TONGS.



120,911 JOHN S. TRUXELL. HARVESTERS.

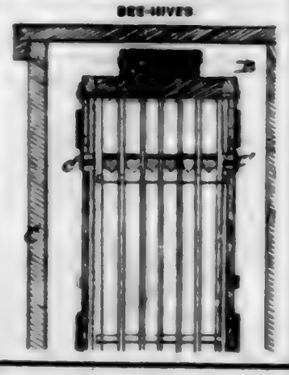


120,912 EDWARD A. TUTTLE. AIR-REGISTERS.



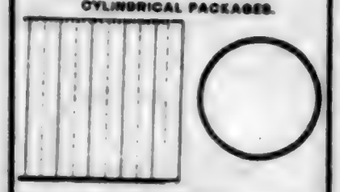
120,913 ALBERT VANAUKEN. BRIDLE-BITS.

120,914 AARON VAN CAMP. ASPHALTIC AND CRUSHED-ROCK PAVEMENTS.



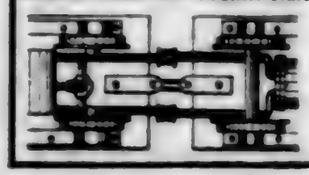
120,915 VIRTON AND HINES. PERMUTATION LOCKS.

120,917 MILES S. WATKINS. FIRE-PLACE GRATES.



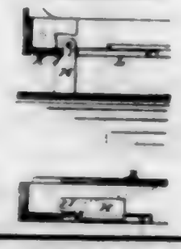
120,918 JOHN WHEELDON. BEE-HIVES.

120,919 OTIS G. WHITE. DENTISTS' AND BARBERS' CHAIRS.

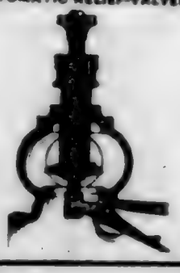


120,920 HENDERSON WILLARD. CYLINDRICAL PACKAGES.

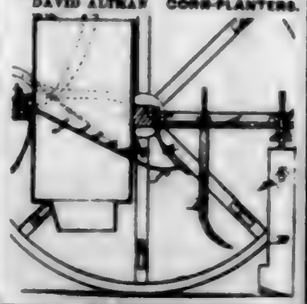
120,921 EDWARD J. WILLCOX. FOLDING CHICKEN-COOPS.



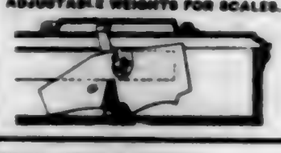
120,922 ROBERT J. WILSON. VACUUM-BRAKES FOR RAILWAY CARS.



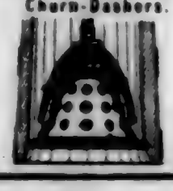
120,923 WENDELL WRIGHT. BOTTLE-STOPPERS.



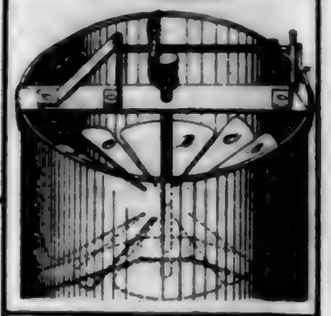
120,924 WENDELL WRIGHT. FOLDING-BEDS.



120,925 ALBERT F. ALLEN. AUTOMATIC RELIEF-VALVES.

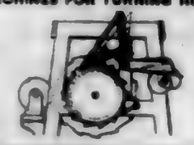


120,926 DAVID ALTRAN. CORN-PLANTERS.

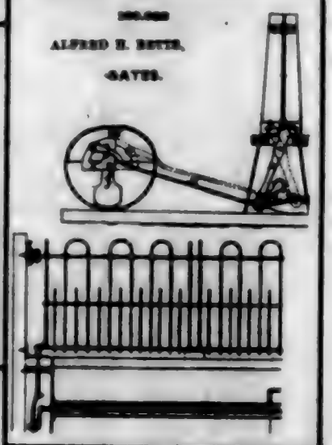


120,927 EIRAH ANDERS. ADJUSTABLE WEIGHTS FOR SCALES.

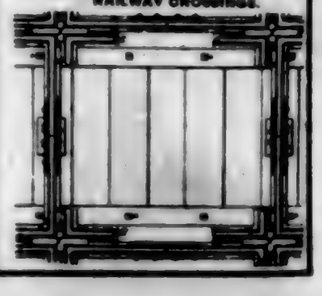
120,928 EZRA J. ASHTON. Churn-Dashers.



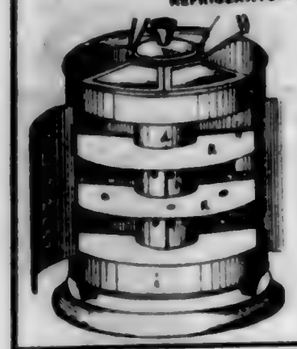
120,929 WILLIAM H. BAILEY. BLOWERS.



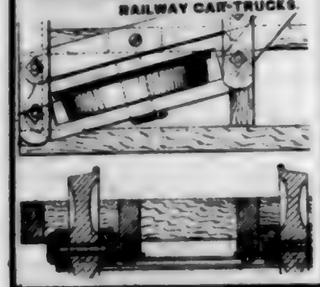
120,930 WILLIAM BAXTER. ENGINES FOR STREET-CARS.



120,931 WILLIAM G. BEACH. MACHINES FOR TURNING HUBS.

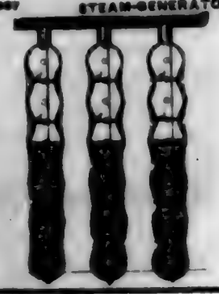


120,932 ALFRED H. BETTS. GATES.

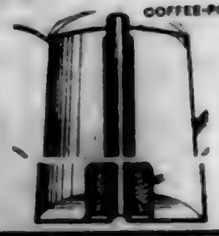


120,933 GEORGE W. BILLINGS. RAILWAY CROSSINGS.

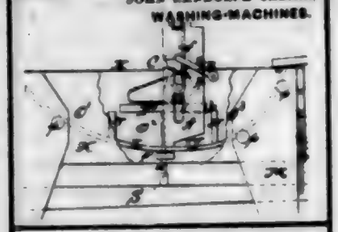
120,934 WILLIAM BOOK. REFRIGERATORS.



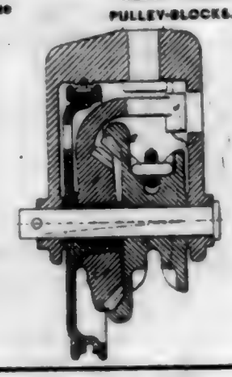
120,935 BROWN AND BELL. RAILWAY CAR-TRUCKS.



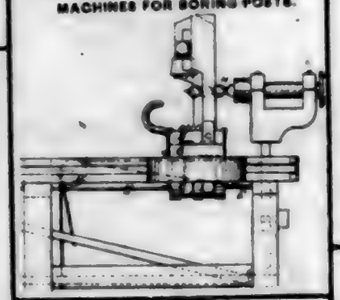
120,936 BROWN AND BLAISDELL. COFFEE-POTS.



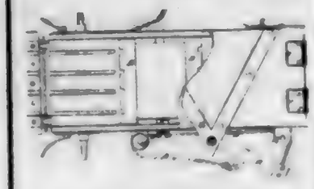
120,937 WILLIAM BYERS. STEAM-GENERATORS.



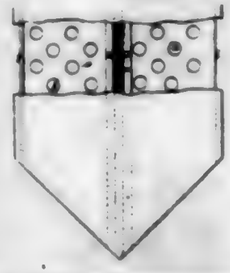
120,938 CAWTHON AND TATUM. COFFEE-POTS.



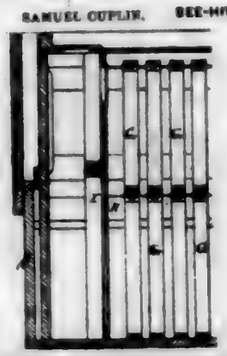
120,939 JOHN RANDOLPH CAZIER. WASHING-MACHINES.



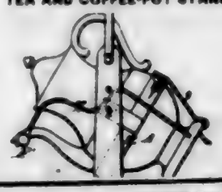
120,940 HENRY CHERRY. PULLEY-BLOCKS.



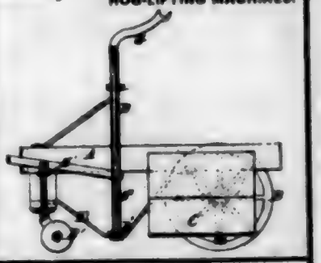
120,941 CLIVE AND WEAVER. MACHINES FOR BORING POSTS.



120,942 THOMAS J. CORNING. BALING-PRESSES.

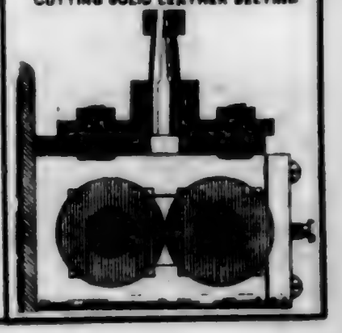


120,943 JOHN P. CULVER. CORES FOR DIKES.

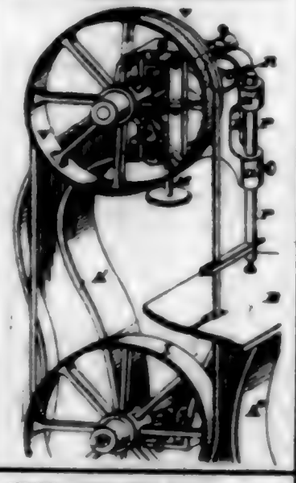


120,944 SAMUEL CUPLIN. BEE-HIVES.

120,945 PHILIP DAVID. TEA AND COFFEE-POT STANDS.



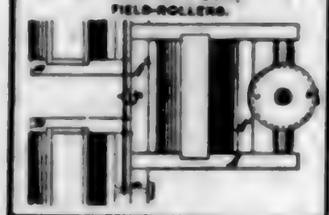
120,946 JOSEPH DAGLEY. HOG-LIFTING MACHINES.



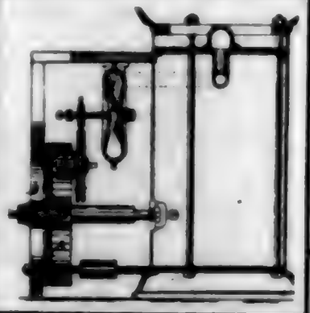
120,947 AUGUSTUS BALL DAVIS. WRENCHES.

120,948 DICKERSON AND WARREN. CUTTING SOLID LEATHER BELTING

120,949 DOANE AND McKEE.
SAND SAWING-MACHINES.



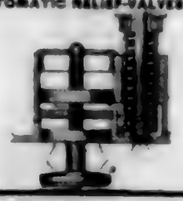
120,950 PETER FERGUSON
MECHANICAL MOVEMENTS.



120,951 JAMES H. GILLIS.
RIGGING-CLAMPS.

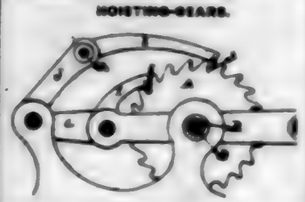
120,952 GEORGE H. DOW.
FIELD-ROLLERS.

120,953 LEWIS B. FITCH.
DRIVING-GEARS FOR PORTABLE FORGES.

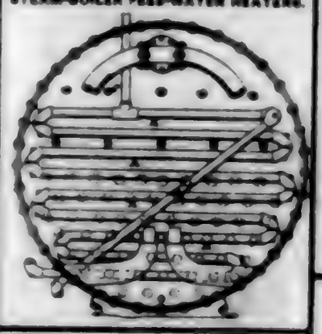


EDWIN GOMEZ.
MODES OF EXPLODING TORPEDOES.

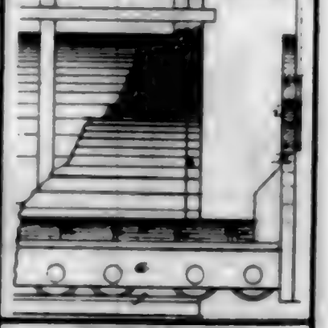
120,954



120,955 JAMES GARLAND.
AUTOMATIC RELIEF-VALVES.



120,956 JAMES ALEXANDER GRANT, BRUSHES.



120,957 GEORGE DURRAH.
HOISTING-GEARS.

120,958 BENJAMIN GARVIN.
STEAM-BOILER FEED-WATER HEATERS.

120,959 WILLIAM P. HALL.
KILNS FOR BURNING BRICK, LIME, &c.

120,960 JOHN EMERY.
STILTS.

120,961 OSCAR S. EWING.
ANIMAL-TRAPS.

DWIGHT GIBBONS. SEATED URINALS.

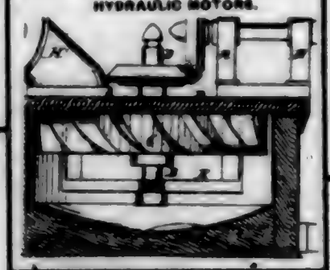
CLOTHES-WRINGERS.

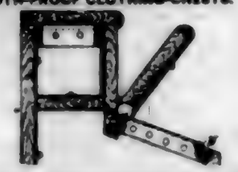
120,969 ROBERT JEFFERY.
FISHING-SEINES.



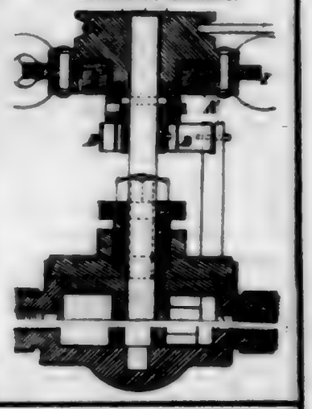
120,970 DANIEL C. JUSTISON.
RAILROAD-CAR VENTILATORS.

120,971 MILO HARRIS.
BINDING ATTACHMENTS FOR SEWING-MACHINES.

120,972 JOHN HENRY JENNINGS.
HYDRAULIC MOTORS.

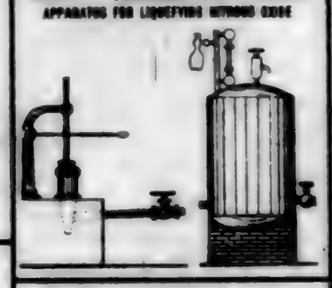


AUSTIN KELLEY, LADIES' DRESSES.
120,973



120,974 GEORGE CLIFFE HATCH.
POSTAGE-STAMP HOLDERS.

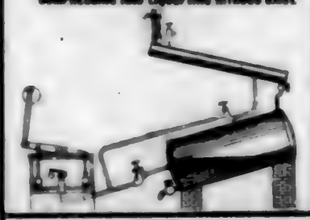
120,975 RALPH S. JENNINGS.
MOTH-PROOF CLOTHING-CHESTS.



120,976 BENJAMIN S. LAWSON.
ENGINE-GOVERNORS.

120,977 LOUIS CHRISTIAN HOFFMEISTER.
WINDOW-SHADE FIXTURES.

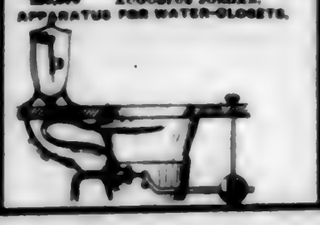
120,978 JOHNSTON AND JOHNSTON.
APPARATUS FOR LIQUEFYING NITROUS OXIDE



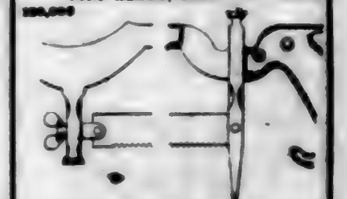
SAMUEL LESSIG, SR. GRAIN-SEPARATOR
120,979

120,980 SAMUEL HOOPER.
ORE-CRUSHING MACHINES.

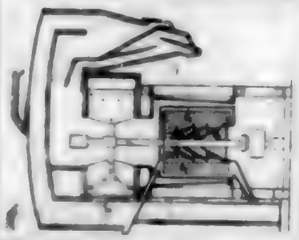
120,981 JOHNSTON AND JOHNSTON.
CONDENSING AND LIQUEFYING NITROUS OXIDE



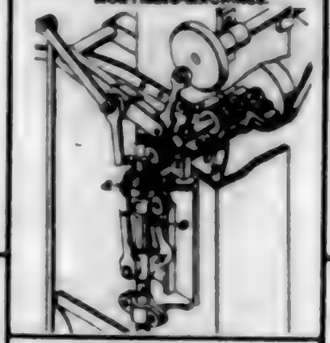
120,982 HENRY C. LOCKWOOD.
RAILWAY CAR-WHEELS.



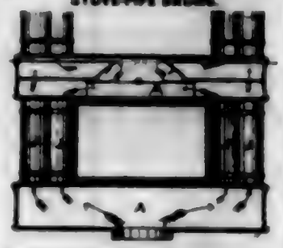
120,983 AARON J. HULL. PUMPS.



120,984 AUGUSTUS JORDAN.
APPARATUS FOR WATER-CLOSETS.

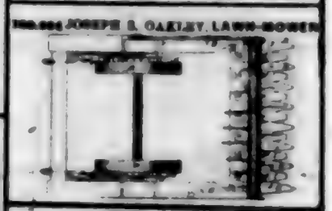


120,985 JOHN MADDY, GRAFTING-TOOLS.

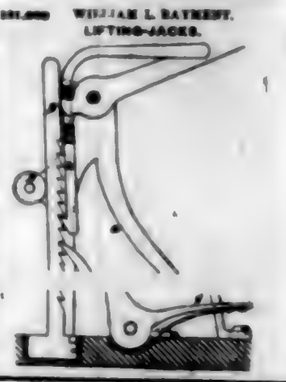


JAMES A. MALONEY.
SCORING AND DECORATING-MACHINES.

EYERS AND SMITH.
MORTISING-MACHINES.

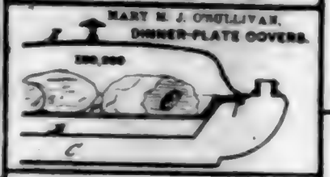


LEWIS BACHER.
STOVE-PIPE DRUMS.

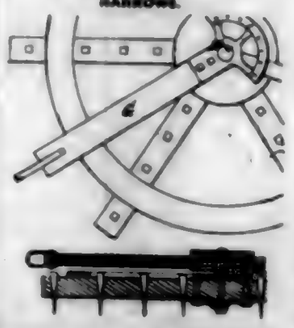


JOB HAINES.
WATCHMAKERS' CHUCKS.

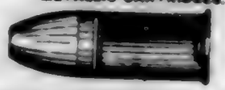
JOSEPH S. OAKLEY. LAWN-MOWER.



WILLIAM L. RATHBUN.
LIFTING-JACKS.



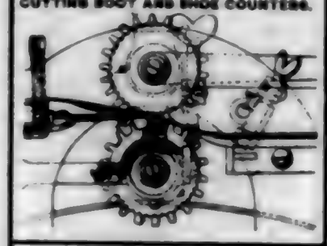
BENJAMIN F. MEADE. FENCES.



MARY M. J. O'SULLIVAN.
DINNER-PLATE COVERS.

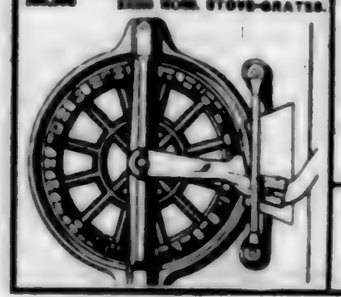
WILLIAM SEWSTON.
HARROWS.

HENRY METCALFE.
METALLIC CARTRIDGES.

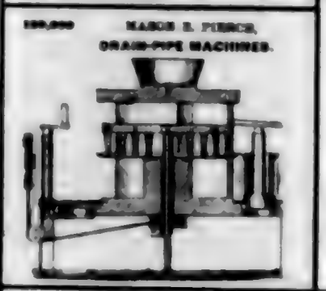


PHINEAS W. PHILLIPS.
CURTAIN-FIXTURES.

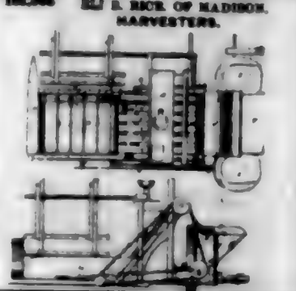
FREDERICK L. MILLER.
SOLDERING-APPARATUS.



SYLVANUS C. PHINNEY.
CUTTING BOOT AND SHOE COUNTERS.



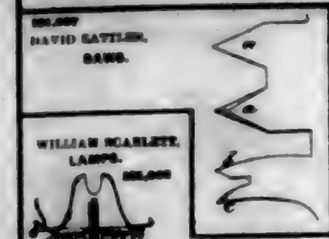
CHARLES E. HOE.
MAIN-SPRING ATTACHMENTS FOR WATCHES.



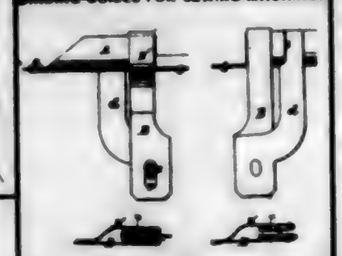
ISAAC WOOD. STOVE-GRATES.

MARSH S. PIERCE.
DRAIN-PIPE MACHINES.

ELI H. RICE OF MADISON.
HARVESTERS.



CLARK M. PLATT. BUTTONS.



JOHN D. SATER. LINE-HOLDERS.

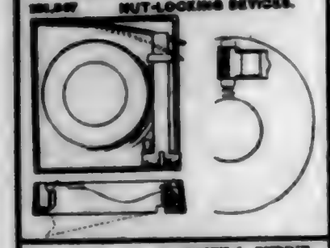
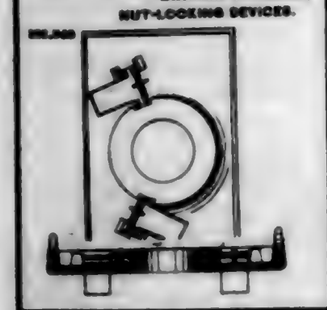
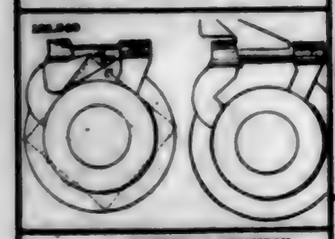
WOODEN PAVEMENTS.



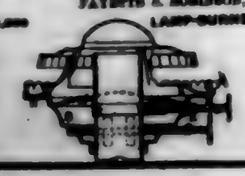
121,545 GILBERT STEWART PRIOR.
OIL-CANS.



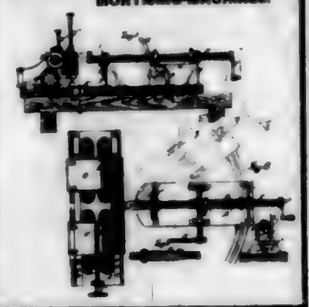
121,546 HADWEN L. PURDIE.
NUT-LOCKING DEVICES.

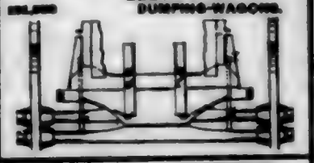


121,547 HADWEN L. PURDIE.
NUT-LOCKING DEVICES.

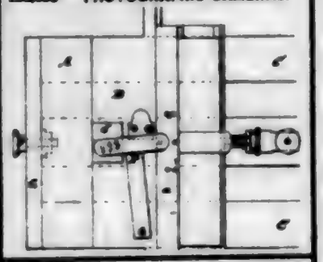


121,548 HADWEN L. PURDIE.
NUT-LOCKING DEVICES.

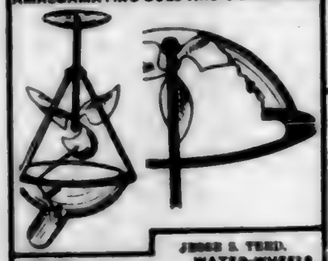




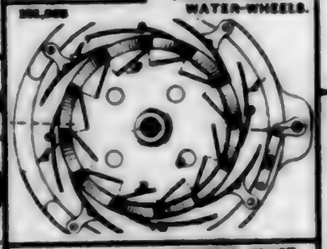
121,549 PATENTS A. ROBINSON.
LAMP-BURNERS.



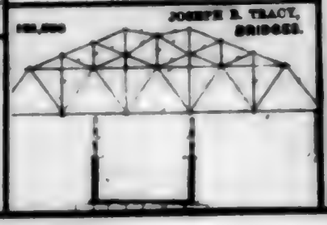
121,550 ENOCH J. ROWE.
MORTISING-MACHINES.



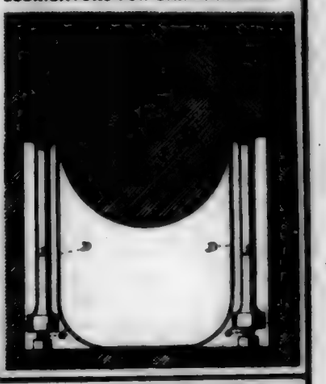
121,551 LEXOR B. SNOW.
DUMPING-WAGONS.



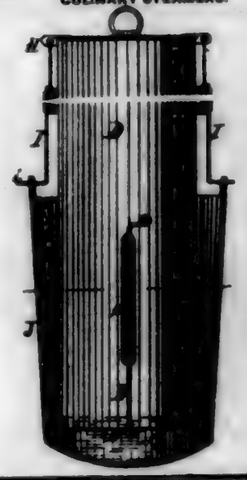
JOHN STOCK AND JACOB STOCK.
121,552 PHOTOGRAPHIC CAMERAS.



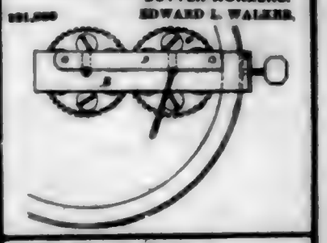
121,553 PERCIVAL T. G. STOCKMAN.
AMALGAMATING GOLD AND SILVER ORES.



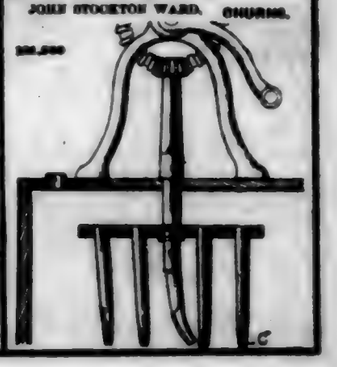
121,554 JESSE S. TEED.
WATER-WHEELS.



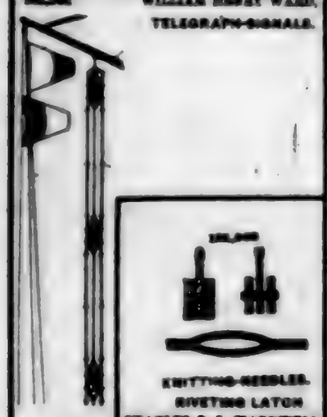
121,555 JOSEPH B. TRACY.
BRIDGES.



121,556 STEPHEN UNTICH.
LUBRICATORS FOR CAR-JOURNALS.



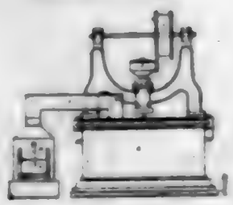
121,557 CHARLES H. WAHLGREN.
CULINARY STEAMERS.



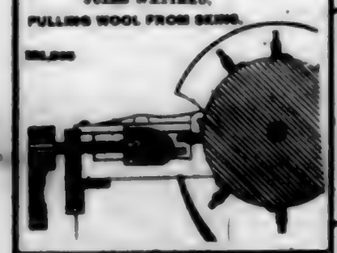
121,558 BUTTER-WORKERS.
EDWARD L. WALKER.

121,559 JOHN STOCKTON WARD. CHURNS.

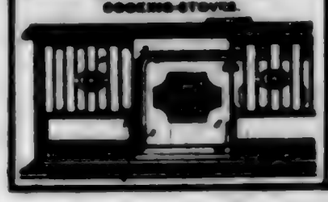
121,561 WILLIAM HENRY WARD, TELEGRAPH-SIGNALS.



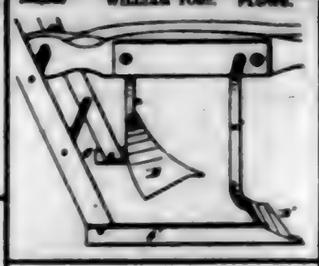
121,562 KNITTING-NEEDLES, RIVETING LATCH — CHARLES P. S. WARDWELL.



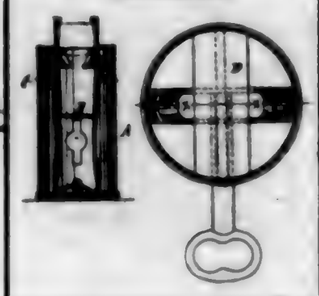
121,563 WARREN AND UNDERWOOD, JUMP-SEATS.



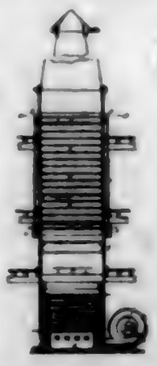
121,564 JULES WATTEAU, BLEACHING WOOL.



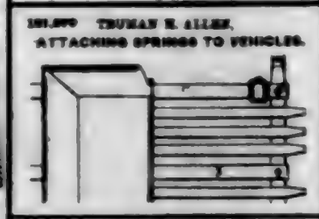
121,565 JULES WATTEAU, PULLING WOOL FROM SKINS.



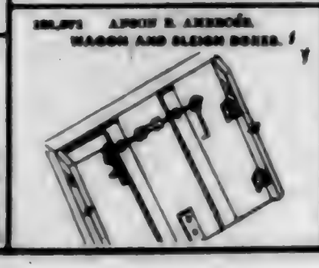
121,566 JEREMIAH A. WHATLEY, COOKING-STOVES.



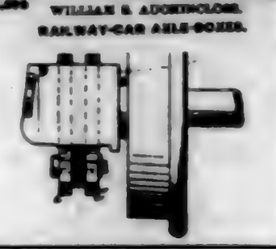
121,567 WILLIAM TOBY, PLOWS.



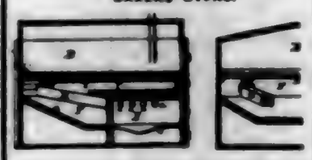
121,568 FRANK ADAMS, WHIP-SOCKETS.



121,569 CHARLES ALDEN, APPARATUS FOR DRYING AND PRESERVING ANIMAL AND VEGETABLE SUBSTANCES.

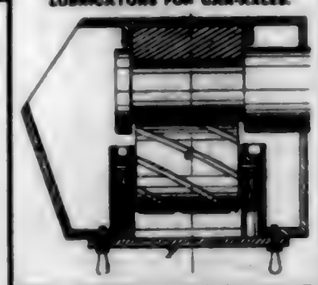


121,570 TRUMAN S. ALLEN, ATTACHING SPRINGS TO VEHICLES.

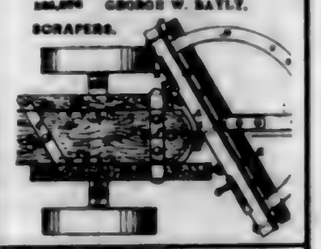


121,571 AARON S. ARNOLD, WAGON AND SLEIGH BOXES.

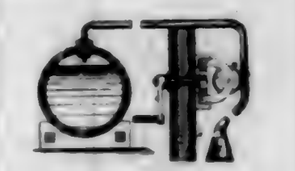
121,572 WILLIAM S. ADDINGTON, RAILWAY-CAR AXLE-BOXES.



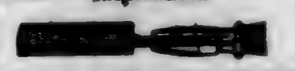
121,573 GEORGE B. BAILEY, BAKERS' OVENS.



121,574 WINTHROP BALL, JR., AXLES FOR VEHICLES.

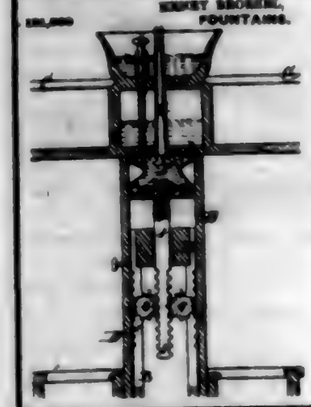


121,575 JOSEPH BARBER, LUBRICATORS FOR CAR-AXLES.

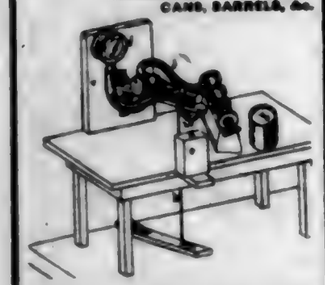


121,576 GEORGE W. BATLY, SCRAPERS.

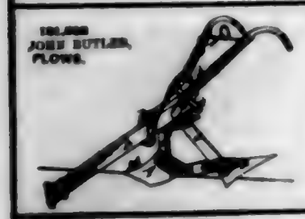
121,577 FRANZ BLUEMER, PRESERVING AND FORCING MEAT WITH COLD AIR.



121,578 CORNELIUS BLISS, JR., AND JOHN ALLEN, BROOM-HEADS.



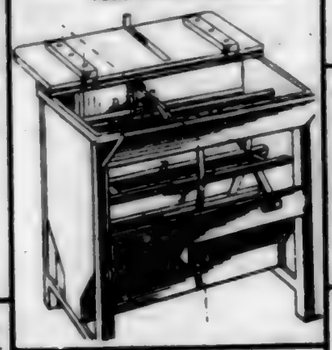
121,579 JAMES A. BOSTWICK, TAPS FOR OIL-CANS.



121,580 HENRY BROSIUS, FOUNTAINS.

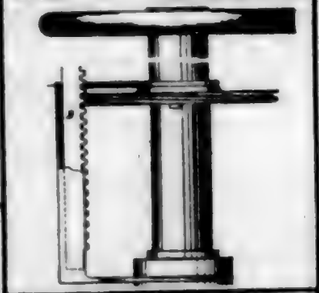
121,581 WILLIAM O. BROOKS, APPARATUS FOR TESTING CANS, BARRELS, &c.

121,582 JOHN BUTLER, PLOWS.

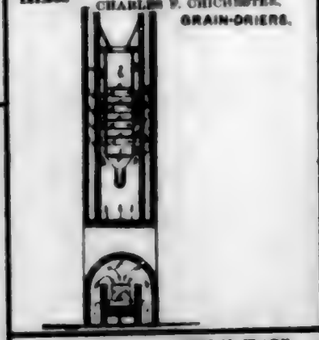


121,583 HENRY CAMPBELL, LAMP-BRACKETS OR SUPPORTS.

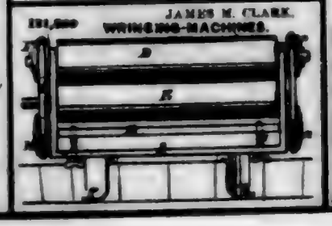
121,584 WILLIAM JAMES CAMPBELL, TICKET-HOLDERS.



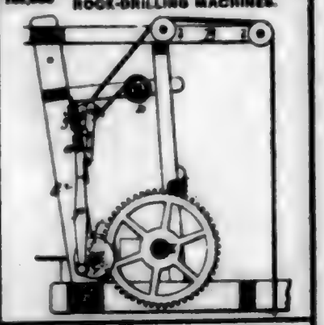
121,585 CHARLES EDWIN CANAL, FLOUR-BOLT VIBRATORS.



121,586 JOHN F. CAVARLY, PURIFYING ACETIC ACID.



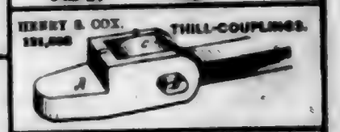
121,587 JOHN C. CHAPMAN, VALVE-INDICATORS.



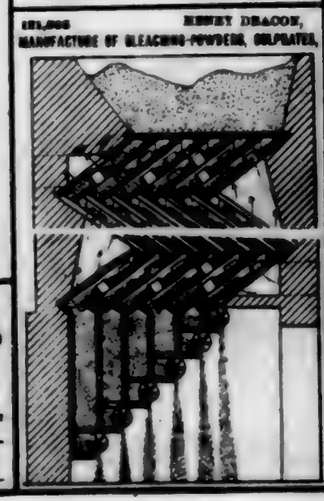
121,588 CHARLES F. CHICHESTER, GRAIN-DRIERS.

121,589 JAMES M. CLARK, WRINGING-MACHINES.

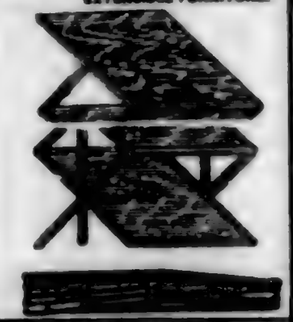
121,590 COATE AND JOHN, ROCK-DRILLING MACHINES.



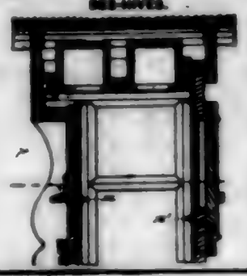
121,591 COTTON AND HAY PRESSES. EDWIN S. COLLINS.



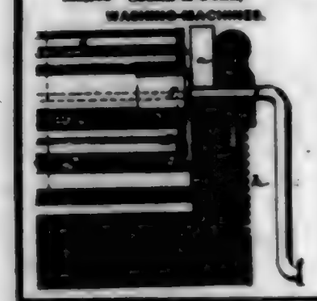
121,592 ABNER M. COMSTOCK, CHERRY-STONERS.



121,593 HENRY S. COX. THILL-COUPLINGS.

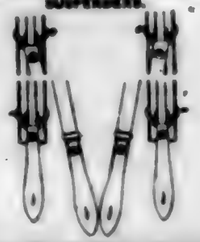


121,594 HENRY DRACOX, MANUFACTURE OF BLEACHING-POWDERS, SULPHATES,

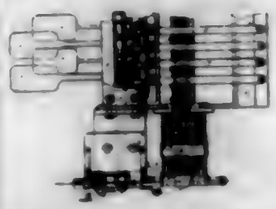


121,596 JOSEPH HAGEN DIETER, EXTENSIBLE FURNITURE.

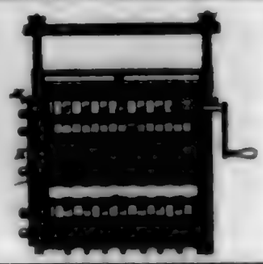
121,597 AARON F. DICKEY, BEE-HIVES.



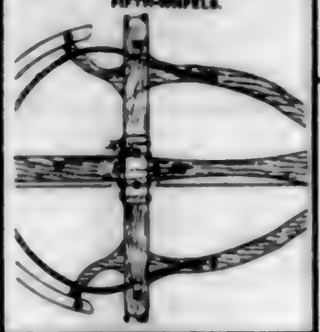
121,598 OSCAR L. DOBE, WASHING-MACHINES.



121,599 DENTAL FORCEPS. PERTRAM A. DURHAM.

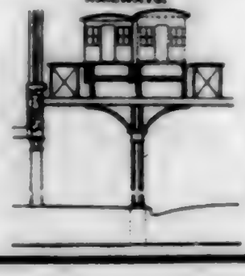


121,600 ROBERT HENRY HIGT, SUSPENDERS.



121,601 THOMAS A. EDISON, PERFORATING PAPER FOR TELEGRAPHIC PURPOSES.

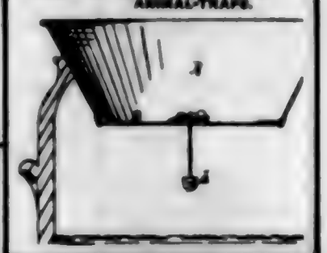
121,602 GEORGE H. FATMAN, MACHINES FOR PRINTING HAM-TAGS.



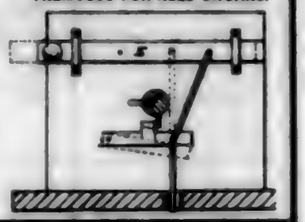
121,603 AMARIAH FINLEY, FIFTH-WHEELS.

121,604 MILES FINK, CHURNS.

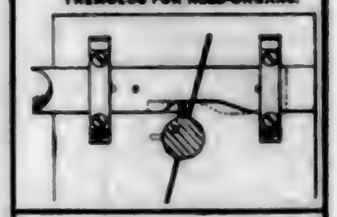
121,605 DANIEL FITZGERALD, RAILWAYS.



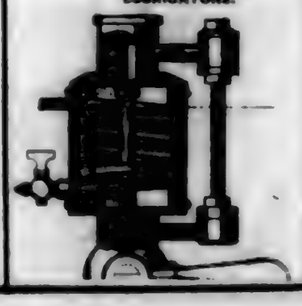
121,606 FOSSEARD AND WADSWORTH, METALLIC CARTRIDGES.



121,607 VINCENT FOUNTAIN, JR., DUNDA.



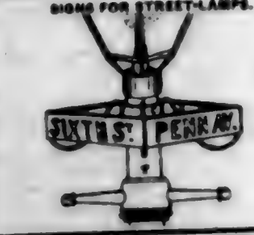
121,608 DUDLEY M. FRANCISCO, ANIMAL-TRAPS.



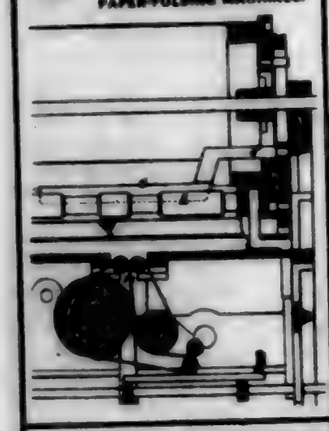
121,609 LEVI E. FULLER, TREMOLOS FOR REED ORGANS.

121,610 LEVI E. FULLER, TREMOLOS FOR REED-ORGANS.

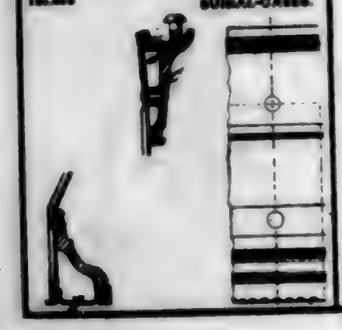
121,611 WILLIAM T. GARRATT, LUBRICATORS.



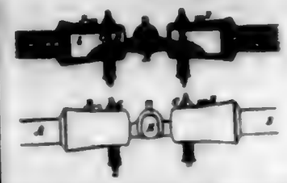
121,612 ALPHONSO B. GORDON, GRAIN-CARS.



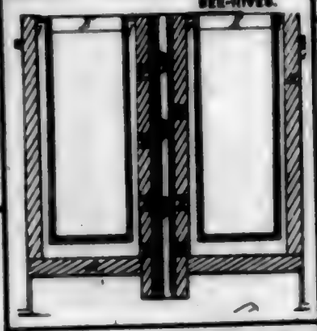
121,613 MARQUIS L. GORMAN, CULTIVATORS.



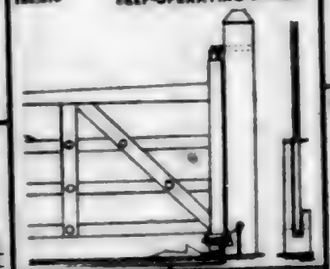
121,614 GRAHAM, SNYDER, AND O'BRIEN, SIGNS FOR STREET-LAMPS.



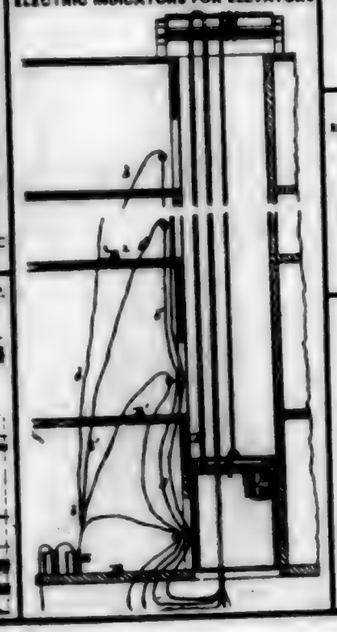
121,615 RICHARD B. GUBBINS, PAPER-FOLDING MACHINES.



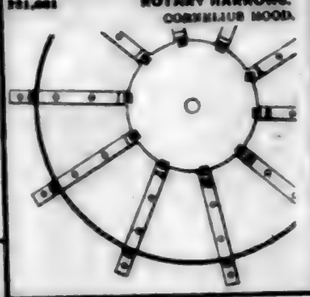
121,616 JOSEPH HACKETT, BURIAL-CASES.



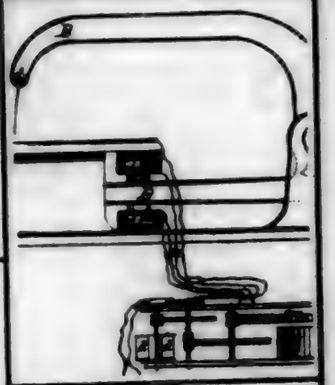
121,617 HALLETT AND BALLETT, CAR-COUPLINGS.



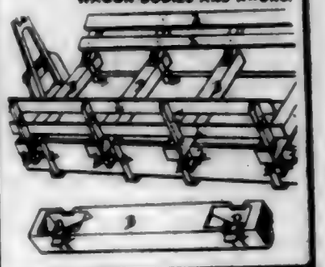
121,618 JASPER N. HIERONYMUS, BEE-HIVES.



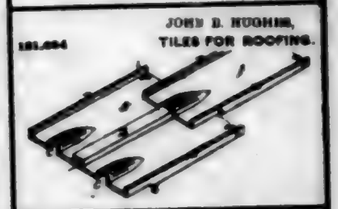
121,619 ALBERT H. HOLMES, SELF-OPERATING GATES.



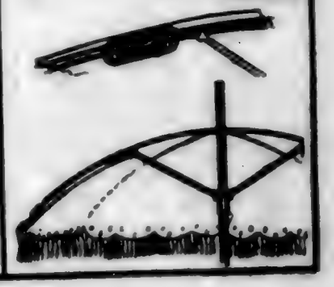
121,620 EDWIN HOLMES, ELECTRIC INDICATORS FOR ELEVATORS.



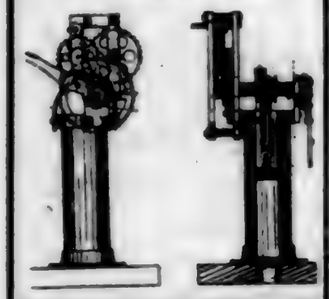
121,621 ROTARY HARROWS. CORNELIUS HOOD.



121,622 GEORGE M. HOPKINS, ELECTRO-MAGNETIC SEWING-MACHINES.

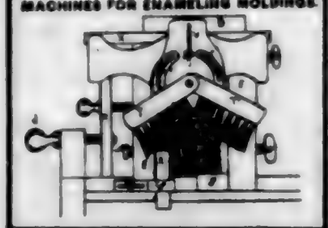


121,623 ISAAC H. HOTT, WAGON-BODIES AND RACKS.

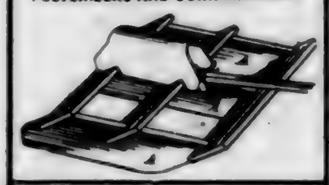


121,624 JOHN D. HUGHES, TILES FOR ROOFING.

121,625 JAMES LOUIS JACQUIN, PARASOLS.



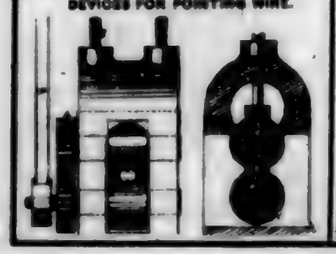
121,626 THOMAS B. JEFFERY.
PNEUMATIC MOTORS.



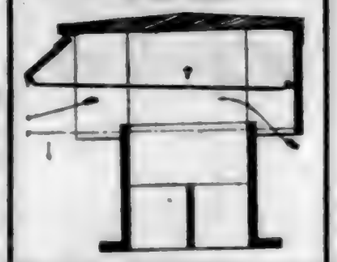
121,627 EPHRAIM S. JOHNSON.
ORNAMENTING PENCIL-CASES.

121,628 JOHN JOHNSON.
MACHINES FOR ENAMELING MOLDINGS.

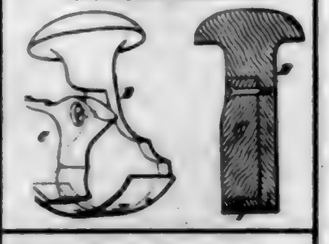
121,629 THOMAS BROWN JONES.
PULVERIZERS AND CORN-MARKERS.



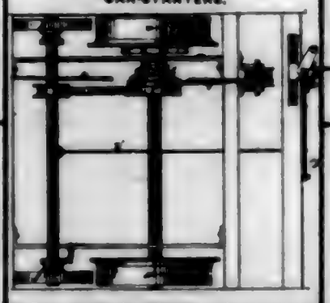
KABBOW AND KABBOW. GLOVES.
121,630



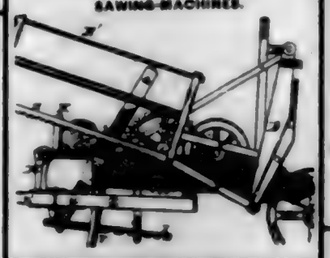
121,631 SIMON H. KENNEDY.
EXTRACTS FROM HEMLOCK BARK.



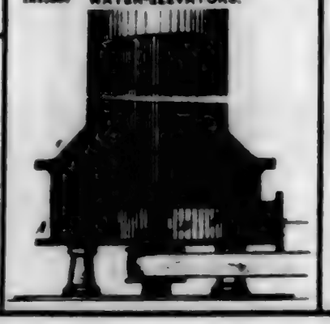
121,632 ROBERT KENT.
DEVICES FOR POINTING WIRE.



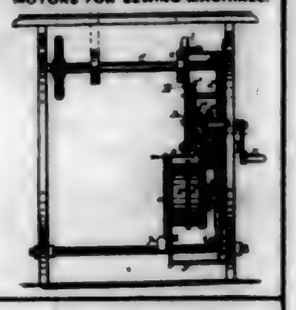
121,633 THOMAS KITCHEN.
CHIMNEY-TOPS.



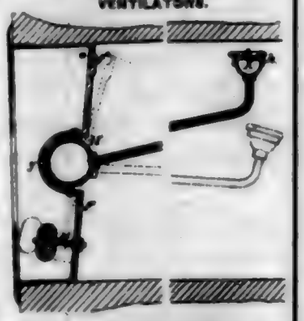
121,634 HERVEY KIMBALL.
STENCILING APPARATUS.



121,635 CHARLES P. LEAVITT.
CAR-STARTERS.

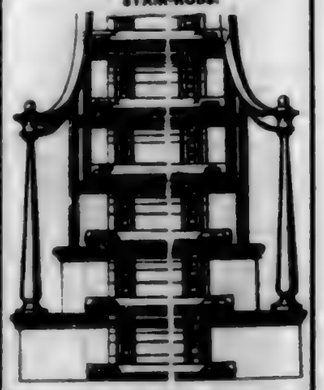


121,636 IRA B. LEWIS.
SAWING-MACHINES.

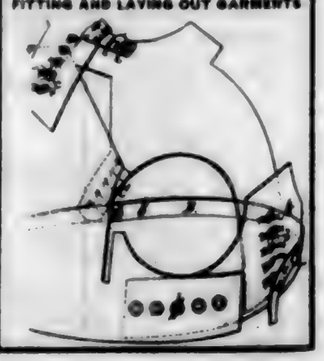


121,637 THOMAS J. LOVEGROVE.
WATER-ELEVATORS.

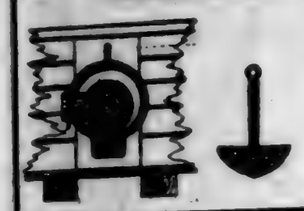
121,638 GEORGE W. MANSON.
MOTORS FOR SEWING-MACHINES.



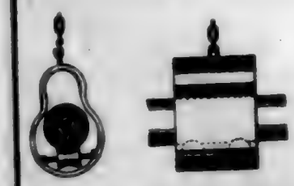
121,639 AMBROSE MARRIOTT.
VENTILATORS.



121,640 WILLIAM S. MARSH.
PRESERVING EGGS.

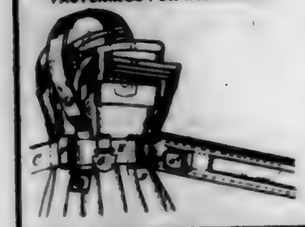


121,641 HENRY C. MARSTON.
STAIR-RODS.

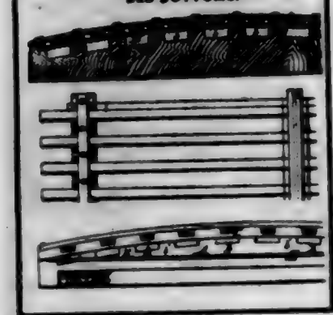


121,642 WILLIAM H. MAYER.
FITTING AND LAYING OUT GARMENTS

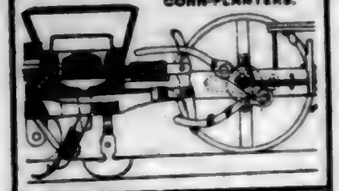
121,643 GEORGE MELVILLE McCLAIN.
TRAVELERS FOR VESSELS.



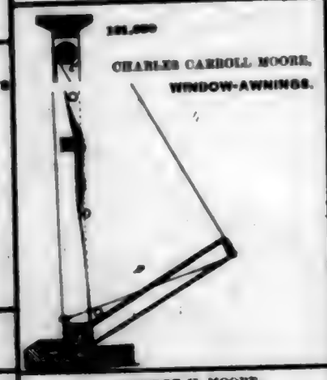
121,644 WILLIAM S. McCLURE.
STIRRUPS FOR CART AND DRAY SHAFTS



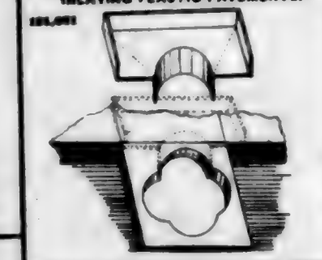
121,645 JOHN McDONALD.
HARDENING IRON AND STEEL.



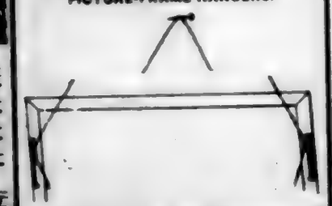
121,646 THOMAS McGRANE.
FASTENINGS FOR MAIL-BAGS.



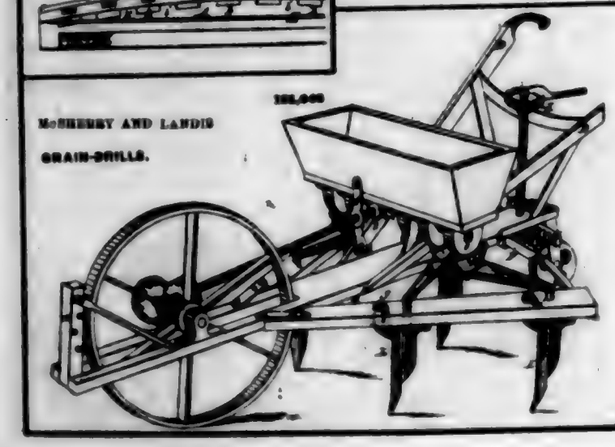
121,647 ALONZO D. McMASTER.
BED-BOTTOMS.



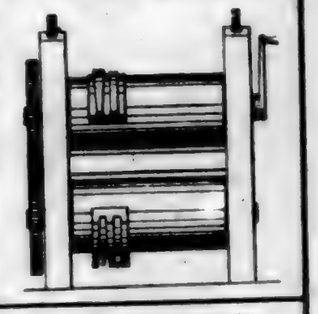
121,648 EDWIN JAMES MYERS.
CORN-PLANTERS.



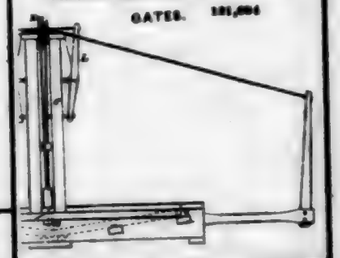
121,649
CHARLES CARROLL MOORE.
WINDOW-AWNINGS.



GEORGE M. MOORE.
INLAYING PLASTIC PAVEMENTS.
121,650



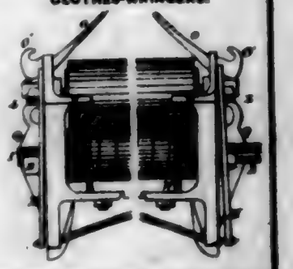
121,651 CHARLES H. MOULTON.
PICTURE-FRAME HANGERS.



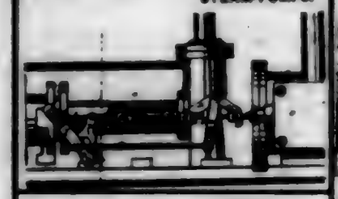
McSHERRY AND LANDIS
121,652
GRAIN-DRILLS.

121,653 SAMUEL C. MURDOCH.
ROLLING HARROW-TEETH.

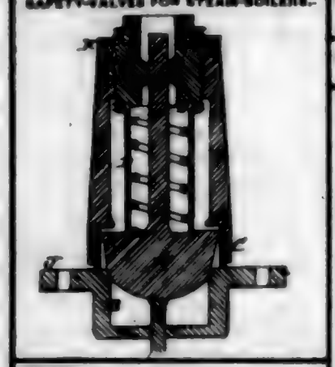
VINCENT CAMPBELL NEWLAND.
GATES. 121,654



121,655 JOHN P. OETH.
REFRIGERATORS.

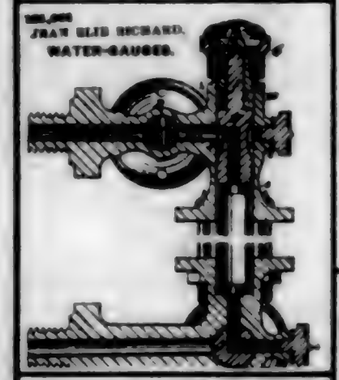


121,656 SAMUEL A. OTIS.
DRAFT-POLES FOR HORSE-CARS.

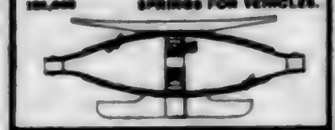


121,657 PALMER AND PALMER.
CLOTHES-WRINGERS.

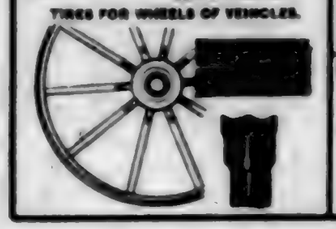
121,658 ALBERT PERRY, STEAM-PUMPS.



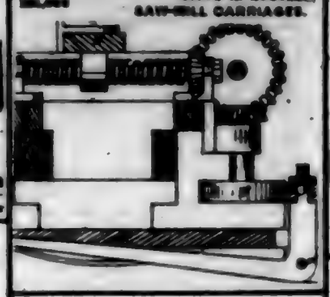
121,659 ANDREW J. PRESCOTT, SAFETY-VALVES FOR STEAM-BOILERS.



121,660 GEORGE W. PUTNAM CAR-COUPLINGS.



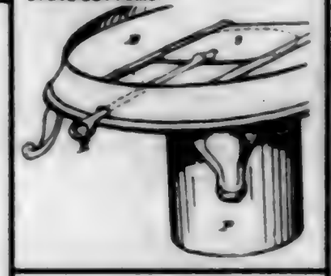
121,661 JEAN ELIE RICHARD, WATER-GAUGES.



121,662 LEWIS HUNTER, SPRINGS FOR VEHICLES.

121,663 LEWIS HUNTER, TIRES FOR WHEELS OF VEHICLES.

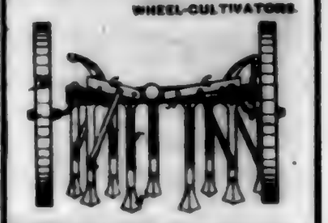
121,664 TITUS H. RUSSELL, SAW-MILL CARRIAGES.



121,665 E. DELMAR DE HAYS SAINT CUR, COFFEE-ANTIDOTES.

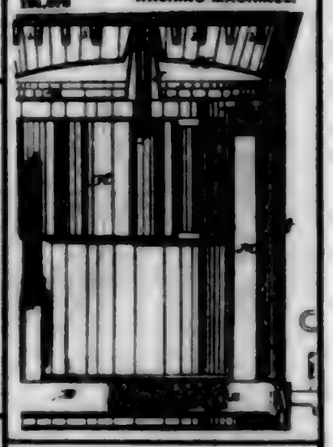
121,666 SCHROEDER AND WURST, LIFE-DETECTORS FOR COFFINS.

121,667 DANIEL SCHUYLER, STOVE-BOTTOMS.

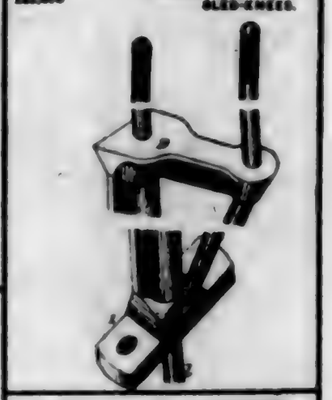


121,668 HATS OR BONNETS. DAVID SCHNEIDER.

121,669 THEODORE SHARING, FRUIT AND VEGETABLE PARERS.

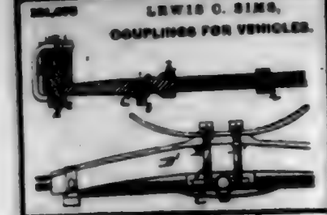


121,670 THOMPSON C. BERRING, WHEEL-CULTIVATORS.

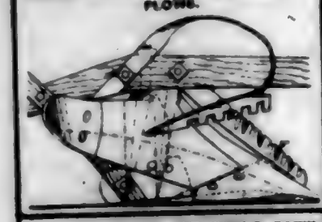


121,671 JOHN A. SHANNON, PAPER-FILES.

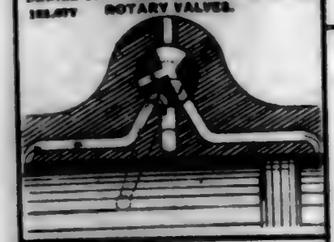
121,672 BRIGHAM, WASHING-MACHINES.



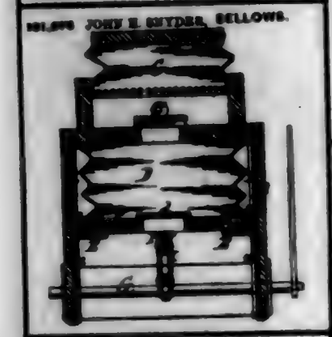
121,673 ALBERT L. SHEARS, SLED-KNEES.



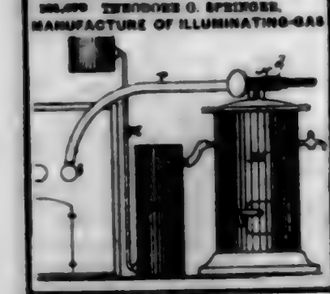
121,674 CHARLES SHERRIFF, IMITATION HAIR-CLOTHS.



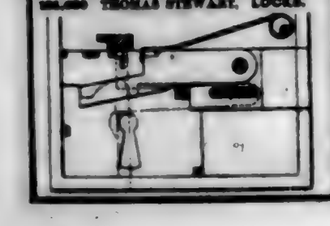
121,675 LEWIS C. SIMS, COUPLINGS FOR VEHICLES.



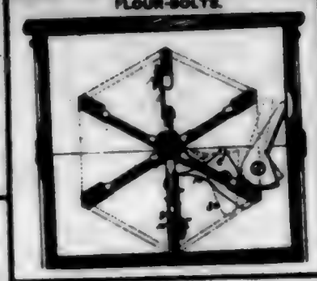
121,676 JUSTUS MALANCEH SMITH, PLOWS.



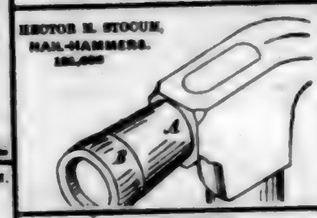
121,677 DANIEL BROWNELL AND JOHN D. BOWN, ROTARY VALVES.



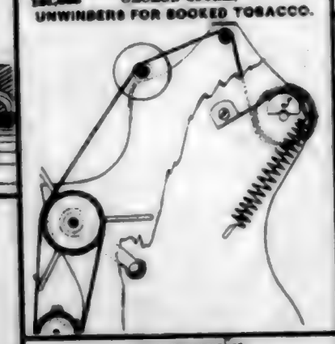
121,678 JOHN H. SNYDER, BELLOWS.



121,679 THEODORE G. SPERGEL, MANUFACTURE OF ILLUMINATING-GAS

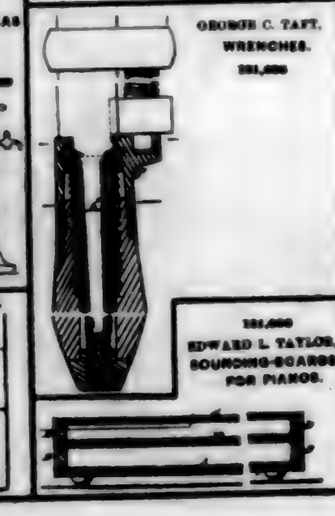


121,680 THOMAS STEWART, LOCKS.



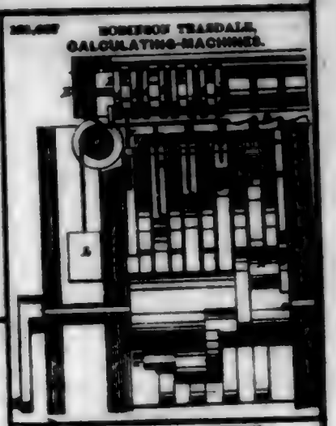
121,681 ROSWELL H. ST. JOHN, FLOUR-BOLTS.

121,682 HECTOR H. STOCUM, NAIL-HAMMERS.



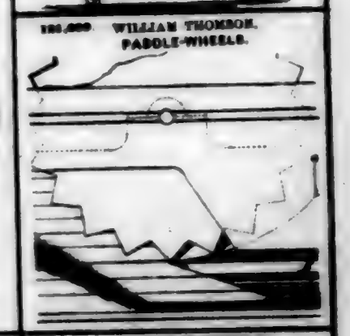
121,683 GEORGE STORM, UNWINDERS FOR BOOKED TOBACCO.

121,684 JOHN SULLIVAN, DEVICES FOR ADMINISTERING PILLS.

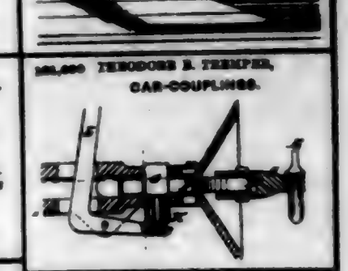


121,685 GEORGE C. TAFT, WRENCHES.

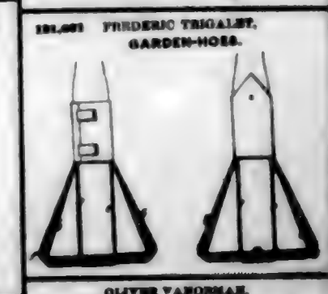
121,686 EDWARD L. TAYLOR, SOUNDING-BOARDS FOR PIANOS.



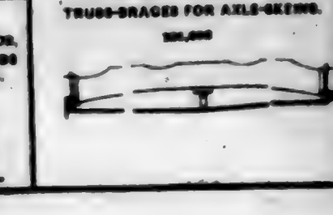
ROBERSON TRASDALE, CALCULATING-MACHINES.



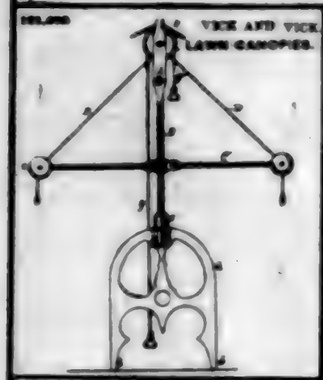
THOMPSON AND COLEMAN, SUPPORTING AND LOWERING COFFINS.



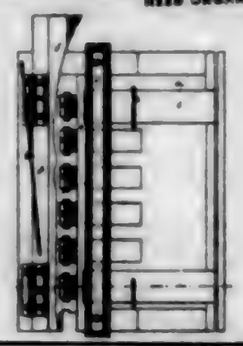
121,688 WILLIAM THOMSON, PADDLE-WHEELS.



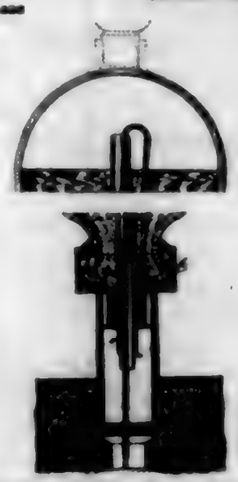
121,689 THEODORE B. TREMPER, CAR-COUPLINGS.



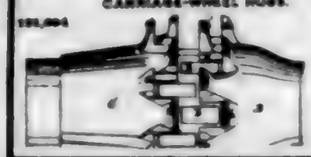
121,691 FREDERIC TRIGALET, GARDEN-HOSE.



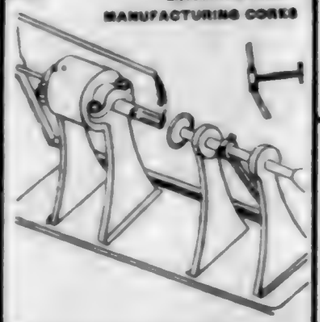
OLIVER VANORMAN, TRUSS-BRACES FOR AXLE-SKEINS.



121,693 VICK AND VICK. LAWN CANOPIES.

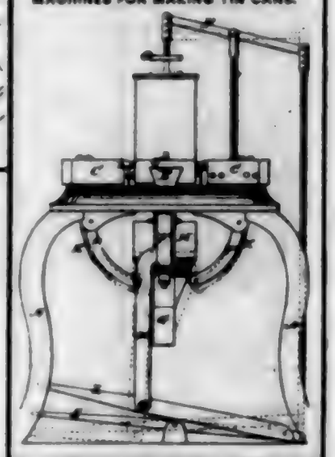


121,694 GEORGE W. WOODRUFF. REED ORGANS.



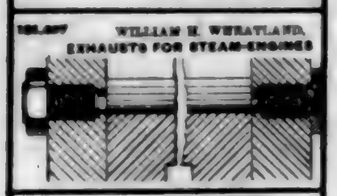
4,660 JOHN B. WICKERSHAM. LUBRICATORS.

121,695 HOLLAND E. VICK. CARRIAGE-WHEEL HUBS.

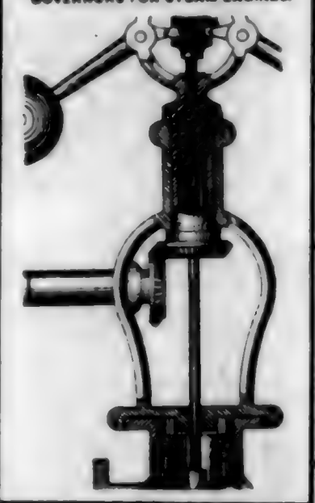


4,661 MARY F. CROCKER. MACHINES FOR MANUFACTURING CORKS

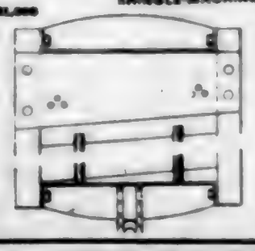
121,696 FELIX WALKER. SASH-HOLDERS.



4,662 RUPHALET W. [illegible] MACHINES FOR MAKING TIN CANS.

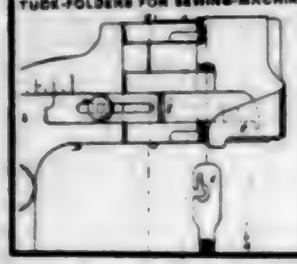


121,697 WILLIAM GEORGE WEBB. ORNAMENTATION OF GLASS. CONDENSED-STEAM

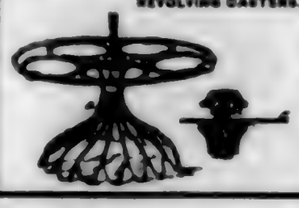


121,698 WILLIAM H. WHEATLAND. EXHAUSTS FOR STEAM-ENGINES

4,663 JUNIUS JUDSON. GOVERNORS FOR STEAM-ENGINES.



121,699 JULIUS P. WILDER. SHINGLE-MACHINES.

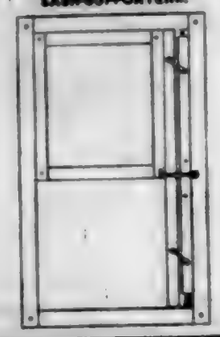


4,664 HALVOR HALVORSON. LAMPS.

121,700 WOODBURY AND WOODBURY. TUCK-FOLDERS FOR SEWING-MACHINES.

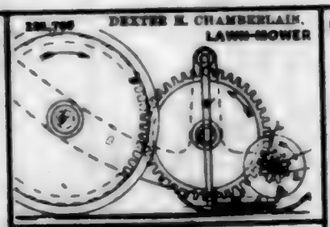
4,665 4,667 CYRUS H. LATHAM AND JOHN S. LUDD. REVOLVING CASTERS.

4,666 BENJAMIN W. HEALEY IRON TENDER-FRAMES.



4,668 CHARLES McBURNEY. VULCANIZED-RUBBER BELTINGS.

4,669 CHARLES H. WILLCOX. SEWING-MACHINE NEEDLES.



ILLUSTRATIONS OF PATENTS
ISSUED FROM
THE UNITED STATES PATENT OFFICE
DECEMBER 12, 1871.

121,701 WILLIAM HAMMOND BROWN. SASH-SUPPORTERS.

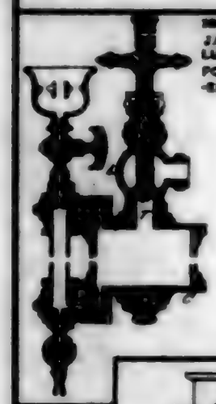
JOHN A. GERHART.
WAGON-BRAKES.

ANDREW S. HALLIDIE.
ENDLESS ROPE-WAYS.

WILLIAM EVERS.
BAGATELLE GAMES AND APPARATUS.

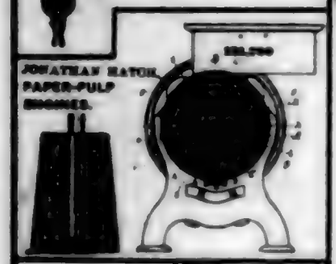
HENRY S. GILLETTE.
MACHINES FOR SAWING STONE.

HENRY W. HAMILTON.
HAY-LOADERS.



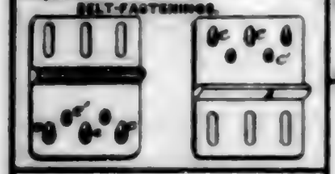
CARL FOGELBERG.
KEY-BOARDS FOR REED AND PIPE ORGANS.

VITRUVIUS FRASER.
COMBINED LATCHES AND LOCKS.

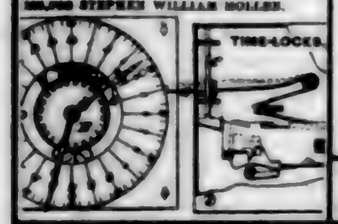


HARRY C. GOODRICH.
CORDING ATTACHMENTS FOR SEWING-MACHINES.

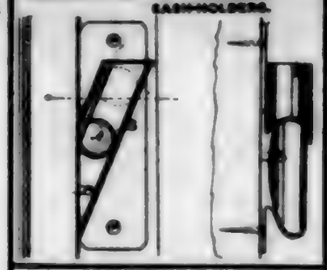
EMMONS HAMLIN.
KEY-BOARD MUSICAL INSTRUMENTS.



121,770 JAMES HARPER. LUBRICATORS FOR STEAM-ENGINES.



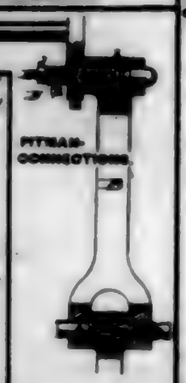
121,771 JONATHAN HATCH. PAPER-PULP ENGINES.



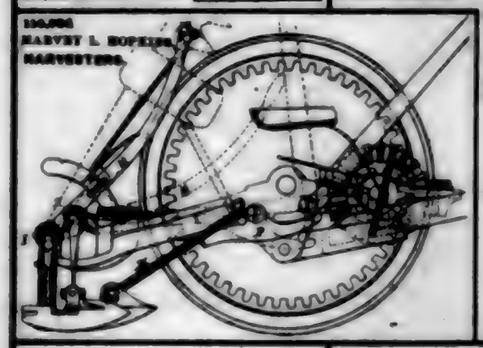
121,772 JOHN W. HICKS. BELT-FASTENINGS.

121,773 STEPHEN WILLIAM HOLLIS. TIME-LOCKS.

121,774 HUBBARD AND HUBBARD. SASH-HOLDERS.



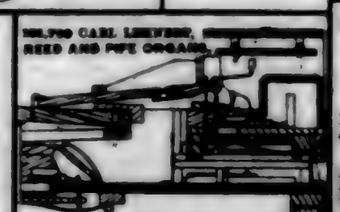
121,775 JOHNSON AND BOTTNER. TRUNK-LID SUPPORTS.



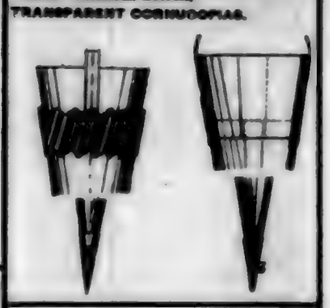
121,776 ALBERT D. JUDD. MATCH-BOXES.

121,777 ANSON KINGSLEY.

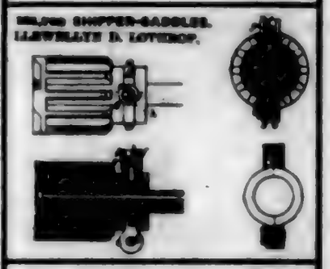
121,778 MARVEL L. HOPKINS. HARVESTERS.



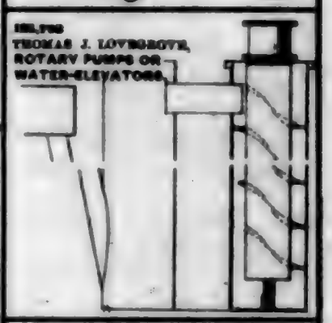
121,779 PITMAN. CONNECTIONS.



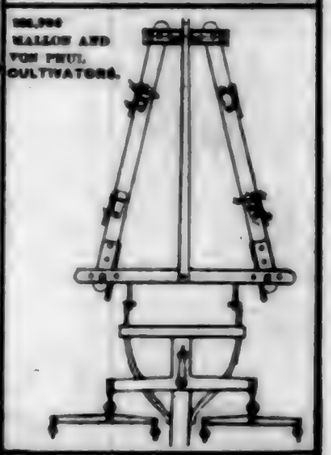
121,780 JOHN HOLMES. HORSE-RAKES.



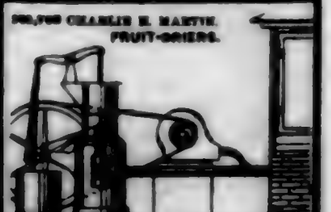
121,781 CARL LINDBERG. REED AND PIPE ORGANS.



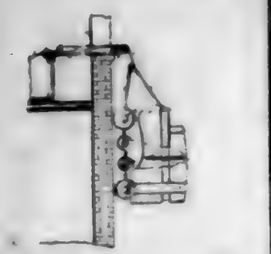
121,782 WILLIAM LOSEE. TRANSPARENT CORNUCOPIAS.



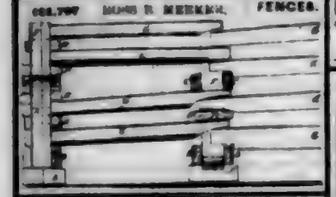
121,783 SHIPPER-SADDLER. LLEWELLYN D. LOVERIDGE.



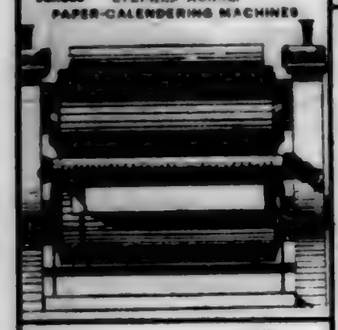
121,784 THOMAS J. LOVERIDGE. ROTARY PUMPS OR WATER-ELEVATORS.



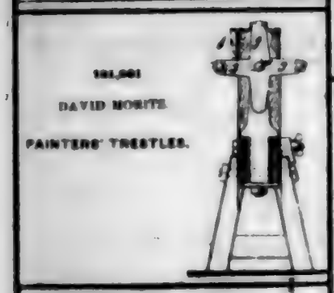
121,785 MALLON AND VON PHUL. CULTIVATORS.



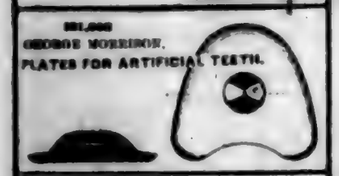
121,786 CHARLES H. MARTIN. FRUIT-DRIERS.



121,796 GEORGE D. M'CULLEN. PORTABLE FIRE-ESCAPES.

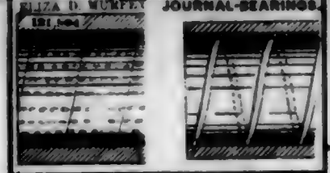


121,797 MOSES B. MEEKER. FENCES.



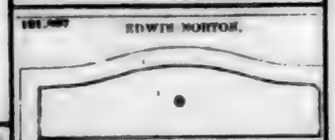
121,798 STEPHEN MOORE. PAPER-CALENDERING MACHINES.

121,799 DAVID MORITZ. PAINTERS' TRESTLES.

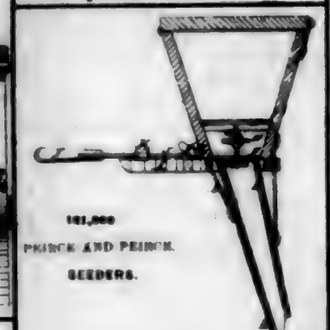


121,800 GEORGE MORRISON. PLATES FOR ARTIFICIAL TEETH.

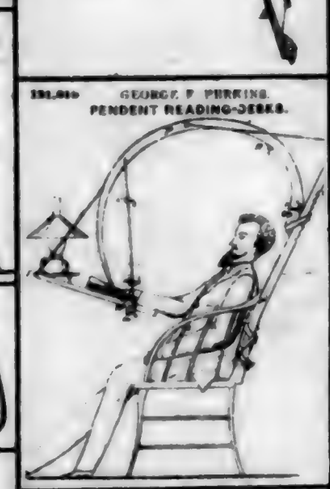
121,801 FRANCIS B. MORSE. DIES FOR MAKING CARRIAGE-STEPS.



121,802 ELIZA D. MURPEY. JOURNAL-BEARINGS.



121,803 ELIZA D. MURPEY. PACKINGS AND BEARINGS.

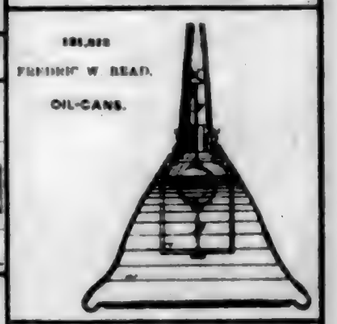


121,804 EDWIN MORTON. DIES FOR MAKING BLANKS FOR STOVE-PIPE ELBOWS.

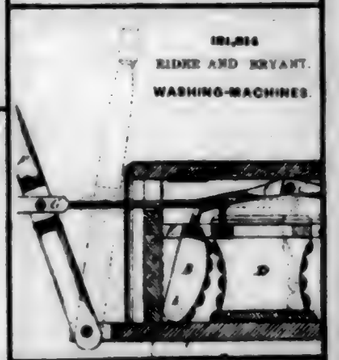
121,805 ALVIN PAYNE. METALLIC CARTRIDGES.

121,806 PRINCE AND PRINCE. SEEDERS.

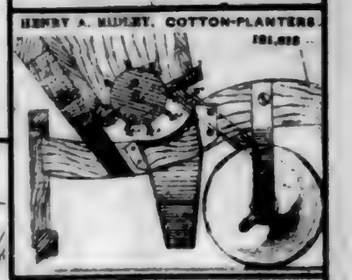
121,807 GEORGE F. PERRINE. PENDENT READING-DESKS.



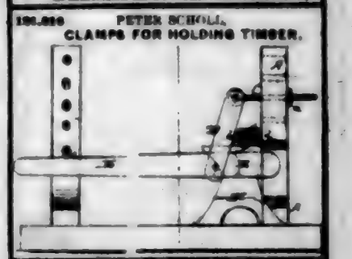
121,808 PERRINO AND PERRINO. BRUSHES.



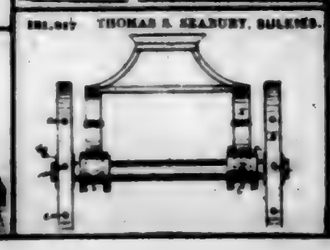
121,809 JOHN W. PLOUFF. WASH-BOILERS.



121,810 FREDRIC W. READ. OIL-CANS.

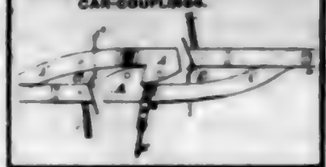


121,811 RIDER AND BRYANT. WASHING-MACHINES.

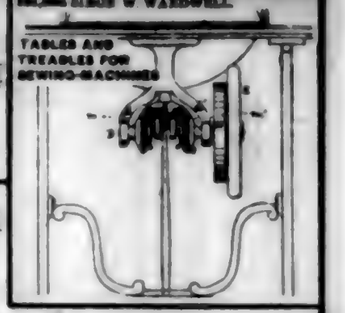


121,812 HENRY A. RIDLEY. COTTON-PLANTERS.

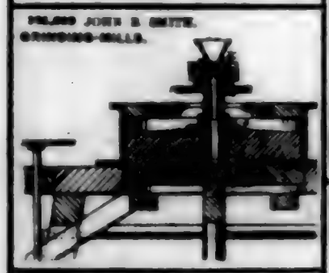
121,813 PETER SCHOLL. CLAMPS FOR HOLDING TIMBER.



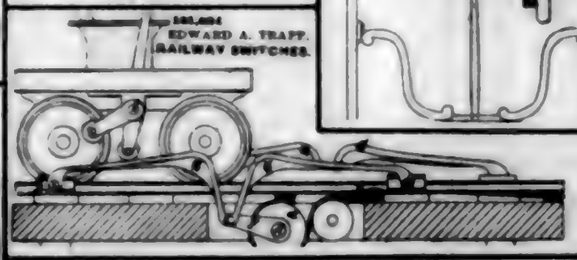
121,814 THOMAS S. SEABURY. BULKHEADS.



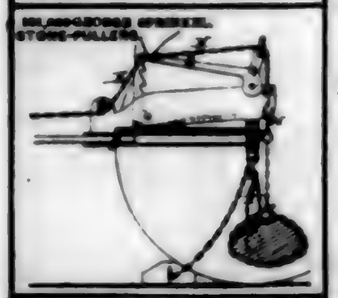
121,818 FRANCIS M. HEWSON. RIDING-SADDLES.



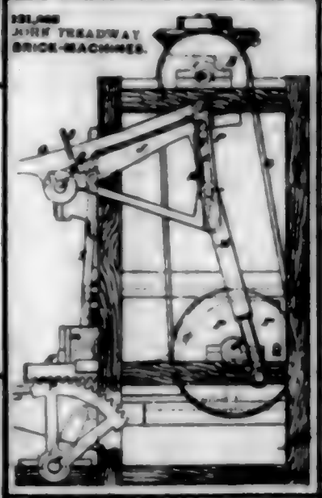
121,819 JOSEPH B. TRACY. CAR-COUPLINGS.



121,820 GIDEON W. WARDWELL. TABLES AND TREADLES FOR SEWING-MACHINES.



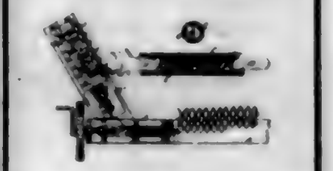
121,821 JOHN B. SMITH. GRINDING-MILLS.



121,822 EDWARD A. TRAPP. RAILWAY SWITCHES.

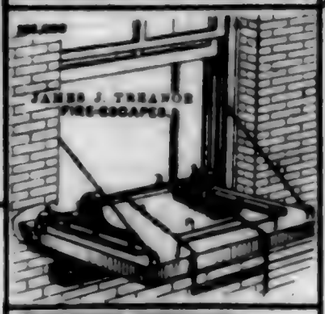
121,823 GEORGE SPENCER. STONE-PULLERS.

121,824 JOHN TREADWAY. BRICK-MACHINES.

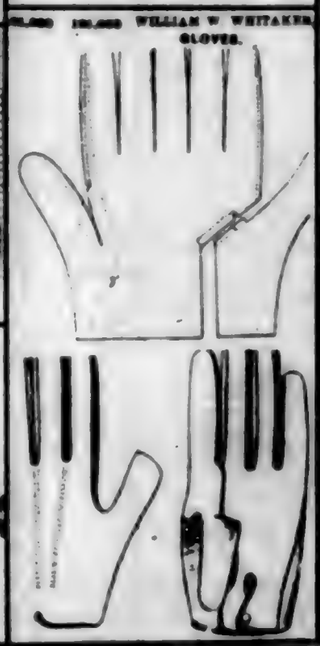


121,825 WILLIAM H. WATERBURY. HAT-SWEATS FROM WATER-PROOF PAPER.

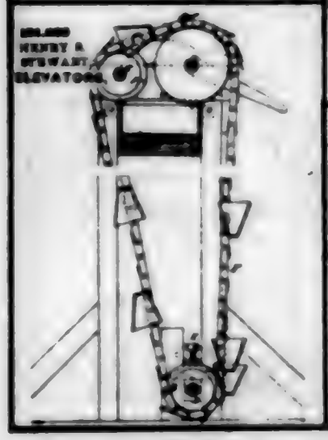
121,826 WATSON AND ORR. LOOM-SHUTTLES.



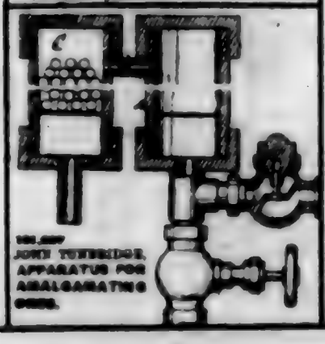
121,827 FREDERICK C. CHARLES WEBB. RAISING WIRE-NETTINGS.



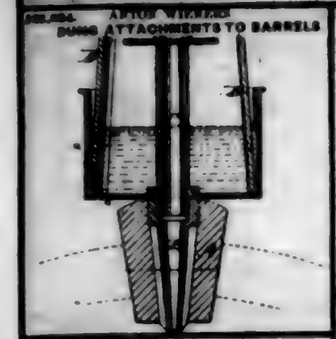
121,828 CHARLES J. STEVENSON. CORE-RETAINER FOR TUBULAR ROCK-DRILLS.



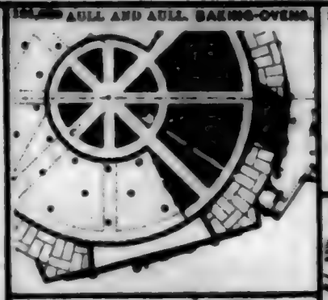
121,829 JAMES J. TREANOR. FIRE-ESCAPES.



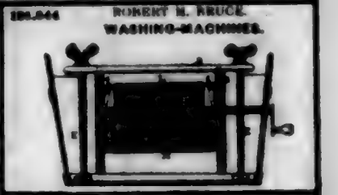
121,830 WILLIAM W. WHITAKER. GLOVES.



121,831 HENRY A. STEWART. ELEVATORS.



121,832 JOHN TUDERIDGE. APPARATUS FOR AMALGAMATING GOLD.

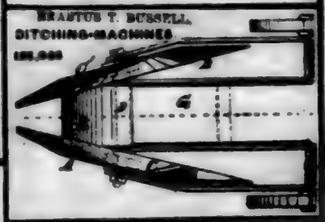


121,834 ALTON WIXSON. BUNG ATTACHMENTS TO BARRELS

121,835 AULL AND AULL. BAKING-OVENS.

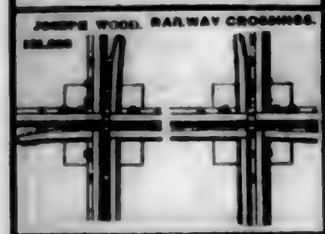
121,836 ROBERT M. BRUCE. WASHING-MACHINES.

121,837 ERASTUS T. BUSSELL. CEILING ORNAMENTS.

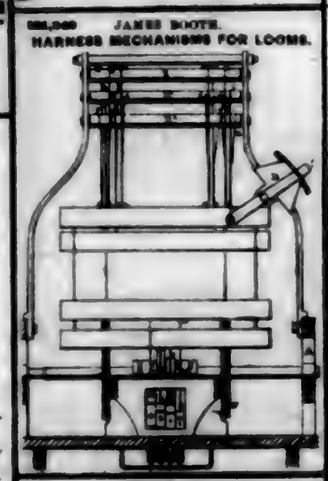


121,838 OLIVER F. WILCHESTER. SWIVEL-LOOPS FOR FIRE-ARMS.

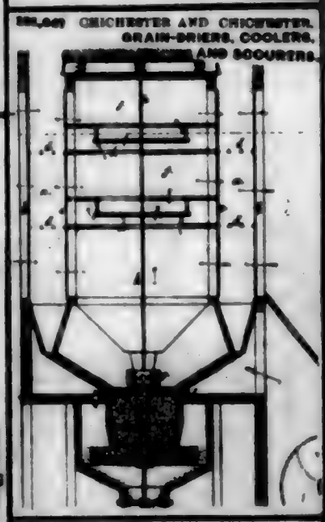
121,839 HENRY A. BATHURST. BEE-HIVES.



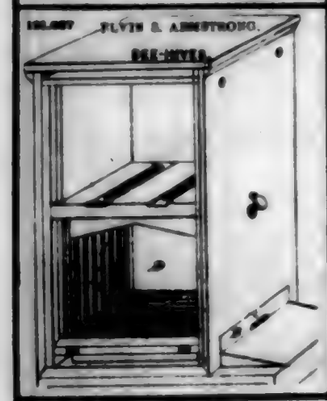
121,840 ERASTUS T. BUSSELL. DITCHING-MACHINES.



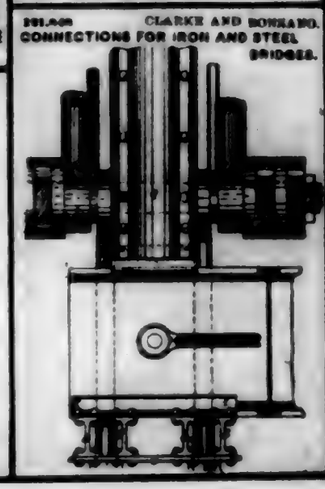
121,841 BERNUT AND BAESCH. FASTENING CARRIAGE-WHEELS.



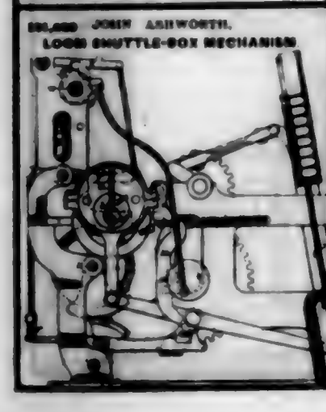
121,842 JOSEPH WOOD. RAILWAY CROSSINGS.



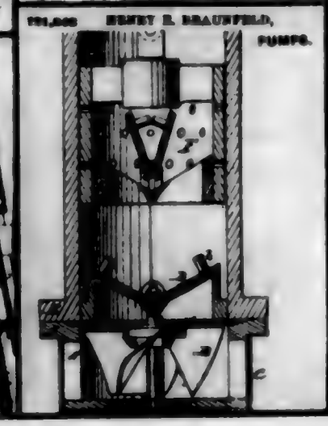
121,843 JAMES BOOTH. HARNESS MECHANISMS FOR LOOMS.



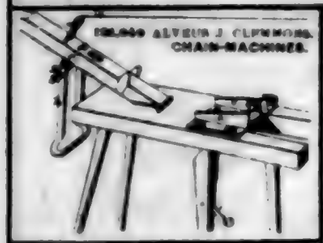
121,844 CHICHESTER AND CHICHESTER. GRAIN-DRIERS, COOLERS, AND SCOURERS.



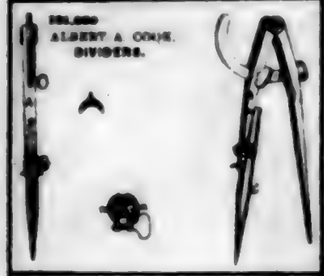
121,845 FLYNN S. ARMSTRONG. BEE-HIVES.



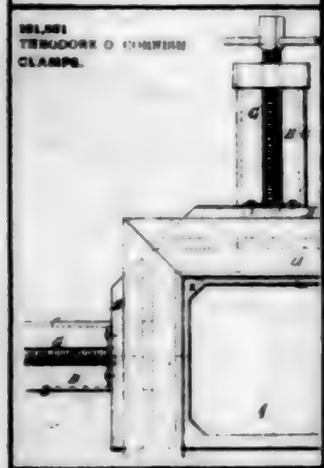
121,846 CLARKE AND HOWARD. CONNECTIONS FOR IRON AND STEEL BRIDGES.



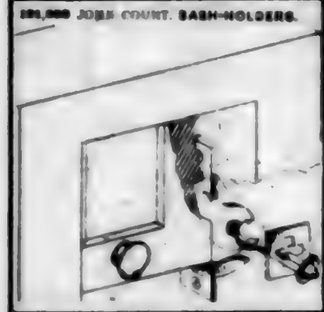
121,847 JOHN ASHWORTH. LOOM SHUTTLE-BOX MECHANISM



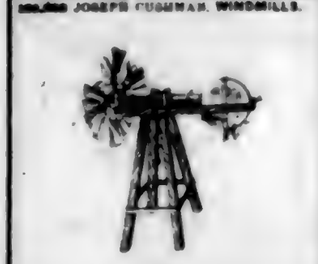
121,848 HENRY R. BRAUNFELD. PUMPS.



121,849 ALVEUS J. CLEMMONS. CHAIN-MACHINES.

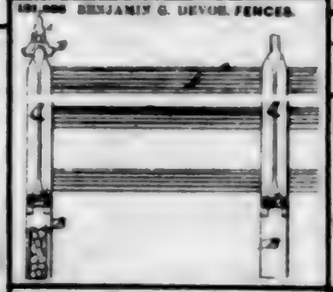


121,850 ALBERT A. ODLE. DIVIDERS.

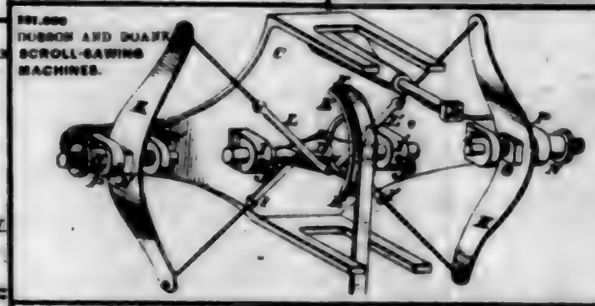


121,851 THEODORE O. CHERRY. CLAMPS.

121,852 JOHN COUNT. SASH-HOLDERS.



121,853 JOSEPH CUSHMAN. WINDMILLS.



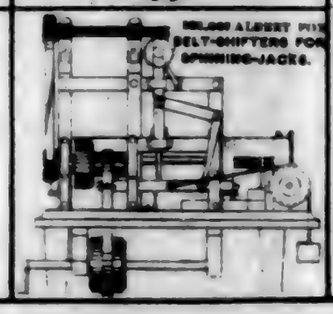
121,854 THOMAS DAMON. APPARATUS FOR TRANSMITTING AND APPLYING POWER.

121,855 BENJAMIN G. DEVOE. FENCES.

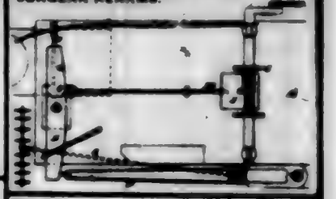
121,856 DUBOSON AND DUANE. SCROLL-SAWING MACHINES.

121,857 WILLIAM T. DOLE. CARRIAGE-HUB.

121,858 HEPHTHALI A. DURHAM. DENTAL FORCEPS.

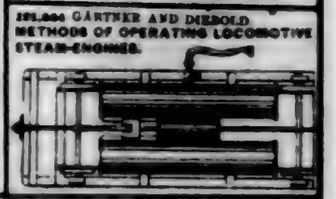


121,859 DIXON AND DIXON. MANUFACTURE OF JAPANNED OR TRAVELED HOOP-SKIRTS.

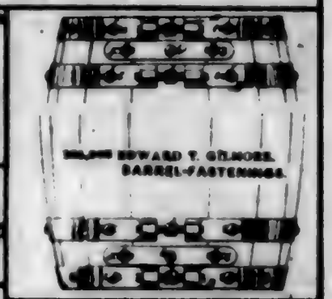


121,860 DAVID EVANS. PAPERING OR PUTTING UP NEEDLES.

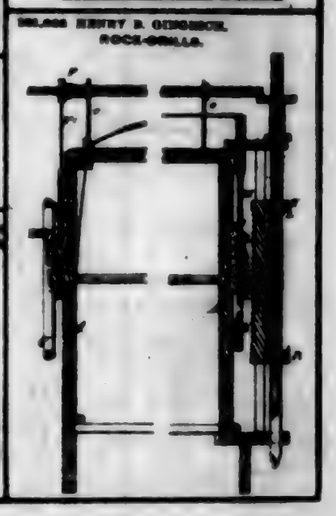
121,861 ALBERT PITT. BELT-SHIFTERS FOR SPINNING-JACKS.



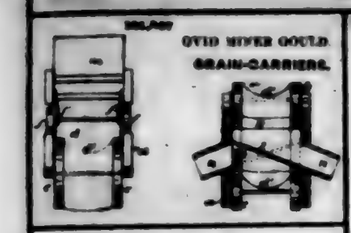
121,862 WILLIAM T. GARDINER. BURGLAR-ALARMS.



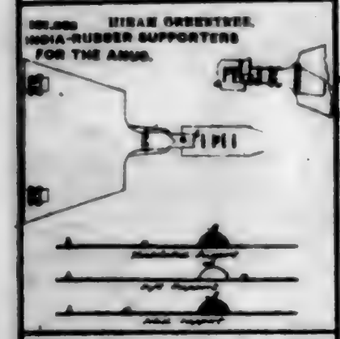
121,863 JAMES H. GARRETT. HARNESS-PADS.



121,864 GÄRTNER AND DIEBOLD. METHODS OF OPERATING LOCOMOTIVE STEAM-ENGINES.

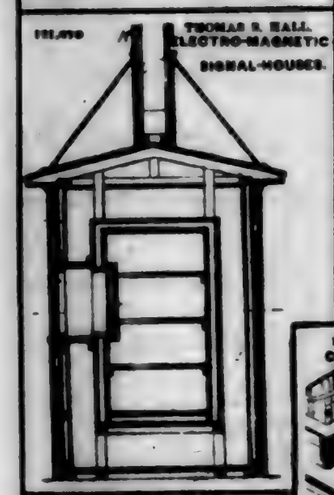


121,865 EDWARD T. GILMORE. BARREL-FASTENINGS.

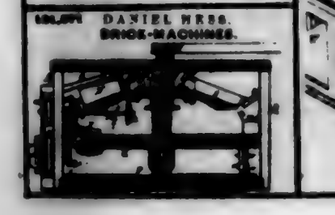


121,866 HENRY B. GIBBONS. ROCK-DRILLS.

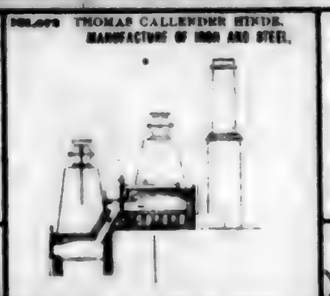
121,867 OVID MYER GOULD. GRAIN-CARRIERS.



121,868 HIRAM GREENTREE. INDIA-RUBBER SUPPORTERS FOR THE ANUS.

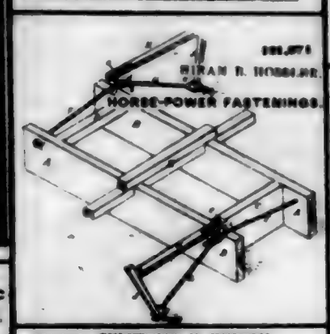


121,869 SCHUYLER E. GUNN. TIN CANS.

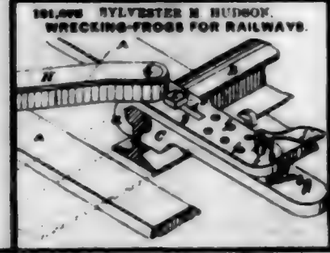


121,870 THOMAS S. HALL. ELECTRO-MAGNETIC SIGNAL-HOUSES.

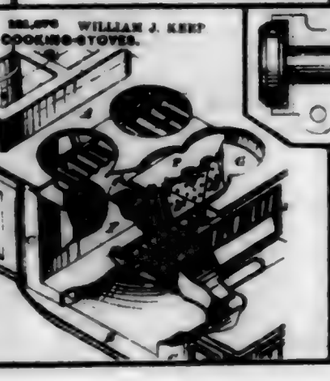
121,871 DANIEL HESS. BRICK-MACHINES.



121,872 THOMAS CALLENDER HINDE. MANUFACTURE OF IRON AND STEEL.

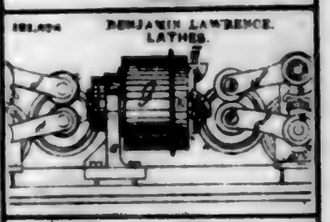


121,873 CARL HOFFMANN. IMPLEMENTS FOR HANDLING BOXES AND PACKAGES.

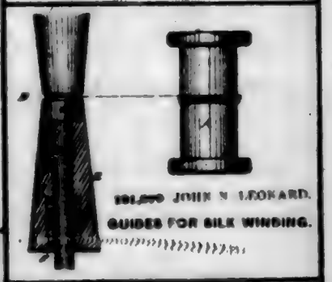


121,874 HIRAM B. HOBBS. HORSE-POWER FASTENINGS.

121,875 SYLVESTER M. HUDSON. WRECKING-FROGS FOR RAILWAYS.

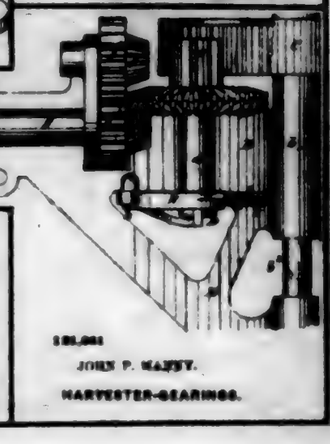


121,876 WILLIAM J. KEEP. COOKING-STOVES.

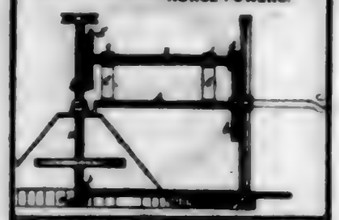


121,877 WILLIAM J. KEEP. STOVE-PIPE DAMPERS.

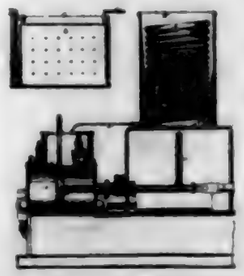
121,878 BENJAMIN LAWRENCE. LATHES.



121,879 JOHN N. LEONARD. GUIDES FOR SILK WINDING.

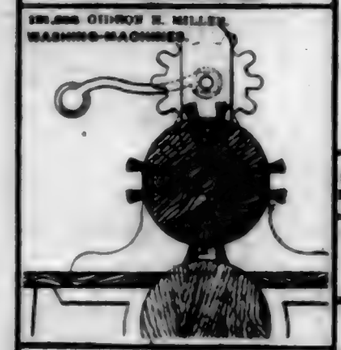


121,880 WILLIAM LEWIS. STOCKINGS FOR HORSES.



121,881 JOHN P. MAFFY. HARVESTER-GEARINGS.

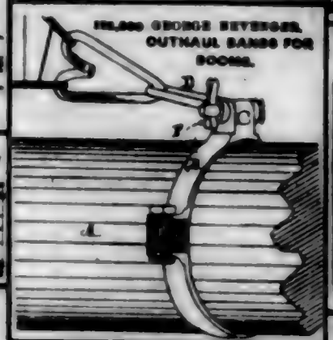
121,902 MARMADUKE AND STEWART. HORSE-POWERS.



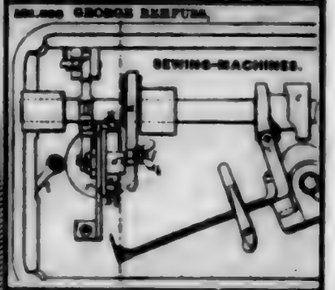
121,903 ANDREW MÜHL, JR. MACHINE

121,904 CHARLES PUTNAM BRIDGES.

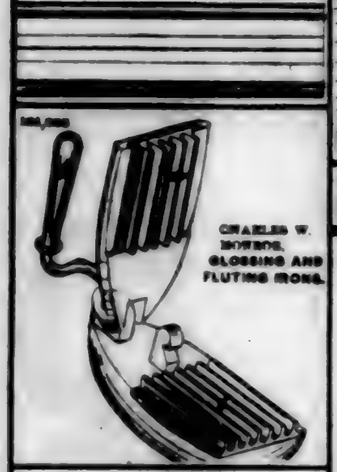
121,905 OTHROW H. MILLER. WASHING-MACHINES.



121,906 CHARLES MOTTER, JR. MANUFACTURE OF STEEL IN CRUCIBLES



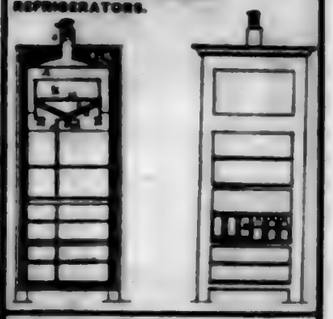
121,907 RUFUS PORTER, JR. VISES.



121,908 GEORGE REEVES. OUTHAUL BANDS FOR BOOMS.

121,909 GEORGE REEVES. SEWING-MACHINES.

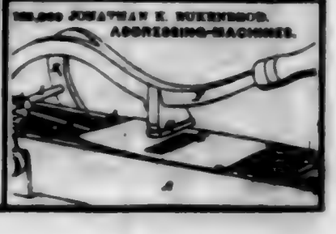
121,910 STEPHEN E. MYERS. LIGHTNING-RODS.



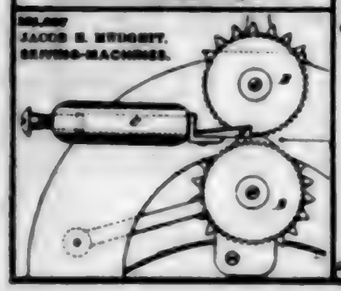
121,911 CHARLES W. BOWERS. GLOSSING AND FLUTING IRONS.

121,912 PHILLIP W. RICHARDS. STUFFING-BOXES.

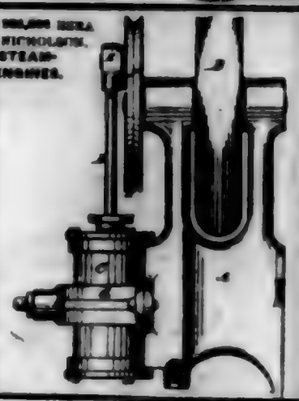
121,913 EDWARD A. L. ROBERTS. MANUFACTURE OF NITRO-GLYCERINE.



121,914 JEREMIAH BOKER. REFRIGERATORS.

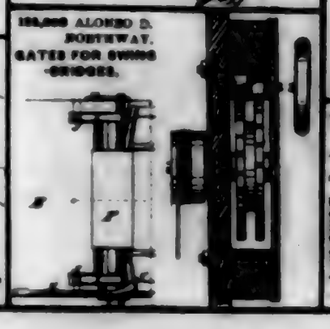


121,915 NORRILL AND SMITH. DESKS, TABLES, AND SHELVES COMBINED.

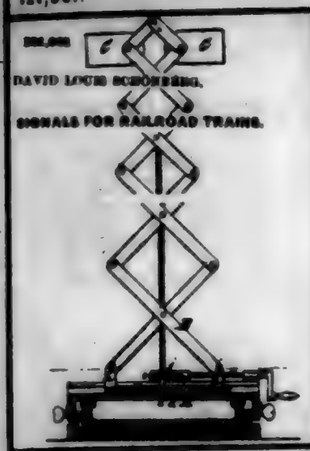


121,916 JONATHAN K. BURRINGTON. ADDRESSING-MACHINES.

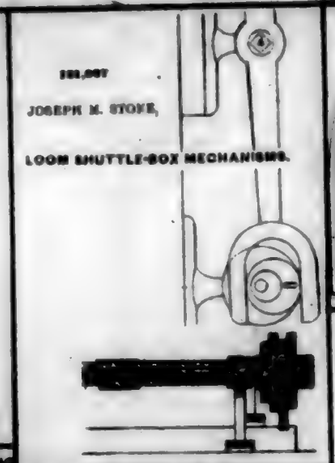
121,917 JACOB E. WRIGHT. SEWING-MACHINES.



121,918 ZERA NICHOLSON. STEAM-ENGINES.



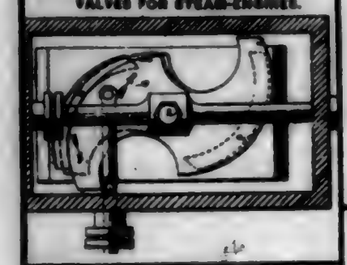
121,919 THOMAS H. PERCIVAL. MECHANICAL MOVEMENTS.



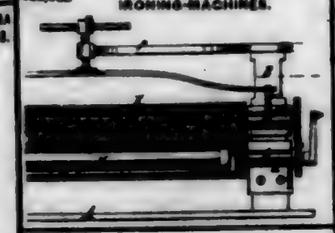
121,920 ALONZO D. NORTHWAY. GATES FOR SWING-BRIDGES.

121,901 DAVID LOUIS BOROWSKI. SIGNALS FOR RAILROAD TRAINS.

121,902 JOSEPH M. STOVE. LOOM SHUTTLE-BOX MECHANISMS.

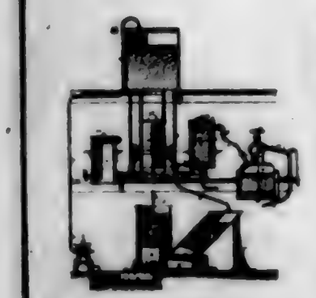


121,903 BENJ. F. THOMAS. FIRE-PLACES.

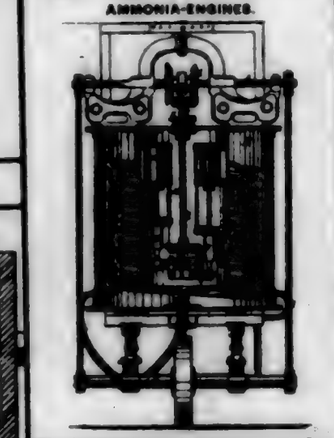


121,904 OSORIO A. SIMMONS. MEDICAL COMPOUNDS

121,905 CHARLES B. SMITH. VALVES FOR STEAM-ENGINES.

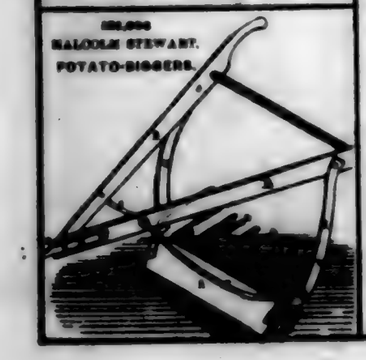


121,906 JOHN THOMSON. WEATHER-STRIPS.

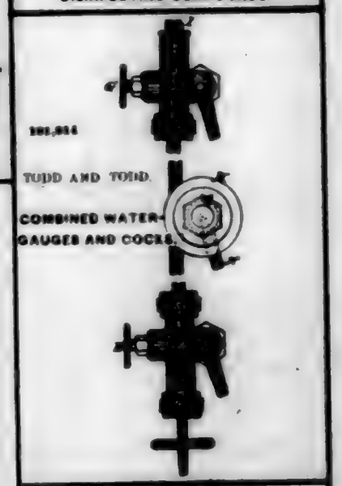


121,907 GILBERT F. TAYLOR. IRONING-MACHINES.

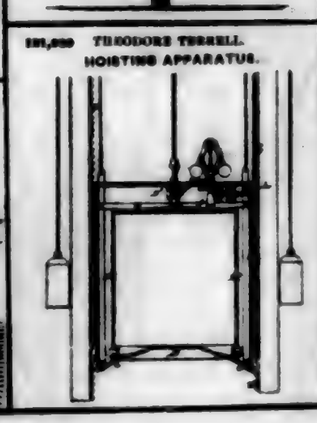
121,908 THOMAS SEDL. APPARATUS FOR SEPARATING FATTY MATTERS FROM VEGETABLE SUBSTANCES.



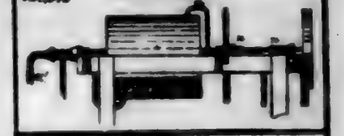
121,909 CHARLES TELLIER. AMMONIA-ENGINES.



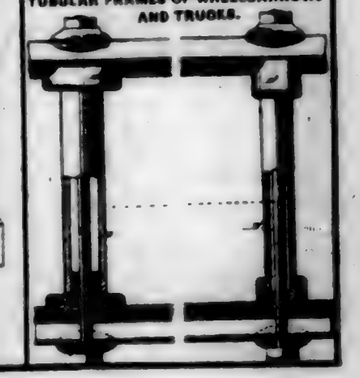
121,910 HENRY A. TILDEN. DISINFECTING COMPOUNDS.



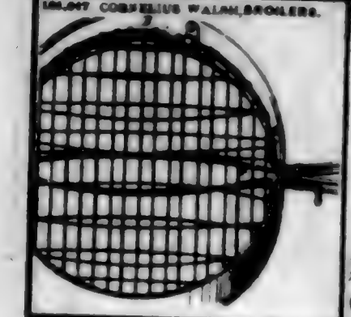
121,911 MALCOLM STEWART. POTATO-DIGGERS.



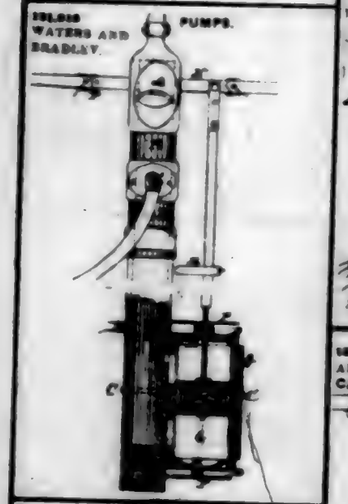
121,912 TODD AND TODD. COMBINED WATER-GAUGES AND COCKS.



121,913 THEODORE TERRELL. HOISTING APPARATUS.

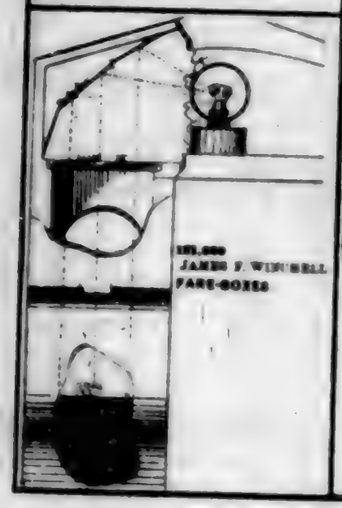


121,914 JAMES TURNER. DRIERS.



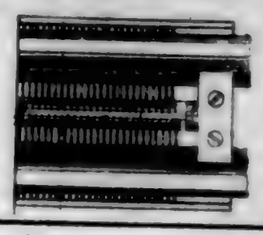
121,915 BROKWITH W. TUTHILL. TUBULAR FRAMES OF WHEELBARROWS AND TRUCKS.

121,917 CORNELIUS WALSH, BROILERS.

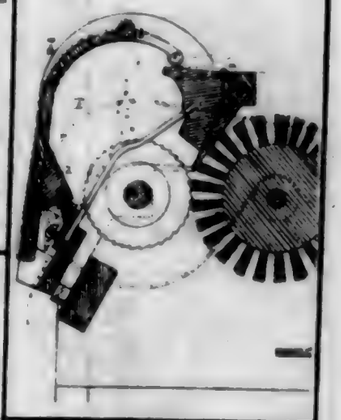


121,918 WATERS AND BRADLEY. PUMPS.

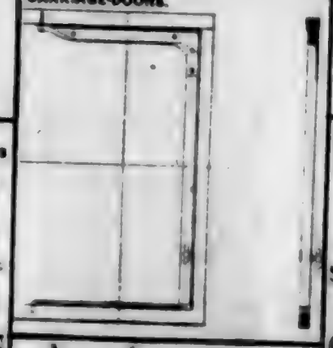
121,919 GARDNER A. WATKINS. PREPARING RATTAN FOR CHAIR-SEATS



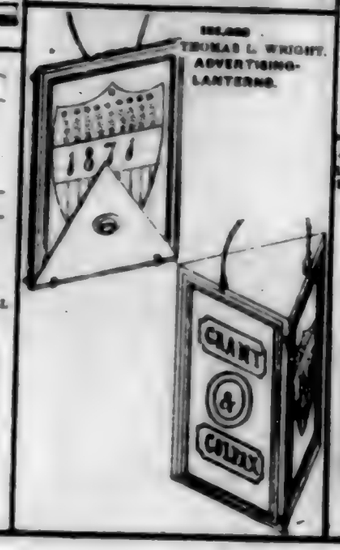
121,920 JAMES F. WINNELL. FARE-BOXES



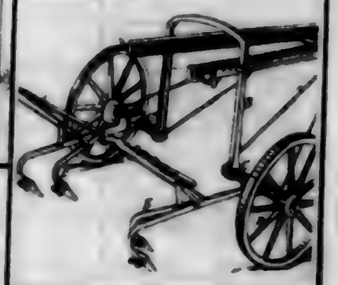
121,921 MARK L. WIER. SHAMPOOING APPARATUS.



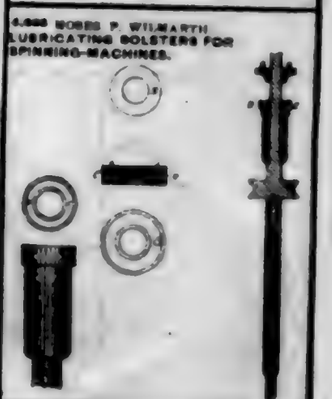
121,922 NATHANIEL CLARK. KNITTING-MACHINES.



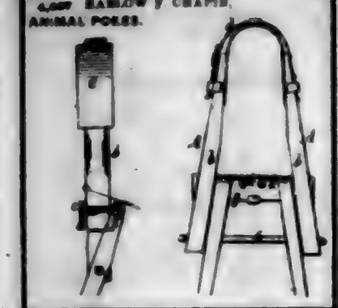
121,923 DANIEL PRATT. COTTON-GINS.



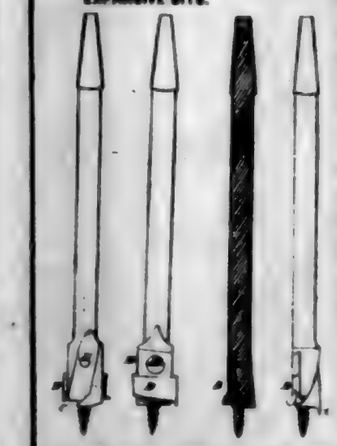
121,924 ALEXANDER WRIGHT. CARRIAGE-DOORS.



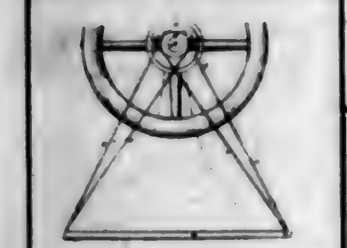
121,925 THOMAS L. WRIGHT. ADVERTISING-LANTERNS.



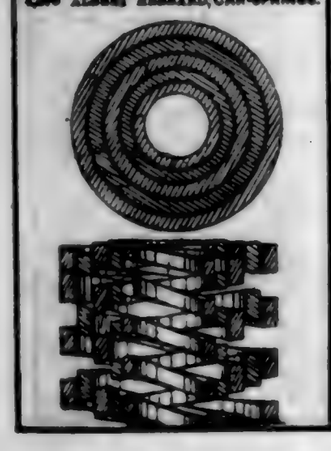
4,926 FLAVIUS J. UNDERWOOD. CULTIVATORS.



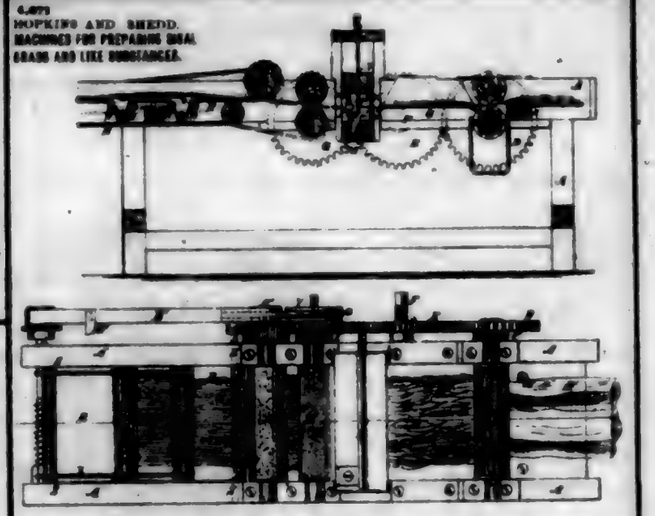
4,927 MOSES P. WILMARTH. LUBRICATING BOLSTERS FOR SPINNING-MACHINES.



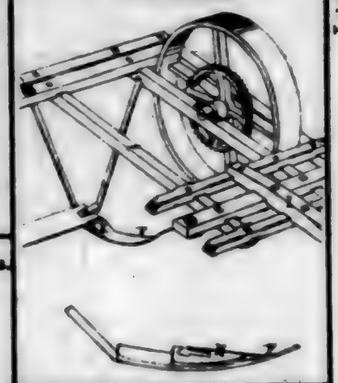
4,667 HARLOW F. CHAPIN. ANIMAL POKES.



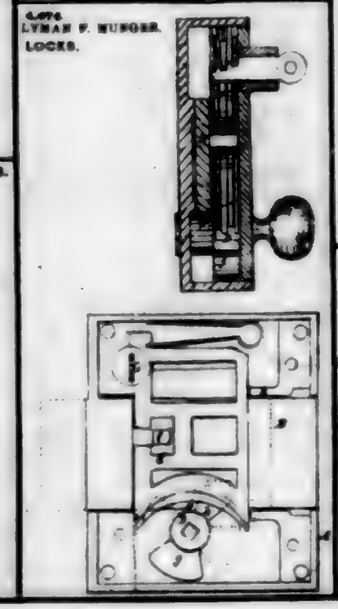
4,668 WILLIAM A. CLARK. EXPANSIVE BITS.



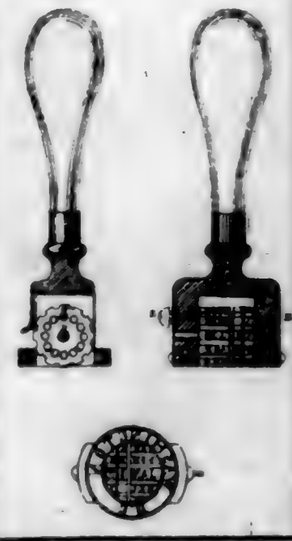
4,669 WARREN GLOVER. TREADLE ATTACHMENTS FOR SEWING-MACHINES.



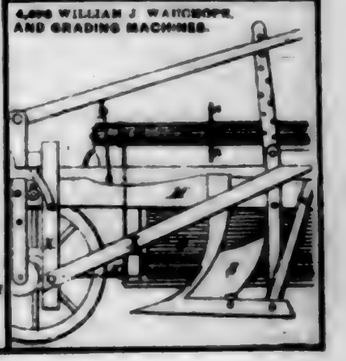
4,670 ALBERT HERRARD, CAR-SPRINGS.



4,671 HOPKINS AND SHEDD. MACHINES FOR PREPARING HEMP, GRASS AND LIKE SUBSTANCES.

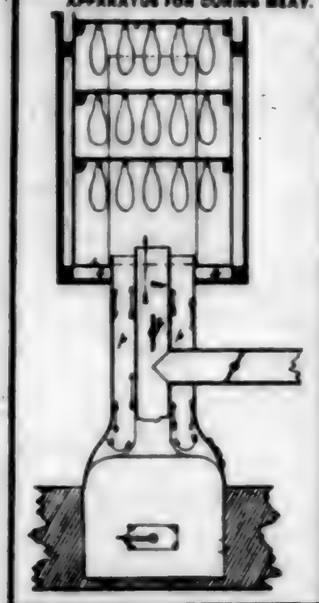


4,672 4,673 WILLIAM P. KNUCHUN. HARVESTERS.



4,674 LYMAN F. WUFORD. LOCKS.

4,675 THOMAS J. W. ROBERTSON. HAND-STAMPS.



4,676 WILLIAM J. WAINSCOTT. AND GRADING MACHINES.

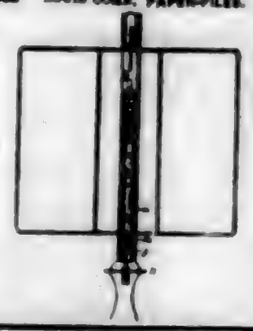
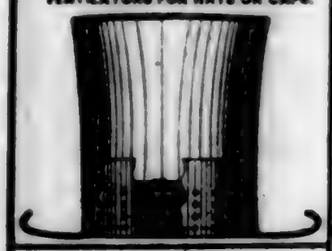
121,990 JAMES P. CHAMBERLIN. SPRINGS FOR BEDS AND SEATS.

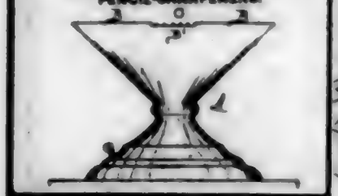


121,991 DANFORTH CHENEY. WATERING DEVICES FOR RAILROADS.

121,992 SAMUEL L. CLEMENS. DETACHABLE STRAPS FOR GARMENTS.

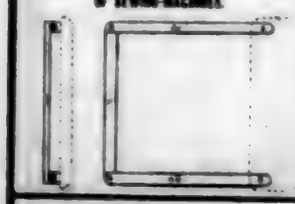


122,000 LOUIS COHN, PAPER-FILES.



LEFFERT S. CORNELL, 122,001
BRINE FOR MANUFACTURE OF SALT.

122,002 WILLIAM DALE,
VENTILATORS FOR HATS OR CAPS.

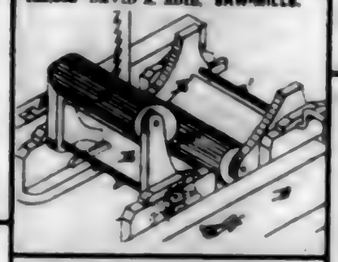


122,003 DAVIS AND ELLIOTT,
PENCIL-SHARPENERS.

122,004 HARDIMAN DEMONTROT,
HAIR WEAVING AND
MOUNTING APPARATUS.

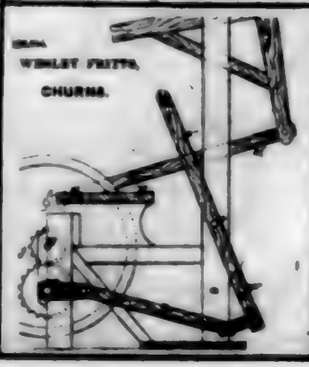
122,005 ARTHUR DICKINSON,
MEANS FOR EXTENDING THE TABLES
OF SEWING-MACHINES.

122,006 DODSON AND BRAY,
BEE-HIVES.



122,007 ERASTUS P. DOYER,
STEAM-RADIATORS.

122,008 J. JOSEPH EAGLETON,
JAPANNED FURNITURE-SPRINGS.



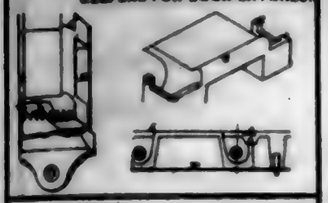
122,009 DAVID A. EDIE, SAW-MILLS.

122,010 JOHN FAUSSETT, GATES.

122,011 WINSLEY FRITTS,
CHURNS.

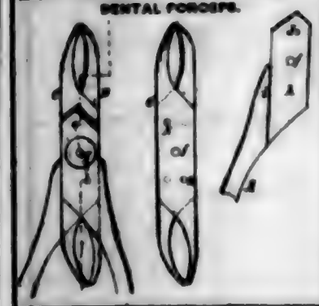
122,012 WILLIAM S. GAVAN,
ADVERTISING-ALBUMS.

122,013 JAMES GILLIS,
BUNG-INSERTERS.



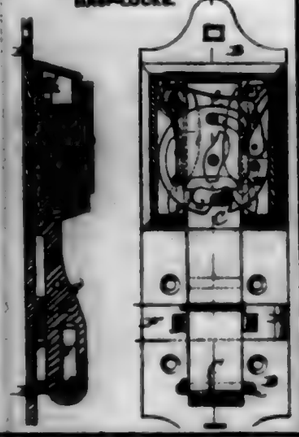
122,014 GEORGE S. GREEN,
HARVESTER-REELS.

122,015 THOMAS HAGERTY,
PUNCHING-MACHINES.



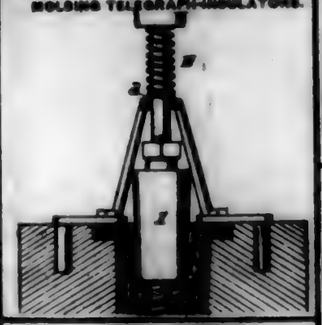
122,016 ABIJAH WHITNEY HALL,
COMBINED FRICTION AND
RATCHET CLUTCHES.

122,017 WILLIAM P. HALL,
STEAM-BOILER CASINGS
AND FURNACES.



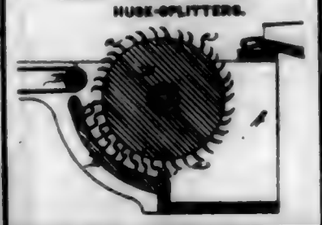
122,018 WILLIAM HARVEY,
KEEPERS FOR DOOR-LATCHES.

122,019 LEONARD GEORGE HASKINS,
DENTAL FORCEPS.



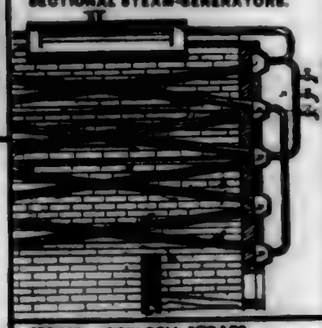
122,020 WILLIAM D. HEISTER,
HASP-LOCKS.

122,021 J. HERBERT HELM,
PROJECTILES.



122,022 ROBERT HEMINGRAY,
MOLDING TELEGRAPH-INSULATORS.

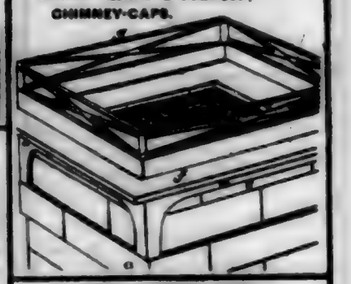
122,023 SAMUEL S. HICHCOCK,
CASTERS FOR FURNITURE.



122,024 HENRY HOLLIS,
HUSK-SPLITTERS.

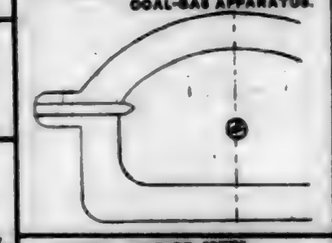
122,025 GEORGE A. HOWE,
ABRASIVE PAPER-HOLDERS.

122,026 DEWITT C. HOWELL,
SECTIONAL STEAM-GENERATORS.

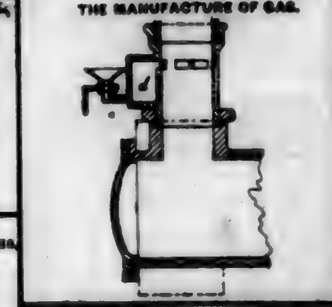


122,027 COW-BELL STRAPS.
JOSEPH H. HUGHES AND ABRAHAM HUGHES.

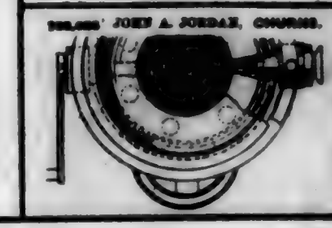
122,028 CHARLES JARVIS,
LINE-CONNECTORS.



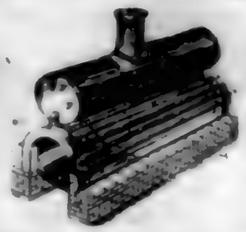
122,029 AARON B. JOHNSON,
CHIMNEY-CAPS.



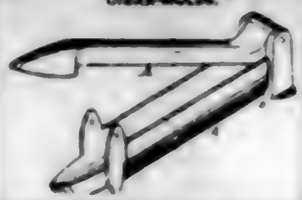
122,030 ALBERT L. JONES,
PAPER FOR PACKING.



122,031 EDWARD JONES,
COAL-GAS APPARATUS.

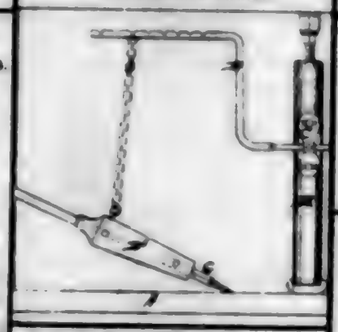


122,032 EDWARD JONES,
APPARATUS FOR
THE MANUFACTURE OF GAS.

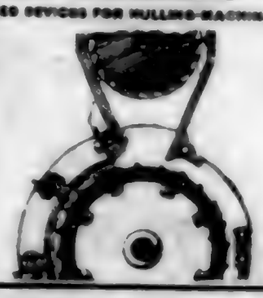


122,033 JOHN A. JORDAN, CHURNS.

122,027 JAMES JOSEPH JORDAN
STEAM-GENERATORS.



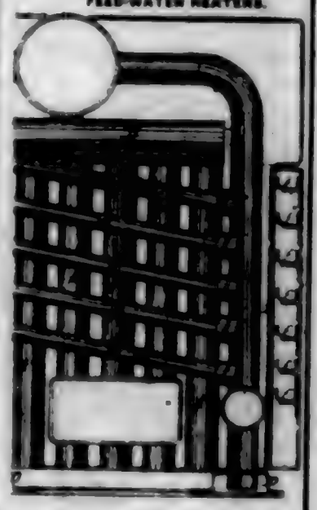
122,028 LAMAYE AND LYONS
CIGAR-MOLDS.



122,029 ALEXANDER LOWE,
UTERINE SUPPORTERS.

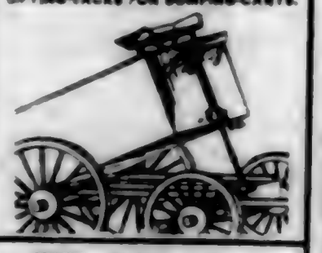
122,030 ISAAC LAMPLUGH,
COAL-MINING TOOLS.

122,031 DAVID KARNWEILER,
FEED DEVICES FOR MULLING-MACHINES.

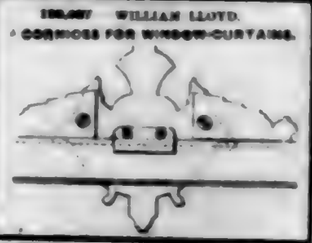


122,032 WASHINGTON I. LUDLOW,
POSTAL-CARDS.

122,033 KHARRIKO AND KHARRIKO,
PROCESSES FOR PREPARING OILS
FOR CERTAIN PURPOSES.

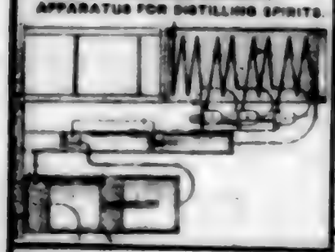


122,034 MIRADEAU N. LYNN,
STEAM-GENERATORS AND
FEED-WATER HEATERS.



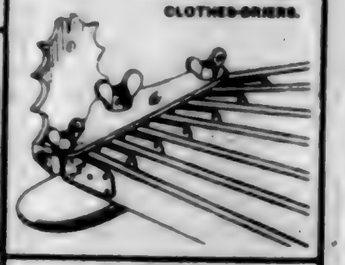
122,035 WEITZNER AND HANDLETT
MOCCASIN BOOTS AND SHOES.

122,036 ROBERT B. LITTLE,
LIFTING-JACKS FOR DUMPING-CARTS.



122,037 WILLIAM LLOYD,
CORNICES FOR WINDOW-CURTAINS.

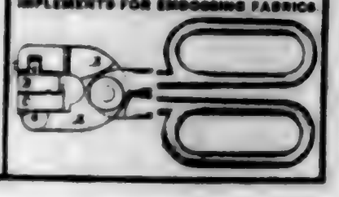
122,038 JEROME KIDDER,
NEEDLE-ELECTRODES.



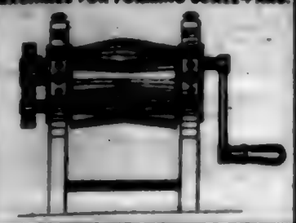
122,039 GOTT HARD KLEINER,
APPARATUS FOR DISTILLING SPIRITS.

122,040 HENRY C. LOCKWOOD,
ADJUSTABLE AND DETACHABLE
STRAPS FOR GARMENTS.

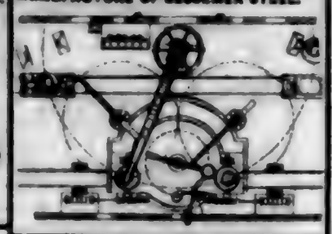
122,041 WILLIAM C. MAYNARD
CLOTHES-DRIERS.



122,042 PRUDENCE A. LA FRANCE,
ROTARY ENGINES.



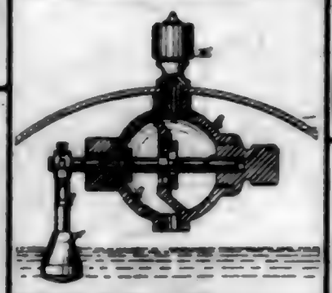
122,043 A. GENEVA LOCKWOOD
HORSE HAY-RAKES.



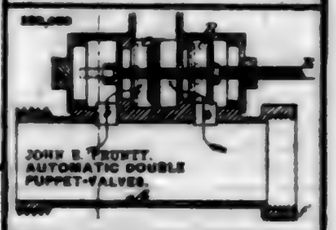
122,044 JAMES W. BAKER,
IMPLEMENTS FOR EMBOSSING FABRICS

122,045 FREDERICK MEYER,
MACHINES FOR FORMING SCALE-PANS.

122,046 JOHN B. PEARCE,
MANUFACTURE OF BESSEMER STEEL.

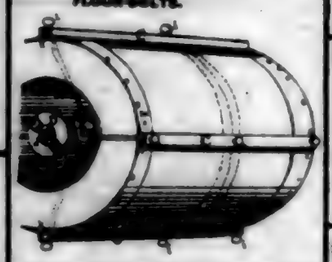


122,047 DAVID R. PROCTOR,
SPARK-ARRESTERS.



122,048 CHARLES MICHEL,
PROPULSION OF VESSELS.

122,049 JOHN PETERS,
STEAM-BOILER FLOAT-VALVES.

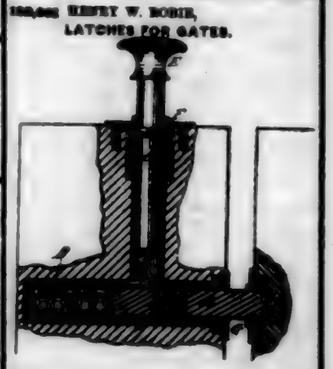


122,050 JOHN E. PRUITT,
AUTOMATIC DOUBLE
PUPPET-VALVES.

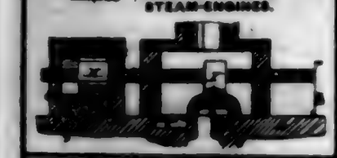
122,051 JOSEPH MOWAGHAN,
PEN AND PENCIL CASES.

122,052 HIRAM N. SPERRY,
FLOUR-BOLTS.

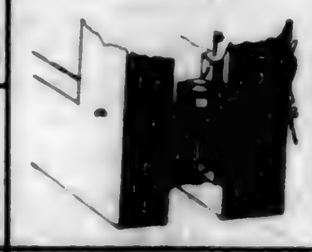
122,053 ANDREW RICHARDSON,
VAULT-COVER LOCKS.



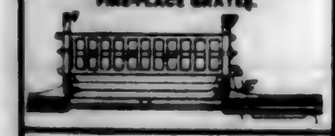
122,054 THOMAS H. B. MOREHOUSE,
BED-BOTTOMS.



122,055 MYRON D. PHELPS,
LIGHTNING-RODS.



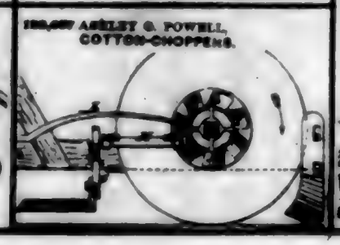
122,056 HENRY W. ROBIE,
LATCHES FOR GATES.



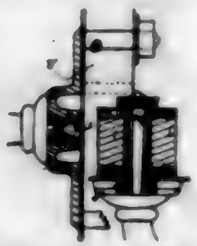
122,057 FRASER BUTLEY,
STEAM-ENGINES.

122,058 JOSEPH T. POPE,
SHUTTER-WORKERS.

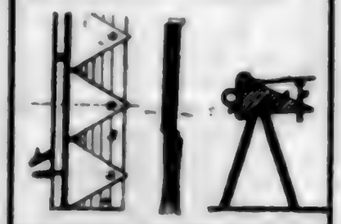
122,059 DAVID PAIGE,
FIRE-PLACE GRATES.



122,060 JOHN L. BOERER, HARVESTERS.



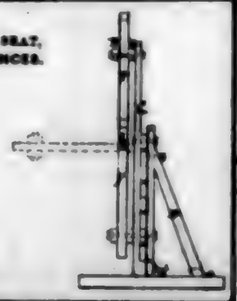
122,061
WILLIAM P. PATTON,
MEAT-CHOPPERS.



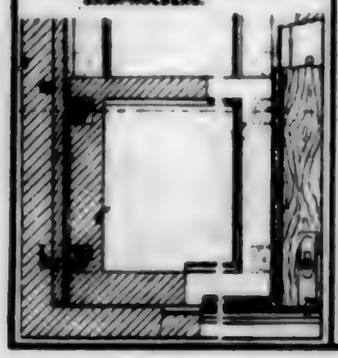
122,062 ASHLEY G. POWELL,
COTTON-CHOPPERS.

122,063 CYRUS W. BALADER.
TOP-JOINTS AND THEIR CONNECTIONS.

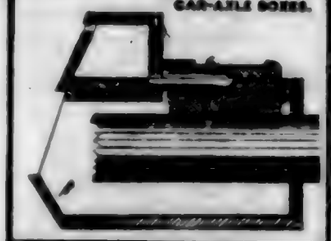
122,064 ISAAC G. BAUDERS.
SHARPENING HARVESTER-KNIVES.



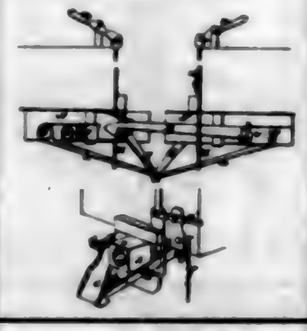
122,065 GEORGE W. BOULLAY.
COMPOUNDS OF VEGETABLE ALKALOIDS



122,066 BOSIVER AND TAYLOR.
SWINGS FOR CHILDREN.



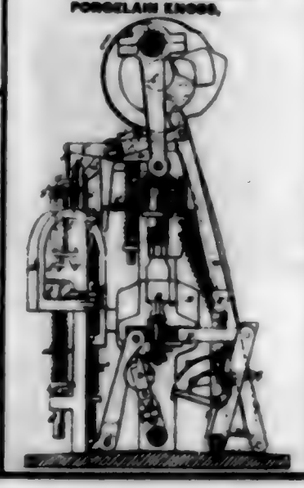
122,067
JAMES L. BRAT.
FLOOD-FENCES.



122,068 RAPHAEL BOND BELDIN.
SASH-HOLDERS.

122,069 HERMAN SIMMONS AND DAVID FORBES.
CAR-AXLE BOXES.

122,070 WILLIAM H. SKINNER.
CAR-COUPLINGS.



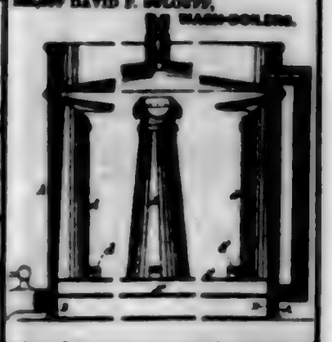
122,071

WILLIAM A. SLEPPY.
CLOTHES-DRIERS.

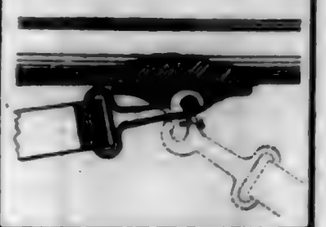
122,072 THOMAS J. SLOAN.
MACHINES FOR MAKING
PORCELAIN KNOBS.

122,073 ROBERT W. SMITH.
ANTI-FRICTION JOURNAL-BOXES.

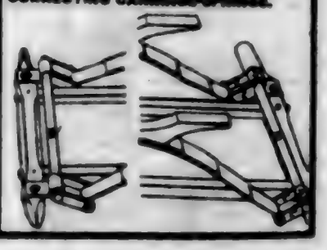
122,074 WILLIAM H. SPARKS.
AXLES FOR VEHICLES.



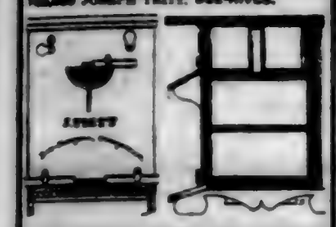
122,075 ANDREW T. STILL.
CHURN-DASHERS.



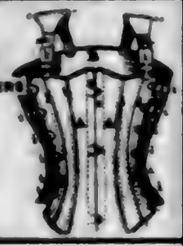
122,076 WILLIAM H. STOUT.
MOLDS FOR SEWER-PIPES.



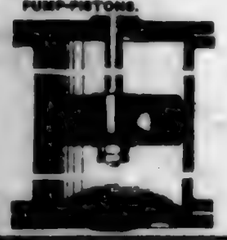
122,077 DAVID P. SULOUFF.
WASH-BOILERS.



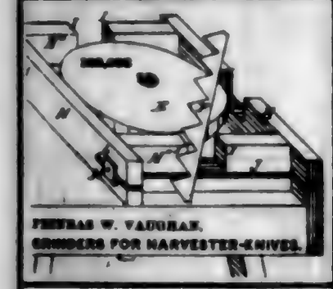
122,078 JAMES THORNTON AND BRENT G.
LATTA, MOLD-BACK ATTACHMENTS TO
VEHICLES



122,079
JOHN A. TOPLIFF AND GEORGE H. HAY.
CONNECTING CARRIAGE-SPRINGS.

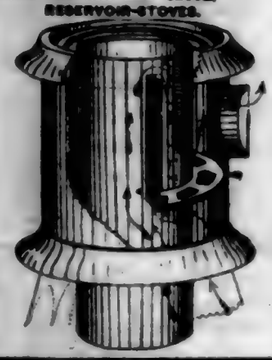


122,080 JOSEPH TEITE. BEE-HIVES.



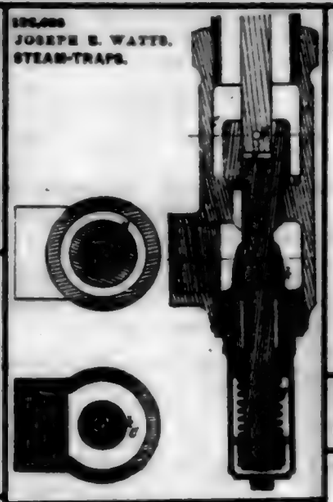
122,081
MARY J. O. VANDERBRAND.
CORSET AND
SKIRT-SUPPORTER
COMBINED.

122,082 JOHN VAN TASSEL.
PUMP-PISTONS.

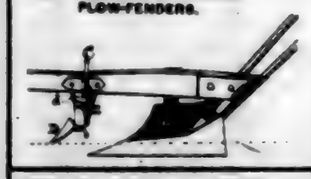


122,083

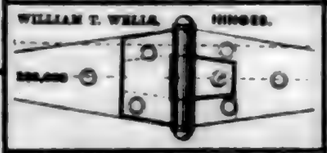
PERRAS W. VAUGHAN.
GRINDERS FOR HARVESTER-KNIVES.



122,084 VROOMAN AND GLUTE.
RESERVOIR-STOVES.



122,085 PRESTON WARE.
BOOTS AND SHOES.



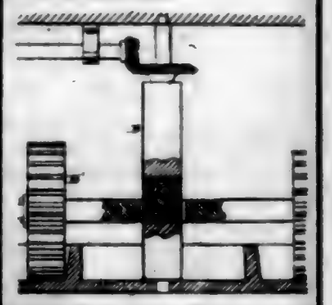
122,086 JOSEPH E. WATTS.
STEAM-TRAPS.

122,087 ALANSON P. WEBBER.
PLOW-FENDERS.

122,088 WILLIAM T. WELLS. HINGES.

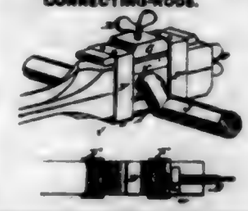
122,089 WILLIAM WESTLAKE.
WASH-BOWLS.

122,090
HERRIDGE
WEEBLER.
FAGOTS FOR
METAL BARS.

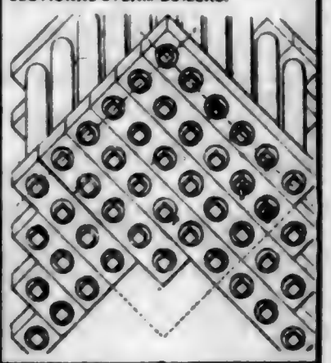


122,091 EDWIN V. WHITAKER.
GLOVES.

122,092
JOSEPH WILLIAMS.
SOLDERING IRONS.

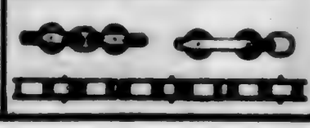


122,093
JOSEPH R. WILSON.
WASHING-MACHINES.



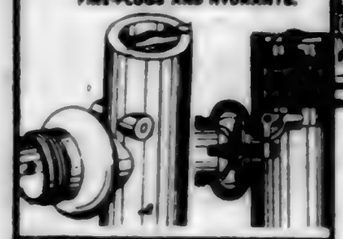
122,094
JOSEPH R. WILSON.
EXTRACTING GREASE FROM FABRICS.

4,077 JOHN W. ESTY.
CONNECTING-RODS.



4,077 WILLIAM H. CORNELL.
SECTIONAL STEAM-BOILERS.

4,078
ROBERT H. LAFFERTY.
PUMPS.



4,079 WILLIAM B. McCLURE.
BACK-CHAINS FOR CART-SADDLES.

APPARATUS FOR EVAPORATING SUGAR.

JOHANN SCHMIDT.
LIQUID-MEASURING APPARATUS.

JOHN HENRY SCHMIDT.
SOUNDING-BOARDS FOR MUSICAL INSTRUMENTS.

SIMPSON AND LAMKIN.
COTTON-PRESSES.

GEORGE W. SMITH.
ADJUSTABLE CUT-OFF VALVES.

122,199 — STRAGUS AND STRAGUS, CLOTHES-PINS.

122,200 — WILLIAM E. WAIRE, FEED-WATER HEATERS.

122,201 — ABRAHAM D. WESTBROOK, CARRIAGE-TOP PROP-BLOCK WASHERS.

ABRAHAM AND STEWART, SEWER-TRAPS AND CATCH-BASINS. 122,203

122,204 — AMOS L. SWAN, HOUSE-BELLS

GEORGE EARLY, 122,205 — FILLER-BOXES FOR CIGAR-MAKERS.

122,206 — WILLIAM SHEPARD WITHROW, SPADE-BAYONETS.

122,207 — JOHN S. THOMPSON, HARVESTERS.

122,208 — JAMES WILLIAMS, CAR AND TENDER LOADING APPARATUS

122,209 — SAMUEL D. BATES, ENVELOPES.

122,210 — EDWARD BATWELL, THILL-COUPLING.

122,211 — CHARLES D. TISDALE, RAILWAY SIGNALS.

122,212 — FRANCOIS BEAUJEU, BRICK-MACHINES.

122,213 — JAMES T. WORLEY, RAILWAY PASSENGER-CARS.

122,214 — ELIAS BAKER, THRESHOLDS.

122,215 — ELIAS F. BICKWITH, HEAD-BLOCKS.

122,216 — TRISCOTT AND WHEELER, SHOE-FASTENINGS.

122,217 — EDWARD P. BENTON, BRONZING-MACHINES.

122,218 — EMIL BORSCH, LAMPS.

122,219 — JACOB BRINKERHOFF, CLOTHES-WRINGERS.

122,220 — WILLIAM M. BROOKS, SCHOOL-DESKS.

122,221 — CHARLES A. BOGERT, DOUBLED WALKING-CANE AND BILLIARD-CUE.

122,222 — JOHN DICKINSON BRUETON, MACHINES FOR TURNING STONE.

122,223 — RUSSELL BREWER, JOURNAL-BOXES FOR RAILWAY CARS.

122,224 — CARCOFF AND ROBINSON, POCKET-BOOK GUARDS.

122,225 — LEANDER CARMAN, STEAM-ENGINES.

122,226 — HENRY CLOSTERMAN, KITCHEN-TABLES.

122,227 — FRANKLIN B. COLTON, DUMPING-CARS.

122,228 — FRANKLIN B. COLTON, DUMPING-BUCKET

122,229 — JOHN M. COMER, HEAD-BLOCKS.

122,230 — WILLIAM A. COULTER, TURN-TABLES.

JOSEPH W. CREMIN. HOLLOW SEAMS

JOSEPH W. CREMIN. LIQUID-METERS.

FRANCIS B. DAY. CHEESE-VATS.

ARTHUR C. DEVLAN. OPERATING RAILWAY SWITCHES.

DINDINGER AND HENRI. STONE-SAWING MACHINES.

WILLIAM T. DOLE. MODE OF COUPLING CARRIAGES.

LEONARD F. DUNN. THREAD-MEASURING APPARATUS.

GEORGE E. DYER. STUMP-EXTRACTORS.

FREDERICK ELLIA. LADDERS.

MARSHALL M. ELLIS. WINDOW CASINGS AND SASHES.

DAVID ZIMMERMAN EVANS. CULTIVATORS.

GEORGE P. FARMER. NEEDLE-THREADER AND SPOOL COMBINED.

HARRIET A. FARNAM. BEE-HIVES.

JAMES FLOWER. BORING-BARS FOR FACING THE ENDS OF CYLINDERS.

JOSEPH GARDNER. FIRE-EXTINGUISHERS

EDWIN GOMES. EXPLOSIVE COMPOUNDS.

JOHN GRAY. MACHINES FOR WRAPPING WIRE-CABLES.

JOHN GRAY. MACHINES FOR LAYING BRIDGE-CABLES

DARWIN A. GREENE. STEAM-ENGINES.

HENRY J. HAIGHT. INCUBATORS.

ALONZO F. HAVENS. COVERS FOR GAS-RETORTS.

HILL AND STEWART. REVOLVING HARROWS.

FRANCIS B. HULBERT. STEAM-BOILER TUBE-BUSHINGS.

JAMES L. JACKSON. TABLES FOR EMERY-GRINDERS.

PETER N. JACOBUS. DENTAL FORCEPS.

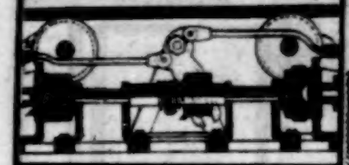
WILLIAM KELLY. MAKING STEEL CASTINGS.

THEODORE W. KENNEDY. PRESSER-FOOT LIFTERS FOR SEWING-MACHINES.

MICHAEL J. KERIGAN. MECHANISMS FOR A REED-ORGAN SWELL.

JOHN KNAPP. PRESERVING EGGS.

LUCIUS J. KNOWLES. SCREW-PRESSES.

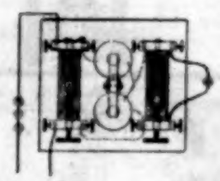


ELIZA J. LAKE. METHODS OF CUTTING CLOTH.

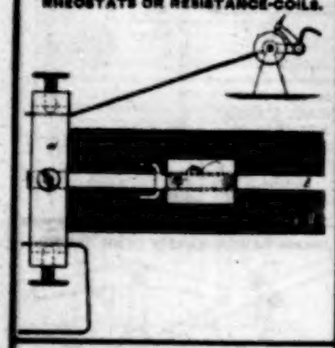
DANIEL MARTIN LAMB. PLOWS.

DORUS W. LANDVOIGT. RULING-MACHINES.

DENNIS LANE. HEAD-BLOCKS FOR SAW-MILLS.

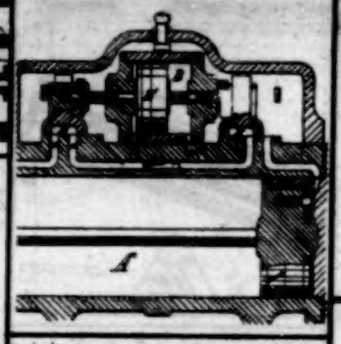


122,264 CHANCY H. LATHROP, RAILWAY CAR-BRAKES.



ARTHUR LE CLERCQ, COPYING-PRESSES.

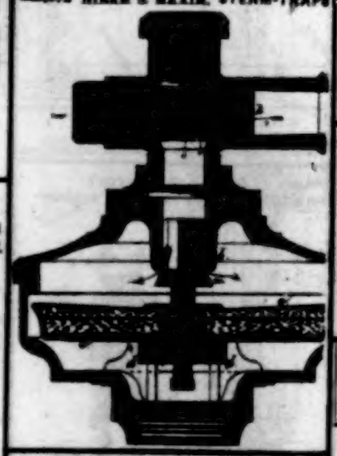
GEORGE LITTLE, ELECTRO-MAGNETIC APPARATUS.



GEORGE LITTLE, RHEOSTATS OR RESISTANCE-COILS.

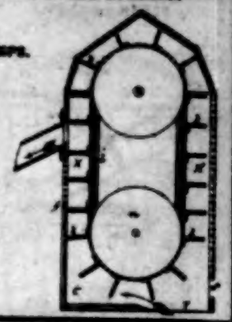
JOSEPH W. LYON, MECHANISM FOR OPERATING ATTACHMENTS IN SEWING-MACHINES.

JOHN C. MACDONALD, VALVE-GEARS FOR STEAM-ENGINES.



GEORGE M. MARSHALL, SHEARS FOR CUTTING METAL.

WILLIAM L. MARTIN, RAILWAY SWITCHES.



HIRAM S. MAXIM, STEAM-TRAPS.
